ABSTRACT

Before I write down the problem of how Allah actually made angels guard in paradise and hell, even though angels are a kind of human, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of how Allah actually made angels guard in paradise and hell, even though angels are a kind of human, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about how Allah actually made angels guard in paradise and hell, even though angels are a kind of human, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"And it is not possible for any human being that Allah can speak to him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Indeed, He is Most High, Most Wise. (Ash Syuura: 42:51)

"When I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"... We made the apostle an angel... We made him a man... (Al An'aam: 6: 9)

"The angels and Gabriel ascended to God in a day the measure of which was fifty thousand years (Al Ma'aarij: 70:4)

"What if the angels took their lives while beating their faces and their backs? (Muhammad: 47:27)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar: 39:42)

"O you who believe, protect yourselves and your families from a hell fire whose fuel is people and stones; its guardians are angels who are harsh, harsh, and do not disobey Allah in what He commands them and always do what is commanded. (At Tahrir : 66: 6)

"And each one came, with him an angel of escort and an angel of witness. (Qaaf: 50: 21)

"And when We said to the angels: "Prostrate ye to Adam", then they prostrate except the devil. He disobeyed. (Thaahaa: 20: 116)

"Meanwhile, the hereafter is better and more eternal. (Al A'laa: 87:17)

"And those who disbelieve and deny Our signs, they are the inhabitants of Hell, they will abide in it forever. And that is the worst place to return. (At Taghaabun: 64:10)

"The day Allah gathers you on the day of gathering, that is the day your faults will be revealed. And whoever believes in Allah and does righteous deeds, Allah will cover his faults and admit them to Jannah under which rivers flow, they will abide therein forever. . That is the great fortune.(At Taghaabun : 64: 9)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight, and heart; you are very little grateful." (As Sajdah: 32: 9)

In an effort to open the veil of Allah's secret about how Allah actually made angels guard in paradise and hell, even though angels are a kind of human, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that Allah makes angels guard in paradise and hell, after the angel took the life of Allah and come out *"... my spirit... (Al Hijr: 15: 29)*, seen from the point of view of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

THE ANGELS THAT ARE GUARDANTS IN PARADISE AND HELL ARE IN THE FORM OF MY SPIRIT

Now, we are still focusing our minds on uncovering the secrets contained behind the verse: *"...everyone comes, along with him a guiding angel and a witness angel. (Qaaf: 50: 21)*

It turns out that here Allah has declared that *"... my spirit... (Al Hijr: 15: 29)* which comes out of the body of the deceased, accompanied by *"... the angel of the escort and ... the angel of the witness. (Qaf: 50:21)*

Now the question is

In what form are the angels who become *"... the escort and ...the witness (Qaf: 50: 21) ?*

The answer is

It is hidden in a secret hidden behind the verse: *"... jannah under which rivers flow, they will abide in it... (At Taghaabun: 64: 9) "...they are the inhabitants of hell, they will abide in it forever. in it...(At Taghaabun : 64:10) "...the hereafter is...more eternal. (Al A'laa: 87:17)*

Well, it turns out that what is eternal is *"... my spirit... (Al Hijr: 15: 29)* not in the form of a body.

All of Allah's creatures including the angels in the hereafter are in the form of *"... my spirit... (Al Hijr: 15: 29)*

Now, because angels are a kind of human *"...angel...he is a man...(Al An'aam : 6: 9)*, then *"... my spirit...(Al Hijr : 15: 29)* that comes out of the body of an angel who is in the afterlife.

So *"...the angel of the herd and ...the angel of the witness. (Qaaf: 50: 21)* is *"... my spirit... (Al Hijr: 15: 29)* that comes out of the body of an angel.

Or in other words *"... my spirit... (Al Hijr: 15: 29)* which comes out of the angel's body after the angel took the life of Allah.

Now the secret hidden behind the verse has been revealed *"...everyone comes, along with him an angel of escort and an angel of witness. (Qaaf: 50: 21)* is an angel who has come out *"... my spirit... (Al Hijr: 15: 29)* from his body after the angel took the life of Allah..

So, everything that lives in the afterlife *"...is...eternal. (Al A'laa: 87:17)* and what is eternal is *"...my spirit...(Al Hijr: 15: 29)*

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verse: *"...everyone comes, along with him a guiding angel and a witness angel. (Qaaf: 50: 21)*

It turns out that here Allah has declared that *"... my spirit... (Al Hijr: 15: 29)* which comes out of the body of the deceased, accompanied by *"... the angel of the escort and ... the angel of the witness. (Qaf: 50:21)*

Now the question is

In what form are the angels who become *"... the escort and ...the witness (Qaf: 50: 21)* ?

The answer is

It is hidden in a secret hidden behind the verse: *"... jannah under which rivers flow, they will abide in it... (At Taghaabun: 64: 9) "...they are the inhabitants of hell, they will abide in it forever. in it...(At Taghaabun : 64:10) "...the hereafter is...more eternal. (Al A'laa: 87:17)*

Well, it turns out that what is eternal is *"... my spirit... (Al Hijr: 15: 29)* not in the form of a body.

All of Allah's creatures including the angels in the hereafter are in the form of *"... my spirit... (Al Hijr: 15: 29)*

Now, because angels are a kind of human *"...angel...he is a man...(Al An'aam : 6: 9)*, then *"... my spirit...(Al Hijr : 15: 29)* that comes out of the body of an angel who is in the afterlife.

So *"...the angel of the herd and ...the angel of the witness. (Qaaf: 50: 21)* is *"... my spirit... (Al Hijr: 15:*

29) that comes out of the body of an angel.

Or in other words "*... my spirit... (Al Hijr: 15: 29)*" which comes out of the angel's body after the angel took the life of Allah.

Now the secret hidden behind the verse has been revealed "*...everyone comes, along with him an angel of escort and an angel of witness. (Qaaf: 50: 21)*" is an angel who has come out "*... my spirit... (Al Hijr: 15: 29)*" from his body after the angel took the life of Allah..

So, everything that lives in the afterlife "*...is...eternal. (Al A'laa: 87:17)*" and what is eternal is "*...my spirit...(Al Hijr: 15: 29)*"
