ABSTRACT

Previously, the author asked forgiveness from Allah SWT. Here I am trying to open the veil that covers Allah's secret about how Allah actually conveys revelation to angels and humans, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses in the Qur'an that write down the problem, how actually, Allah conveys revelation to angels and humans, namely the following verses:

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills... (Ash Shuura: 42: 51)

"... Gabriel has lowered it into your heart with the permission of Allah;... (Al Baqarah: 2: 97)

"And indeed We know that they say: "Indeed the Qur'an was taught to him by a human." Whereas the language of the people they accuse Muhammad of learning to him is the language of 'Ajam, while the Qur'an is in clear Arabic. (An Nahl: 16: 103)

"When your Lord reveals to the angels: "Indeed I am with you, then strengthen those who have believed." Later I will strike fear into the hearts of the disbelievers, then cut off their heads and cut off every tip of their finger. (Al Anfaal: 8:12)

"... the apostle is an angel... a man... (Al An'aam: 6: 9)

Allah said: "O Moses, indeed I have chosen you and other humans to carry My message and to speak directly with Me, therefore hold fast to what I have given you and be among those who are grateful." (Al A'raaf : 7:144)

"And among His signs is that you see the earth dry and arid, so when We send down water on it, it will move and thrive. Indeed, God Who gives life to it, surely can bring back the dead. Verily, He has power over all things. (Fusshilat: 41:39)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"... the apostle is an angel... a man... (Al An'aam: 6: 9)

and (angels) who convey revelation (Al Mursalaat: 77: 5)

Where in an attempt to unmask about, how Allah actually conveys revelation to angels and humans, I based on deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that God conveys revelation to angels and humans through symbols, then angels and humans translate the symbols, based on the basis of Deoxyribonucleic acid (DNA)

or deoxyribonucleic acid or the molecular structure of nucleic acids.

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

ALLAH REVEALS REVELATION TO ANGELS AND HUMANS WITH SYMBOLS

Now, we are still concentrating on uncovering the secrets that are stored in the verse: *"And it is impossible for a human being that Allah can speak with him except by means of revelation..." (Asy Shuura: 42: 51)*

It turns out, it is impossible for God to talk to humans, other than *"...by means of revelation..." (Asy Syuura: 42: 51)*

So, now the question arises,

How does Allah convey revelation to humans and angels?

The answer is

Saved in the verse: *"And among His signs is that you see the earth dry and arid, so when We send down water on it, it will surely move and thrive. Verily, Allah Who gives life to it, surely can bring the dead to life..." (Fushshilat :41:39)*

Apparently, Allah conveys revelations to angels and humans through symbols *"... the earth is dry and arid... drops water on it... it moves and is fertile..." (Fushshilat: 41: 39)*

ANGELS AND PEOPLE WHO TRANSLATE SYMBOLS

Now, the question arises,

Who translated the symbols conveyed by Allah?

The answer is,

Hidden in the secret behind the verse: *"...they said: 'Indeed the Qur'an was taught to him by a human.' Whereas the language of the person they accused Muhammad of learning to him was 'Ajam, while the Qur'an was in clear Arabic. Nahl: 16:103)*

Well, it turns out, what translates the symbol is *"... my spirit..." (Al Hijr: 15: 29)* which is in the body of an angel, who was sent to the Prophet Muhammad saw. Where *"... my spirit..." (Al Hijr: 15: 29)* has been able to translate the symbols conveyed by Allah into Arabic, then the results of this translation

are delivered by "... *my spirit...* (*Al Hijr: 15: 29*) to the minds of angels. Then, the result of the translation was conveyed by the angel into the mind of the Prophet Muhammad saw.

Why didn't Allah directly convey the revelation in Arabic?

The answer is

Hidden in the secret behind the verse: "... *I... have blown into it my spirit...* (*Al Hijr: 15: 29*)

It turns out that Allah, does not directly speak with angels and with humans, but through "... *my spirit...* (*Al Hijr: 15: 29*)

Through this "... *my spirit...* (*Al Hijr: 15: 29*) the symbols are conveyed, then "... *my spirit...* (*Al Hijr: 15: 29*) translates the symbols into a language that understood by angels and by humans, then the results of the translation, are conveyed into the minds of angels and human minds.

If Allah directly conveys revelations to angels and humans, in a language that is understood by angels and humans, then Allah is the same as angels and humans, as if Allah has brains like the brains of angels and human brains.

ALLAH SPEAKING TO THE PROPHET MUSA THROUGH MY SPIRIT USING SYMBOLS

Now, what happened to Prophet Musa when "*Allah said: "O Moses, verily I chose you...and to speak directly with Me...(Al A'raaf: 7:144)*

Actually, "... *my spirit...* (*Al Hijr : 15: 29*) which was in the body of Prophet Moses who received symbols from Allah, then "... *my spirit...* (*Al Hijr : 15: 29*) translated the symbols, then "... *my spirit...* (*Al Hijr: 15: 29*) conveyed the results of the translation into the mind of the Prophet Moses.

Why didn't Allah speak directly to Prophet Moses?

The answer is

Hidden in the secret behind the verse: "...*it is impossible for a human being that Allah can speak with him except by means of revelation or behind a veil...* (*Ash Shuura: 42: 51*)

That is, Allah conveyed symbols to Prophet Moses through "... *my spirit...* (*Al Hijr: 15: 29*) which was in the body of Prophet Moses, then "... *my spirit...* (*Al Hijr: 15 : 29*) translate the symbols, then the translation results are conveyed into the mind of the Prophet Moses.

