ABSTRACT

Before the author writes the problem because the skys and the earth were created by Allah with rights and not by playing, then Allah himself exists with rights, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about because the skys and the earth were created by Allah with rights and not by playing, then Allah himself exists with rights, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tools about because the skys and the earth were created by Allah with rights and not by playing, then Allah Himself exists with rights, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things.

(Al Hadid: 57:3)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"And there is no power of the devil over them, but only that We may distinguish those who believe in the existence of the Hereafter from those who doubt about it. And your Lord is the Preserver of all things. (Saba': 34:21)

"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)

"Allah, there is no god but He Who Lives eternally and continually takes care of; neither sleeps nor sleeps. To Him belongs what is in the heavens and the earth. No one can intercede with Allah without His permission? Allah knows what is before them and behind them, and they know nothing of Allah's knowledge except what He wills. Allah's seat covers the heavens and the earth. And Allah does not find it difficult to maintain them, and Allah is Most High, Most Merciful. Great.(Al Baqarah: 2:255)

"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa': 21:16)

"Allah created the skys and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about the fact that the heavens and the earth were created by Allah with rights and not by playing, then Allah himself exists by right, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that the skys and the earth were created by Allah with rights and not by playing, Allah himself exists with rights, so they can be studied and calculated, based on Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

BECAUSE ALLAH CREATED THE EARTH AND THE SKY NOT BY PLAYING, BUT WITH RIGHTS, THEN ALLAH HIMSELF CAN BE LEARNED AND CALCULATED

Now, we are still focusing our minds on uncovering the secrets contained behind the verses: *"... We didn't create the skys and the earth... by playing(Al Anbiyaa ': 21: 16)" Allah created the skys and the earth with the right...(Al 'Ankabuut: 29: 44)"God...The Everlasting Life...(Al Baqarah: 2:255)"...does not see in the creation of the Most Gracious God anything that is not balanced. ..(Al Mulk : 67: 3)*

Apparently, here Allah has explained *"Allah created the skys and the earth with the right ... (Al 'Ankabuut: 29: 44)" ... not ... by playing(Al Anbiyaa ': 21: 16)*

That is, whatever is in the skys and on earth can be studied and calculated.

Now, because whatever is in the skys and on earth, humans can study and calculate it, then the existence of Allah himself, can be studied and calculated.

Now, because whatever is in the skys and the earth and in the seven skys follows the law *"... balanced... (Al Mulk: 67: 3)* then, there is no destruction.

Likewise with the existence of Allah who is right and *"... balanced... (Al Mulk: 67: 3)*

That is, without Allah's energy, without Allah's particles and without *"...Allah's spirit... (Shaad: 38: 72)*, then, it is impossible for Allah to exist.

Now, this is the real secret of Allah.

So, actually Allah exists if there is Allah's energy, Allah's particles and "...Allah's spirit...(Shaad: 38:72), this is what is called the law of "...balance...(Al Mulk: 67:3)

Most people do not know or do not understand about the law "... balanced... (Al Mulk: 67: 3) regarding this Allah.

Except after reading this article.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "... We didn't create the skys and the earth... by playing(Al Anbiyaa ': 21: 16)" Allah created the skys and the earth with the right...(Al 'Ankabuut: 29: 44)"God...The Everlasting Life...(Al Baqarah: 2:255)"...does not see in the creation of the Most Gracious God anything that is not balanced. ..(Al Mulk : 67: 3)

Apparently, here Allah has explained "Allah created the skys and the earth with the right ... (Al 'Ankabuut: 29: 44)" ... not ... by playing(Al Anbiyaa ': 21: 16)

That is, whatever is in the skys and on earth can be studied and calculated.

Now, because whatever is in the skys and on earth, humans can study and calculate it, then the existence of Allah himself, can be studied and calculated.

Now, because whatever is in the skys and the earth and in the seven skys follows the law "... balanced... (Al Mulk: 67: 3) then, there is no destruction.

Likewise with the existence of Allah who is right and "... balanced... (Al Mulk: 67: 3) That is, without Allah's energy, without Allah's particles and without "...Allah's spirit... (Shaad: 38: 72), then, it is impossible for Allah to exist.

Now, this is the real secret of Allah.

So, actually Allah exists if there is Allah's energy, Allah's particles and "...Allah's spirit...(Shaad: 38:72), this is what is called the law of "...balance...(Al Mulk: 67:3)

Most people do not know or do not understand about the law "... balanced... (Al Mulk: 67: 3) regarding this Allah.

Except after reading this article.
