**ABSTRACT**

Before I write down the problem, is it true that humans take the path of ma'rifat to meet Allah, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret, is it true that humans take the ma'rifat path to meet Allah, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool about whether humans really take the ma'rifat path to meet Allah, namely the following verses:

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed My spirit into it, then submit to it prostrating yourselves (Al Hijr: 15:29)*

*"... Isa, the son of Maryam, is the messenger of Allah and His words which He conveyed to Mary, and a spirit from Him... (An Nisaa ': 4: 171)*

*"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)*

*"Have you not seen that Allah has subjected to you what is in the heavens and what is in the earth and has perfected for you His blessings both outwardly and inwardly. And among mankind there are those who dispute about Allah without knowledge or guidance and without an enlightening Book. (Luqman: 31:20)*

*And indeed We have revealed to Moses: "Go you with My servants at night, then make for them a dry road in the sea, you do not have to worry about being overtaken and do not have to be afraid." (Thaaha: 20:77)*

*"And when We parted the sea for you, then We saved you and We drowned you and your followers while you were watching. (Al Baqarah: 2:50)*

*The people of Moses said: "We were oppressed before you came to us and after you came. Moses replied: "Hopefully Allah will destroy your enemies and make you vicegerents on earth, then Allah will see how you do (Al A'raaf: 7: 129)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"Then He perfected and breathed into it His spirit and He made for you hearing and sight and hearts; you are very grateful. (As Sajdah: 32: 9)*

In an effort to open the veil of Allah's secret about whether humans really take the ma'rifat path to meet Allah, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes a human hypothesis to meet Allah through Allah's spirit in the human body seen from the basic point of Deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **A DRY ROAD AT SEA IS NOT A ROAD TO MEET ALLAH**

Now, we continue to focus our minds on revealing the secret of Allah that is hidden behind the verse: *"...Indeed We have revealed to Moses: "Go with My servants at night, so make for them a dry road in the sea. ..(Thaahaa: 20:77)*

It turns out that what is meant by *"...the dry road in the sea... (Thaahaa: 20: 77)* is to show the people of Prophet Moses who said *"...: "We were oppressed before you came to us and after you came. ..(Al A'raaf : 7:129)*

So, *"... the dry road in the sea... (Thaahaa: 20: 77)* is the road to the liberation of the Jews from the oppression of Pharaoh *"Hopefully Allah will destroy your enemies and make you caliphs on earth...(Al A'raf : 7:129)*

## **TO MEET DIRECTLY WITH ALLAH TAKE THE WAY OF THE SPIRIT OF ALLAH, NOT BY TAKING MA'RIFAT**

Now, let's unveil the secret behind the verse: *"...I...blow my spirit into it...(Al Hijr: 15: 29)* and the verse: *"Allah holds the soul when it dies and the soul that has not died at the time of death. sleep ... (Az Zumar: 39: 42)* and the verse: *"... Allah has... perfected for you His blessings both physically and mentally... (Luqman: 31: 20)*

Well here, *"Allah holds the soul when it dies... (Az Zumar: 39: 42)* shows the soul to *"... My spirit... (Al Hijr: 15: 29)*

Now that, the soul according to Allah, is not the same as the soul according to man.

The soul or nafs according to human understanding is human behavior.

So the understanding of the soul which is equated with nafs is to show human behavior or behavior.

As for the mind, it is something invisible to the human eye. Because the human eye has limited vision. Where the human eye can only see light in the electromagnetic spectrum region between 430 and 740 nanometers.

If the light rays in the electromagnetic spectrum area are below 430 nanometers and the light in the electromagnetic spectrum area is above 740 nanometers, then the light rays are invisible to the human eye.

Or in other words, the ray of light is the mind.

As for the spirit of Allah "*...I breathed into him my spirit...(Shaad: 38:72)* is Deoxyribonucleic acid (DNA). Where according to Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

### **ALLAH'S SPIRIT IS NOT THE SAME WITH THE SOUL AND ALSO NOT THE SAME WITH THE INSIGHT**

Now, if someone says: "**I will purify my soul**" it means that that person will behave in a good manner that does not violate applicable laws and regulations.

Likewise, if there are people who say: "**I will build physically and mentally to obtain eternal happiness**". This means that here the person will build good behavior or behavior in order to get happiness in his life.

So here the soul and mind are not something that can be purified.

Why can't the soul and mind be purified?

The answer is

Because the soul and the mind are not "*...my spirit...(Shaad: 38:72)*

While the holy is "*... my spirit... (Shaad: 38: 72)*

So if there are people who want to purify the soul and mind, it is directed to behavior so that it becomes good.

### **ALLAH WITH THE SPIRIT OF ALLAH IS ALREADY IN OUR BODY**

Now we reveal the secret behind the verse: "*And verily We have created man and know what his heart whispers, and We are closer to him than his jugular vein.*" (Qaf: 50:16)

It turns out that now it has been revealed that, to get closer and meet Allah directly, there is no need to use the ma'rifat way, but directly through "*...my spirit...(Shaad: 38:72)* which is in our bodies.

Where "*...My spirit...(Shaad: 38:72)* or "*...His spirit...(As Sajdah: 32:9)* "*Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very grateful. (As Sajdah: 32: 9)*

Now it has been revealed that "*...my spirit...(Shaad: 38:72)* or "*...His spirit...(As Sajdah: 32:9)* the truth, which makes the human body perfect.

So, to meet Allah directly, you have to go through "*...My spirit...(Shaad: 38:72)* or "*...His spirit...(As Sajdah: 32:9)* not through the ma'rifat way, who used "*...the dry road in the sea...(Thaahaa: 20: 77)* which was passed by Prophet Musa and his people "*...have been oppressed...(Al A'raaf: 7:129)* by Fir' aun in Egypt.

## CONCLUSION

Based on the description above, we can conclude that the secret of Allah that is hidden behind the verse: *"...Indeed We have revealed to Moses: "Go with My servants at night, so make for them a dry road in the sea. ..(Thaahaa: 20:77)*

It turns out that what is meant by *"...the dry road in the sea... (Thaahaa: 20: 77)* is to show the people of Prophet Moses who said *"...: "We were oppressed before you came to us and after you came. ..(Al A'raaf: 7:129)*
