**ABSTRACT**

Before I write down the problem of how humans should imagine Allah in the form of Allah's energy, seeing and hearing with light frequency waves, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of how humans should imagine Allah in the form of Allah's energy, seeing and hearing with light frequency waves, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about how humans should imagine Allah in the form of Allah's energy, seeing and hearing with light frequency waves, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

*"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)*

*"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)*

*"He is Allah, Who created all that is on earth for you and He willed the heavens, then He made the seven skys. And He is All-Knowing of all things. (Al Baqarah: 2:29)*

*"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"That is because Allah has made the night into the day and the day into the night and that Allah is All-Hearing, All-Seeing. (Al Hajj: 22:612)*

*"And the apostles We told you about them before, and the apostles We did not tell you about them. And Allah spoke to Moses directly (An Nisaa ': 4: 164)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Indeed We see your face looking up to the sky, then We will turn you to the Qibla that you like. Turn your face towards the Grand Mosque. And wherever you are, turn your face towards it. And indeed those who were given the Book do know , that turning to the Grand Mosque is true from their Lord, and Allah is never unaware of what they are doing (Al Baqarah: 2:144)*

*"And when Moses came for an appointed time and the Lord had spoken to him, Moses said: "O my Lord, show me so that I can see You." The Lord said: "You will never be able to see Me, but look at the hill, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses came back to his senses, he said: "Glory be to him. You, I repent to You and I am the first to believe (Al A'raaf: 7:143)*

*Allah said: "Do not worry both of you, verily I am with you both, I hear and see." (Thaahaa: 20:46)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

In an effort to open the veil of Allah's secret about how humans should imagine Allah in the form of Allah's energy, seeing and hearing with light frequency waves, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I propose a hypothesis that humans imagine Allah in the form of Allah's energy, seeing and hearing with light frequency waves the same as when humans are in front of a camera and microphone, seen from the point of view of Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks

of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **HOW HUMANS IMAGINE ALLAH THAT IS ALLAH'S ENERGY**

Now, we are still focused on uncovering the secret behind the verse: *"...When his Lord appeared to the mountain, he made the mountain crumble... (An Nisaa ' : 4: 164)*

Here, humans must be able to imagine how Allah's form actually has the power of Allah's energy 18 262 980 times the power of energy created by humans.

Imagine how *"...the mountain was crushed... (An Nisaa' : 4: 164)* when Allah *"...appeared to the mountain...(An Nisaa' : 4: 164)* with the power of 18 262 980 times the power of energy created by humans.

Do not imagine Allah's form as living creatures created by Allah or inanimate objects or objects made by humans, such as weapons, but imagine Allah with something that makes *"...the mountain is crushed... (An Nisaa': 4: 164 )*

## **HOW HUMANS IMAGINE ALLAH WHEN ALLAH SEE**

Now, let's unveil the secret that is hidden behind the verse: *"... We see your face looking up to the sky, then indeed We will turn you to the Qibla that you like... (Al Baqarah: 2: 144)*

Well, how can Allah look at the Prophet Muhammad saw when he is *"...looking up to the sky...(Al Baqarah: 2: 144)?*

The answer is

Hidden in the secret behind the verse: *"Allah... the light of the skys and the earth... The light upon the light... (An Nuur: 24: 35)*

Well, Allah sees not like His creatures by using the eyes, but Allah uses *"...Light above light... (An Nuur: 24: 35)* Where each layer of light has a certain frequency wave of the electromagnetic spectrum with the speed of light 109 502 073 292.0968 km per second, compared to the speed of light according to human calculations of 299 792, 458 km per second.

So, wherever humans are, in a bright place, in a dark place, at the bottom of the sea, in the air, in a fort, in a house, anywhere, Allah with *"...Light above the light...(An Nuur: 24: 35)* can see humans.

So, humans have to imagine Allah when Allah sees humans as something that with the power of seeing frequency waves that have the speed of light 109 502 073 292.0968 km per second. Where humans cannot hide, everything is visible to the human body, cannot be hidden.