Now, it has been revealed, the secret hidden behind the verse: "*when your Lord reveals to the angels: "Indeed I am with you, then strengthen those who have believed."*... (*Al Anfaal: 8:12*) "*and (angels) who convey revelation* (*Al Mursalaat: 77: 5*)

That is, Allah conveys revelation with symbols through "... *My spirit...* (*Al Hijr: 15: 29*) which is in the body of an angel, then "... *My spirit...* (*Al Hijr: 15: 29*)) translates these symbols, then the results of the translation are conveyed into the minds of angels.

Then, if the revelation was for the Prophet Muhammad saw, then the translation that was already in the mind of the angel was conveyed to the mind of the Prophet Muhammad saw. Whether the revelation was delivered directly to the Prophet Muhammad saw, or through the transmission of sound wave vibrations with a certain frequency from a distance, which could be understood by the

Prophet Muhammad saw.

CONCLUSION

Based on the description above, we can conclude that the secrets that are stored in the verse: *"And it is impossible for a human being that Allah can speak with him except by means of revelation... (Asy Shuura: 42: 51)*

It turns out, it is impossible for God to talk to humans, other than *"...by means of revelation... (Asy Syuura: 42: 51)*

So, now the question arises,

How does Allah convey revelation to humans and angels?

The answer is

Saved in the verse: *"And among His signs is that you see the earth dry and arid, so when We send down water on it, it will surely move and thrive. Verily, Allah Who gives life to it, surely can bring the dead to life... (Fushshilat :41:39)*

Apparently, Allah conveys revelations to angels and humans through symbols *"... the earth is dry and arid... drops water on it... it moves and is fertile... (Fushshilat: 41: 39)*

Now, the question arises,

Who translated the symbols conveyed by Allah?

The answer is,

Hidden in the secret behind the verse: *"...they said: "Indeed the Qur'an was taught to him by a human." Whereas the language of the person they accused Muhammad of learning to him was 'Ajam, while the Qur'an was in clear Arabic. Nahl: 16:103)*

Well, it turns out, what translates the symbol is *"... my spirit... (Al Hjr: 15: 29)* which is in the body of an angel, who was sent to the Prophet Muhammad saw. Where *"... my spirit... (Al Hjr: 15: 29)* has been able to translate the symbols conveyed by Allah into Arabic, then the results of this translation are delivered by *"... my spirit... (Al Hjr: 15: 29)* to the minds of angels. Then, the result of the translation was conveyed by the angel into the mind of the Prophet Muhammad saw.

Why didn't Allah directly convey the revelation in Arabic?

The answer is

Hidden in the secret behind the verse: *"... I... have blown into it my spirit... (Al Hjr: 15: 29)*

It turns out that Allah, does not directly speak with angels and with humans, but through *"... my spirit... (Al Hjr: 15: 29)*

Through this *"... my spirit... (Al Hjr: 15: 29)* the symbols are conveyed, then *"... my spirit... (Al Hjr: 15: 29)* translates the symbols into a language that understood by angels and by humans, then the results of the translation, are conveyed into the minds of angels and human minds.

If Allah directly conveys revelations to angels and humans, in a language that is understood by angels and humans, then Allah is the same as angels and humans, as if Allah has brains like the brains of angels and human brains.

Now, what happened to Prophet Musa when *"Allah said: 'O Moses, verily I chose you...and to speak directly with Me...(Al A'raaf: 7:144)*

Actually, *"... my spirit... (Al Hija : 15: 29)* which was in the body of Prophet Moses who received symbols from Allah, then *"... my spirit... (Al Hija : 15: 29)* translated the symbols, then *"... my spirit... (Al Hija: 15: 29)* conveyed the results of the translation into the mind of the Prophet Moses.

Why didn't Allah speak directly to Prophet Moses?

The answer is

Hidden in the secret behind the verse: *"...it is impossible for a human being that Allah can speak with him except by means of revelation or behind a veil... (Ash Shuura: 42: 51)*

That is, Allah conveyed symbols to Prophet Moses through *"... my spirit... (Al Hija: 15: 29)* which was in the body of Prophet Moses, then *"... my spirit... (Al Hija: 15 : 29)* translate the symbols, then the translation results are conveyed into the mind of the Prophet Moses.

Now, it has been revealed, the secret hidden behind the verse: *"when your Lord reveals to the angels: 'Indeed I am with you, then strengthen those who have believed.'... (Al Anfaal: 8:12)* *"and (angels) who convey revelation (Al Mursalaat: 77: 5)*

That is, Allah conveys revelation with symbols through *"... My spirit... (Al Hija: 15: 29)* which is in the body of an angel, then *"... My spirit... (Al Hija: 15: 29)*) translates these symbols, then the results of the translation are conveyed into the minds of angels.

Then, if the revelation was for the Prophet Muhammad saw, then the translation that was already in the mind of the angel was conveyed to the mind of the Prophet Muhammad saw. Whether the revelation was delivered directly to the Prophet Muhammad saw, or through the transmission of sound wave vibrations with a certain frequency from a distance, which could be understood by the Prophet Muhammad saw.
