ABSTRACT

Before the author wrote the problem because the Jews did not believe in the afterlife, paradise and hell, they told that Adam was created and lived in the garden of paradise that flows the Pishon, Gihon, Tigris and Euphrates rivers, in Southern Iraq, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about because the Jews do not believe in the afterlife, paradise and hell, so they tell Adam was created and lived in a garden of paradise that flows the Pishon, Gihon, Tigris and Euphrates rivers, in Southern Iraq, based on the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking about because the Jews do not believe in the afterlife, paradise and hell, so they tell of Adam being created and living in the garden of paradise where the Pishon, Gihon, Tigris and Euphrates rivers flow, in Southern Iraq, namely the verses :

"And verily We have created man from dry clay from black mud which was given shape. (Al Hijr: 15: 26)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"Then both of them were derailed by the devil from heaven and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)

And We said: "O Adam, dwell in this paradise for you and your wives, and eat from its abundant good food wherever you like, and do not approach this tree, which causes you to be among the wrongdoers. (Al Baqarah: 2:35)

"So both of them ate from the fruit of the tree, then their nakedness became visible to both of them and they began to cover them with the leaves of paradise, and Adam disobeyed God and went astray (Thaahaa: 20:121)

"So We said: "O Adam, verily this is an enemy to you and to your wife, so do not let him expel you both from Paradise, which will cause you harm (Thaahaa: 20: 117)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"so that He may admit the believing men and women into Paradise under which rivers flow, they will abide therein forever and so that He may cover their faults. And that is a great advantage in the sight of Allah (Al-Qur'an). Fath : 48: 5)

"Life is nothing but our life in this world, we die and we live and will never be raised again (Al Mu'minuun: 23: 37)

"Allah is the light of the skies and the earth...Light upon light...(An Nuur: 24:35)

In an effort to open the veil of Allah's secret about the fact that the Jews do not believe in the hereafter, paradise and hell, they tell that Adam was created and lived in the garden of paradise where the Pishon, Gihon, Tigris and Euphrates rivers flow, in Southern Iraq, the author uses a deoxyribonucleic basis. acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that Jews do not believe in the afterlife, paradise and hell, they tell that Adam was created and lived in a garden of paradise that flows the Pishon, Gihon, Tigris and Euphrates rivers, in Southern Iraq, based on Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

BECAUSE THE JEWS DON'T BELIEVE IN THE DAY OF JUDGMENT, PARADISE AND HELL, THEY STORY ADAM WAS CREATED AND LIFE IN PARADISE GARDENS FLOWING THE PISHON, GIHON, TIGRIS AND EUFRAT RIVERS, IN SOUTH IRAQ

Now, we are still trying to focus our minds to reveal the secret hidden behind the verse: *"...We have created man from dry clay from black mud which was given a shape. (Al Hijr: 15: 26)"...I breathed into him my spirit...(Shaad: 38:72)"...in paradise beneath which rivers flow...(Al Fath: 48:5)*

Apparently, here, Allah has declared *"...We have created man from soil from black mud which is given shape. (Al Hijr: 15:26)"...I breathed into him my spirit...(Shaad: 38:72)*

So, now the question arises,

What's wrong with *"...soil...(Al Hijr: 15:26)* and *"...my spirit...(Shaad: 38:72) ?*

The answer is *"...soil...(Al Hijr: 15: 26)* contains carbon atoms, nitrogen atoms, hydrogen atoms and oxygen atoms. Likewise, *"... my spirit...(Shaad : 38: 72)* or *"... Allah's spirit...(Shaad : 38: 72)* contains carbon atoms, nitrogen atoms, hydrogen atoms and oxygen atoms.

So, in fact, Allah created Adam, his wife and all humans and animals, plants from *"... my spirit...(Shaad : 38: 72)* or *"... Allah's spirit...(Shaad : 38: 72)* which contains carbon atoms, nitrogen atoms, hydrogen atoms and oxygen atoms.

Now, because the Jews do not believe in the Day of Judgment, paradise and hell, so when they tell about the creation of Adam and his wife, they make the story of Adam and his wife being created in a garden of paradise in which there are rivers of Pishon, Gihon, Tigris and Euphrates, in Southern Iraq. .

