ABSTRACT

Before I write down the problem of how humans know that angels, jinn, satans and devils die, whether only humans die, because the human body's endurance is limited, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of how humans know angels, jinn, satans and devils die, whether only humans die, because the human immune system is limited, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about how humans know angels, jinn, satans and devils are dead, whether only humans die, because the human body's endurance is limited, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"And when We said to the angels: "Prostrate yourselves to Adam, then prostrate them except Satan. He is from the group of jinn, so he disobeys the command of his Lord. Should you take him and his descendants as leaders other than Me, while they are your enemies? It is very bad that the devil is a substitute for the wrongdoers. (Al Kahf: 18: 50)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"They replied: "Glory be to You, we know nothing but what You have taught us; Verily, You are All-Knowing, All-Wise (Al Baqarah: 2:32)

Allah said: "What prevented you from prostrating when I commanded you?" The devil replied "I am better than him: You created me from fire while You created him from clay." (Al A'raaf: 7:12)

"Then both of them were derailed by the devil from heaven and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a place to live on earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)

Allah said: "O Adam, tell them the names of these things." So after he told them the names of these objects, Allah said: "Have I not told you that I know the secrets of the heavens and the earth and know what they are. what you give birth to and what do you hide?" (Al Baqarah: 2:33)

"And We have subdued a group of devils who dive for him and do work other than that, and We are taking care of them, (Al Anbiyaa ': 21:82)

"And there is no power of the devil over them, but only that We may distinguish those who believe in the existence of the Hereafter from those who doubt about it. And your Lord is the Preserver of all things. (Saba': 34:21)

"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)

"Say: "The angel of death entrusted to you will kill you, then only to your Lord you will be returned." (As Sajdah: 32:11)

"And We are winds for Solomon, whose journey in the morning is the same as a month's journey and his journey in the evening is the same as a month's journey and We send copper liquid for him. And some of the jinn work before him with the permission of his Lord. between them from Our command, We tasted for him the torment of a fiery fire (Saba': 34:12)

"The jinn made for Solomon what he wanted from tall buildings and statues and dishes like ponds and pots that were fixed. Work O family of David to give thanks. And very few of My servants are grateful. (Saba': 34:13)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about how humans know angels, jinn, satans and devils die, whether only humans die, because the human body's endurance is limited, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that angels, jinn, satans and devils will die, because they are a kind of human, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

IF ANGELS, JINN, SATAN AND DEVIL WERE A TYPE OF HUMANS, MEANING THAT THEIR BODY WAS BUILT BY HYDROGEN ATOMS, CARBON ATOMS, NITROGEN ATOMS AND OXYGEN ATOMS, THEY WILL DIE

Now, we are still concentrating on uncovering the secrets contained behind the verses: "... *We have created man from an essence from the ground (Al Mu'minuun: 23: 12)*"... *We say to the angels : "Prostrate to Adam, then bow down to them...(Al Kahf: 18: 50)"*...*The devil...is from the jinn group...(Al Kahf: 18: 50)*"...*Answers the devil ... You created me from fire while You created him from clay" (Al A'raaf: 7:12)*"...*both of them were derailed by the devil from heaven...We said: "Come down!...for you there is a dwelling place on earth...(Al Baqarah: 2:36)*

Apparently, here Allah has declared, that angels, jinn, satans and devils are one type of human. "...*an angel...he is a man...(Al An'aam : 6: 9)*"... *from generation to generation. (Az Zukhruf: 43: 60)*

Jin, satan, devil are one group. In their bodies there are oxygen atoms, hydrogen atoms, carbon atoms, just as hydrogen atoms, oxygen atoms, nitrogen atoms and carbon atoms exist in the human body.

WHY HUMANS DON'T FIND ANGELS, JINN, SATAN AND DEVIL IN DAILY LIFE

Now the question arises,

Why do humans in everyday life not meet angels, jinn, devils and devils if they are a kind of human?

The answer is

Hidden in the secret behind the verses: "...*We say: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth, and the pleasure of living to an appointed time." (Al Baqarah: 2:36)*"...*The angel of death who was entrusted with (task) to...dead you..." (As Sajdah: 32:11)*"...*some of the jinn...work in front of (Solomon)...(Saba': 34:12)*"...*jinn...make for Solomon what he wanted from tall buildings...(Saba': 34:13)*

Well, it turns out that here Allah has declared, that between humans and the satan, the devil is "...*the enemy... (Al Baqarah: 2: 36)*. So, it is difficult for humans to meet satan and devil, because each other is an enemy.

