ABSTRACT

First of all, by asking forgiveness from Allah SWT here the author tries to reveal signs of Allah SWT's greatness regarding hell will be closed in 252 years, according to Allah's calculations, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).

In the Qur'an found several verses that are the key to unlocking the secret about hell will be closed in 252 years, according to Allah's calculations, namely the following verses:

"Angels and spirits ascend to God in a day whose measure is fifty thousand years. (Al Ma'aarij: 70:4)

"And they do not glorify Allah with proper exaltation when the whole earth is in His hands on the Day of Resurrection and the skys are rolled up with His right hand. Glory be to God and exalted is He from what they associate with. (Az Zumar: 39: 67)

"It is Allah who sent down the book with truth and balance. And do you know that the Day of Resurrection may be near? (Ash Shuura: 42:17)

"People ask you about the day of resurrection. Say: "Indeed, the knowledge of the day of resurrection is only with Allah."

"When the sun is rolled up, (At Takwiir: 81:1)

"And when the stars fall, (At Takwiir: 81: 2)

"The Day of Resurrection is near. (An Najm: 53: 57)

"Indeed, the Day of Resurrection is coming, I keep it a secret so that each person will be rewarded with what he has earned (Thaahaa: 20:15)

"So when I have perfected the event, and have breathed into it My spirit, then submit to it prostrating yourselves (Al Hijr: 15:29)

Allah said: "Enter all of you into hell with the jinn and humans who went before you. Every time a people enter, he curses his friend; so that when they all enter say those who enter later among them say to those who entered earlier: "Our Lord, they have led us astray, so bring upon them a double torment from hell." Allah said: "Each one gets a double, but you do not know." (Al A'raaf : 7:38)

"On the day the earth will be replaced with another earth and sky, and they will all gather before the presence of Allah, the One, the Most Mighty. (Ibrahim: 14:48)

"And verily We made for Hell most of the jinn and humans, they have hearts, but they do not use to understand and they have eyes they do not use to see, and they have ears they do not use to hear. They are like cattle, they are even more misguided. They are the ones who are negligent. (Al A'raaf: 7:179)

"And hasten to forgiveness from your Lord and to Paradise, whose breadth is as wide as the skys and the earth, which is prepared for those who are pious." (Ali 'Imran: 3:133)

"And to Allah belongs all that is hidden in the skys and the earth. There is no such thing as the Hour, but like the twinkling of an eye or sooner. Verily, Allah has power over all things. (An Nahl: 16: 77)

In an effort to open the veil about hell will be closed **252** years from now, according to Allah's reckoning, the author based on photons, quarks and deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that hell will be closed **252** years in the future, according to Allah's calculations, while according to human calculations it must be multiplied by the number 18262980, based on photons, quarks and Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

HELL WILL BE CLOSED IN THE COMING 252 YEARS, ACCORDING TO ALLAH'S CALCULATIONS

Now, we continue to try to focus our minds to reveal the secrets hidden in the verse: *"...maybe the Day of Resurrection is near (Asy Syuura: 42:17) "When the sun is rolled up (At Takwiir: 81: 1)"... when the stars fall (At Takwiir: 81: 2)"... a day whose content is fifty thousand years. (Al Ma'aarij: 70: 4)*

Here Allah declares *"...maybe the Day of Resurrection is near (Asy Shuura: 42:17)*

Well, the calculation *"... the near the Day of Resurrection (Asy Shuura: 42:17)* is a calculation

according to Allah's reckoning, not according to human reckoning.

Now, the question arises,

How does Allah actually calculate when "... *the Day of Resurrection (Asy Shuura: 42:17)* will occur?

The answer is

It is hidden in the secret behind the verse "... *a day whose levels are fifty thousand years. (Al Ma'aarij: 70: 4)*

Well, this is the secret key of Allah to calculate when "...*Day of Resurrection (Asy Shuura: 42:17)* will occur according to Allah and when "...*Day of Resurrection (Asy Shuura: 42:17)* will occur according to humans.

Now, we calculate, according to Allah "...*Day of Resurrection (Asy Shuura: 42:17)* will occur when "...*the sun is rolled up (At Takwiir: 81: 1)*

That is, the sun will run out of hydrogen atomic fuel, when the hydrogen atomic fuel runs out, the sun will die. The hydrogen atomic fuel will run out 4.6 billion years from now according to human calculations. If it is calculated according to Allah's calculations, the hydrogen atomic fuel will run out $4600000000 : 18262980 = 251.8$ years

Now it is proven, that according to Allah "...*Day of Resurrection (Asy Shuura: 42:17)*, when "...*the sun is rolled up (At Takwiir: 81: 1)* is 251.8 years, rounded up to 252 years, which will come. Meanwhile, according to human calculations 4600000000 years to come or 4, 6 billion years from now.

Now, another question arises,

What about hell which is full of "...*my spirit...(Al Hijr: 15: 29)* or "...*Allah's spirit...(Al Hijr: 15: 29)* that comes out of the body of a deceased human being ?

Well, the answer is in the secret behind the verse: "*On the day the earth will be replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

Well, because "...*the sun is rolled up (At Takwiir: 81: 1)* or because the sun is running out of hydrogen atomic fuel, or "...*the sun is (dead)...(At Takwiir: 81: 1)*, then the earth is also dead.

Now, since hell and paradise are on earth, why are hell and paradise on earth?