## **HOW HUMANS IMAGINE WHEN ALLAH WAS LISTENING TO HUMANS AND ALL THINGS**

Now, let's unveil the secret behind the verse: *"Allah says: "Do not worry both of you, verily I am with you both, I hear and see." (Thaahaa: 20: 46)*

Well, here Allah gives a picture to humans, wherever humans are, whatever humans do, Allah can listen.

How can Allah hear what people are talking about?

The answer is

Hidden in the secret behind the verse: *"Allah... Light upon light... (An Nuur: 24: 35)*

Now, Allah uses every layer of light that has a certain frequency wave in the electromagnetic spectrum with the speed of light 109 502 073 292.0968 km per second to listen to any sound on this earth.

Whatever sound is on this earth, Allah can hear it, through every layer of light which has a certain frequency wave in the electromagnetic spectrum with the speed of light 109 502 073 292.0968 km per second.

So, when humans imagine Allah is listening, imagine with something that has the power to record the sound of any sound on this earth.

## **CONCLUSION**

From what has been explained above, it can now be concluded that the secret behind the verse: *"...When his Lord appeared to the mountain, he made the mountain crumble... (An Nisaa' : 4: 164)*

Here, humans must be able to imagine how Allah's form actually has the power of Allah's energy 18 262 980 times the power of energy created by humans.

Imagine how *"...the mountain was crushed... (An Nisaa' : 4: 164)* when Allah *"...appeared to the mountain...(An Nisaa' : 4: 164)* with the power of 18 262 980 times the power of energy created by humans.

Do not imagine Allah's form as living creatures created by Allah or inanimate objects or objects made by humans, such as weapons, but imagine Allah with something that makes *"...the mountain is crushed... (An Nisaa': 4: 164)*

Now, let's unveil the secret that is hidden behind the verse: *"... We see your face looking up to the sky, then indeed We will turn you to the Qibla that you like... (Al Baqarah: 2: 144)*

Well, how can Allah look at the Prophet Muhammad saw when he is *"...looking up to the sky...(Al*

***Baqarah: 2: 144)?***

The answer is

Hidden in the secret behind the verse: "***Allah... the light of the skys and the earth... The light upon the light... (An Nuur: 24: 35)***

Well, Allah sees not like His creatures by using the eyes, but Allah uses "***...Light above light... (An Nuur: 24: 35)*** Where each layer of light has a certain frequency wave of the electromagnetic spectrum with the speed of light 109 502 073 292.0968 km per second, compared to the speed of light according to human calculations of 299 792, 458 km per second.

So, wherever humans are, in a bright place, in a dark place, at the bottom of the sea, in the air, in a fort, in a house, anywhere, Allah with "***...Light above the light...(An Nuur: 24: 35)*** can see humans.

So, humans have to imagine Allah when Allah sees humans as something that with the power of seeing frequency waves that have the speed of light 109 502 073 292.0968 km per second. Where humans cannot hide, everything is visible to the human body, cannot be hidden.

Now, let's unveil the secret behind the verse: "***Allah says: "Do not worry both of you, verily I am with you both, I hear and see." (Thaahaa: 20: 46)***

Well, here Allah gives a picture to humans, wherever humans are, whatever humans do, Allah can listen.

How can Allah hear what people are talking about?

The answer is

Hidden in the secret behind the verse: "***Allah... Light upon light... (An Nuur: 24: 35)***

Now, Allah uses every layer of light that has a certain frequency wave in the electromagnetic spectrum with the speed of light 109 502 073 292.0968 km per second to listen to any sound on this earth.

Whatever sound is on this earth, Allah can hear it, through every layer of light which has a certain frequency wave in the electromagnetic spectrum with the speed of light 109 502 073 292.0968 km per second.

So, when humans imagine Allah is listening, imagine with something that has the power to record the sound of any sound on this earth.