Then between angels and humans, they cannot be friends, because Allah has given trust and handed over to "...*the angel of death who was entrusted with (the task) to... take your life..." (As Sajdah: 32:11)*

Also between humans and jinn, it is difficult to meet, because the jinn with their life, work and family, at the time of Prophet Solomon, "...*some of the jinn...work in front of (Sulaiman)...(Saba': 34: 12)*"...*jinn...make for Solomon what he wanted from tall buildings and statues...(Saba': 34:13)*

IF THE BODY OF ANGELS, JINN, SATAN AND DEVIL LIKE THE HUMAN BODY, THAT CONTAINS HYDROGEN ATOM, CARBON ATOM, NITROGEN ATOM AND OXYGEN ATOM, THEN ANGELS, JIN, SATAN AND DEVIL WILL DIE

If the bodies of angels, jinn, satans and devils contain hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, their endurance will be limited, just as the endurance of the human body is limited.

So, because the bodies of angels, jinn, satans and devils contain hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, just like human bodies, their endurance will be limited, eventually they will die.

ALLAH WHO WILL TAKE THE LIFE OF ANGELS, JIN, SATAN AND DEVIL

Now, Allah has declared: "...*We say: "Get down ye! some of you are enemies to others, and for you there is a dwelling in the earth, and the pleasures of living to an appointed time."* (Al Baqarah: 2:36)

Apparently, here Allah has explained to humans, that angels, humans, jinn, satans and devils are ordered to come down to earth "...*until the appointed time."* (Al Baqarah: 2: 36)

This means that here, angels, humans, jinn, satans and devils will arrive at "... *the appointed time."* (Al Baqarah: 2: 36)

Or in other words, angels, humans, jinn, satans and devils will come to the time of death. Allah will take the lives of angels, humans, jinn, satans and devils.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "... *We have created man from an essence from the ground (Al Mu'minuun: 23: 12)"... We say to the angels : "Prostrate to Adam, then bow down to them...(Al Kahf: 18: 50)"...The devil...is from the jinn group...(Al Kahf: 18: 50)"...Answers the devil ... You created me from fire while You created him from clay" (Al A'raaf: 7:12)"...both of them were derailed by the devil from heaven...We said: "Come down!...for you there is a dwelling place on earth...(Al Baqarah: 2:36)*

Apparently, here Allah has declared, that angels, jinn, satans and devils are one type of human. "...*an angel...he is a man...(Al An'aam : 6: 9)"... from generation to generation. (Az Zukhruf: 43: 60)*

Jin, satan, devil are one group. In their bodies there are oxygen atoms, hydrogen atoms, carbon atoms, just as hydrogen atoms, oxygen atoms, nitrogen atoms and carbon atoms exist in the human body.

Now the question arises,

Why do humans in everyday life not meet angels, jinn, devils and devils if they are a kind of human?

The answer is

Hidden in the secret behind the verses: "...*We say: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth, and the pleasure of living to an appointed time."* (Al Baqarah: 2:36)"...*The angel of death who was entrusted with (task) to...dead you..." (As Sajdah: 32:11)"...some of the jinn...work in front of (Solomon)...(Saba': 34:12)"...jinn...make for Solomon what he wanted from tall buildings...(Saba': 34:13)*

Well, it turns out that here Allah has declared, that between humans and the satan, the devil is "... *the enemy...* (Al Baqarah: 2: 36). So, it is difficult for humans to meet satan and devil, because each other is an enemy.

Then between angels and humans, they cannot be friends, because Allah has given trust and handed over to "...*the angel of death who was entrusted with (the task) to... take your life..." (As Sajdah: 32:11)*

Also between humans and jinn, it is difficult to meet, because the jinn with their life, work and family, at the time of Prophet Solomon, *"...some of the jinn...work in front of (Sulaiman)...(Saba': 34: 12)"*...*jinn...make for Solomon what he wanted from tall buildings and statues...(Saba': 34:13)*

If the bodies of angels, jinn, satans and devils contain hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, their endurance will be limited, just as the endurance of the human body is limited.

So, because the bodies of angels, jinn, satans and devils contain hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, just like human bodies, their endurance will be limited, eventually they will die.

Now, Allah has declared: *"...We say: "Get down ye! some of you are enemies to others, and for you there is a dwelling in the earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)*

Apparently, here Allah has explained to humans, that angels, humans, jinn, satans and devils are ordered to come down to earth *"...until the appointed time." (Al Baqarah: 2: 36)*

This means that here, angels, humans, jinn, satans and devils will arrive at *"... the appointed time." (Al Baqarah: 2: 36)*

Or in other words, angels, humans, jinn, satans and devils will come to the time of death. Allah will take the lives of angels, humans, jinn, satans and devils.