The answer is in the secret behind the verse: the area of Paradise is "...*as wide as the skys and the earth...(Ali 'Imran: 3: 133)*. Where actually, what is called the sky is the expanse of the room above which there is the earth. So, actually, the area of paradise and hell is "...*as wide as the earth...(Ali 'Imran: 3: 133)*. Or in other words, paradise and hell exist on earth.

So, when the earth dies, then hell will be closed, because it dies.

Now, another question arises,

How is it possible that hell is closed and hell dies, while inside it is full of "...*my spirit...(Al Hijr: 15: 29)* or "...*Allah's spirit...(Al Hijr: 15: 29)* that comes out of dead human body?

The answer is in the secret behind the verse: *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

So, when the earth that humans live on now dies, another earth will be found to be a new place for hell and paradise.

Where *"...the earth is replaced with another earth and the sky (another)...(Ibrahim: 14:48)* is in the Milky Way galaxy where the sun, the earth now exists.

In the Milky Way galaxy there are about **150** star clusters, each of which consists of **1000 000** stars. Every star is surrounded by planets, just like the sun, which the earth and other planets revolve around the sun.

While in the seven skies there are about **100 000 000 000** galaxies. If you count how many stars there are, you will find around **15 000 000 000 000 000 000 000** stars.

In fact, in the Milky Way galaxy there are already **150 000 000** stars, including the sun which the earth and other planets revolve around the sun. So, if the sun and earth are now dead, then hell and paradise will be transferred to another planet or earth that is still alive, which is still revolving around another star or sun that is still alive in the Milky Way galaxy.

CONCLUSION

Based on the description above, we can conclude that the secrets hidden in the verse: *"...maybe the Day of Resurrection is near (Asy Syuura: 42:17) "When the sun is rolled up (At Takwiir: 81: 1)"... when the stars fall (At Takwiir: 81: 2)"... a day whose content is fifty thousand years. (Al Ma'aarij: 70: 4)*

Here Allah declares *"...maybe the Day of Resurrection is near (Asy Shuura: 42:17)*

Well, the calculation *"... the near the Day of Resurrection (Asy Shuura: 42:17)* is a calculation according to Allah's reckoning, not according to human reckoning.

Now, the question arises,

How does Allah actually calculate when *"... the Day of Resurrection (Asy Shuura: 42:17)* will occur?

The answer is

It is hidden in the secret behind the verse *"... a day whose levels are fifty thousand years. (Al Ma'aarij: 70: 4)*

Well, this is the secret key of Allah to calculate when *"...Day of Resurrection (Asy Shuura: 42:17)* will occur according to Allah and when *"...Day of Resurrection (Asy Shuura: 42:17)* will occur according to humans.

Now, we calculate, according to Allah *"...Day of Resurrection (Asy Shuura: 42:17)* will occur when *"...the sun is rolled up (At Takwiir: 81: 1)*

That is, the sun will run out of hydrogen atomic fuel, when the hydrogen atomic fuel runs out, the sun will die. The hydrogen atomic fuel will run out 4.6 billion years from now according to human calculations. If it is calculated according to Allah's calculations, the hydrogen atomic fuel will run out **4600000000 : 18262980 = 251.8** years

Now it is proven, that according to Allah *"...Day of Resurrection (Asy Shuura: 42:17)*, when *"...the sun is rolled up (At Takwiir: 81: 1)* is **251.8** years, rounded up to **252** years, which will come. Meanwhile, according to human calculations **4600000000** years to come or **4, 6** billion years from now.

Now, another question arises,

What about hell which is full of *"...my spirit...(Al Hijr: 15: 29)* or *"...Allah's spirit...(Al Hijr: 15: 29)* that comes out of the body of a deceased human being ?

Well, the answer is in the secret behind the verse: *"On the day the earth will be replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

Well, because *"...the sun is rolled up (At Takwiir: 81: 1)* or because the sun is running out of hydrogen atomic fuel, or *"...the sun is (dead)...(At Takwiir: 81: 1)*, then the earth is also dead.

Now, since hell and paradise are on earth, why are hell and paradise on earth?

The answer is in the secret behind the verse: the area of Paradise is *"...as wide as the skys and the earth...(Ali 'Imran: 3: 133)*. Where actually, what is called the sky is the expanse of the room above which there is the earth. So, actually, the area of paradise and hell is *"...as wide as the earth...(Ali 'Imran: 3: 133)*. Or in other words, paradise and hell exist on earth.

So, when the earth dies, then hell will be closed, because it dies.

Now, another question arises,

How is it possible that hell is closed and hell dies, while inside it is full of *"...my spirit...(Al Hijr: 15: 29)* or *"...Allah's spirit...(Al Hijr: 15: 29)* that comes out of dead human body?

The answer is in the secret behind the verse: *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

So, when the earth that humans live on now dies, another earth will be found to be a new place for hell and paradise.

Where *"...the earth is replaced with another earth and the sky (another)...(Ibrahim: 14:48)* is in the Milky Way galaxy where the sun, the earth now exists.

In the Milky Way galaxy there are about **150** star clusters, each of which consists of **1000 000** stars. Every star is surrounded by planets, just like the sun, which the earth and other planets revolve around the sun.

While in the seven skys there are about **100 000 000 000** galaxies. If you count how many stars there are, you will find around **15 000 000 000 000 000 000 000** stars.

In fact, in the Milky Way galaxy there are already **150 000 000** stars, including the sun which the earth and other planets revolve around the sun. So, if the sun and earth are now dead, then hell and paradise will be transferred to another planet or earth that is still alive, which is still revolving around another star or sun that is still alive in the Milky Way galaxy.