Now, here, the Jews, emphasize, because Adam and his wife were created with bodies, like all humans who live on this earth, then Adam and his wife live on this earth, namely in one place where the rivers pishon, gihon, tigris and euphrates flow, in Southern Iraq.

This is, the Jewish belief about Adam and his wife until now. Adam and his wife were created in one place where the Pishon, Gihon, Tigris and Euphrates rivers flow, in Southern Iraq.

Now another question arises,

Why were Adam and his wife not created in "*... paradise under which rivers flow, they will abide in it...* (Al Fath: 48: 5)?"

The answer is hidden in the secret behind the aya "*life is nothing but our life in this world, we die and we live and will never be raised again* (Al Mu'minuun: 23: 37)

Well, because of the reason "*... we die... never will we be resurrected again* (Al Mu'minuun: 23: 37), the Jews do not believe in "*... paradise under which rivers flow , they are eternal in it ...* (Al Fath: 48: 5) promised by Allah.

And indeed, in the first book of the Prophet Moses which is in the presence of the Jews until now it is stated that Adam and his wife lived in the garden of paradise where the Pishon, Gihon, Tigris and Euphrates rivers flowed. Or in other words, Adam and his wife were created and lived in a place that is now called Southern Iraq.

This is the result of the Jews not believing in the hereafter, paradise and hell, finally told that Adam and his wife were created and lived in a place where the rivers pishon, gihon, tigris and euphrates flow, in southern Iraq.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: "*...We have created man from dry clay from black mud which was given a shape. (Al Hijr: 15: 26) "...I breathed into him my spirit...(Shaad: 38:72) "...in paradise beneath which rivers flow...(Al Fath: 48:5)*

Apparently, here, Allah has declared "*...We have created man from soil from black mud which is given shape. (Al Hijr: 15:26) "...I breathed into him my spirit...(Shaad: 38:72)*

So, now the question arises,

What's wrong with "*...soil...(Al Hijr: 15:26)* and "*...my spirit...(Shaad: 38:72)* ?

The answer is "*...soil...(Al Hijr: 15: 26)* contains carbon atoms, nitrogen atoms, hydrogen atoms and oxygen atoms. Likewise, "*... my spirit...(Shaad : 38: 72)* or "*... Allah's spirit...(Shaad : 38: 72)* contains carbon atoms, nitrogen atoms, hydrogen atoms and oxygen atoms.

So, in fact, Allah created Adam, his wife and all humans and animals, plants from "*... my spirit...(Shaad : 38: 72)* or "*... Allah's spirit...(Shaad : 38: 72)* which contains carbon atoms, nitrogen atoms, hydrogen atoms and oxygen atoms.

Now, because the Jews do not believe in the Day of Judgment, paradise and hell, so when they tell about the creation of Adam and his wife, they make the story of Adam and his wife being created in a garden of paradise in which there are rivers of Pishon, Gihon, Tigris and Euphrates, in Southern Iraq. .

Now, here, the Jews, emphasize, because Adam and his wife were created with bodies, like all humans who live on this earth, then Adam and his wife live on this earth, namely in one place where the rivers pishon, gihon, tigris and euphrates flow, in Southern Iraq.

This is, the Jewish belief about Adam and his wife until now. Adam and his wife were created in one place where the Pishon, Gihon, Tigris and Euphrates rivers flow, in Southern Iraq.

Now another question arises,

Why were Adam and his wife not created in "*... paradise under which rivers flow, they will abide in it... (Al Fath: 48: 5)*?

The answer is hidden in the secret behind the aya "*life is nothing but our life in this world, we die and we live and will never be raised again (Al Mu'minuun: 23: 37)*

Well, because of the reason "*... we die... never will we be resurrected again (Al Mu'minuun: 23: 37)*, the Jews do not believe in "*... paradise under which rivers flow , they are eternal in it ... (Al Fath: 48: 5)* promised by Allah.

And indeed, in the first book of the Prophet Moses which is in the presence of the Jews until now it is stated that Adam and his wife lived in the garden of paradise where the Pishon, Gihon, Tigris and Euphrates rivers flowed. Or in other words, Adam and his wife were created and lived in a place that is now called Southern Iraq.

This is the result of the Jews not believing in the hereafter, paradise and hell, finally told that Adam and his wife were created and lived in a place where the rivers pishon, gihon, tigris and euphrates flow, in southern Iraq.
