ABSTRACT

Before the author writes down the problem of how the Jewish conception of Jahve or God actually is, is it the same as Allah, what is the difference between Jahve and Allah, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of how the Jewish conception of Jahve or God is, is it the same as Allah, what is the difference between Jahve and Allah, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secrets about how the Jewish conception of Jahve or God is, is it the same as Allah, what is the difference between Jahve and Allah, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Then when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves." (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"Allah did not create and resurrect you except as one soul. Indeed, Allah is All-Hearing, All-Seeing. (Luqman: 31:28)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70: 4)

"Allah, there is no god but He Who Lives eternally and continuously takes care of; neither sleeps nor sleeps. To Him belongs what is in the heavens and the earth. No one can intercede with Allah without His permission? Allah knows what is in front of them and behind them, and they know nothing of Allah's knowledge except what He wills. Allah's seat covers the heavens and the earth. And Allah does not find it difficult to maintain them, and Allah is Most High, Most Merciful. Great.(Al Baqarah: 2:255)

And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily, Allah is All-Wise and All-Knowing. (Al Baqarah: 2: 115)

"O Children of Israel, remember My favors which I have bestowed upon you and that I have preferred you over all the people (Al Baqarah: 2:47)

"And when you say: "O Moses, we cannot be patient with just one kind of food. Therefore ask your Lord for us to bring forth for us from what the earth grows, namely its vegetables, cucumbers, garlic, fennel beans, and onions." Moses said: "Would you take the lower ones instead of the higher ones? good? Go to a city, you will certainly get what you ask for." Then insults and humiliation were inflicted on them, and they received the wrath of Allah. This is because they always deny Allah's verses and kill the prophets who are not justified. Thus that's because they always do disobedience and transgress limits.(Al Baqarah: 2:61)

"And verily We have given the Book (Torah) to Moses, that they may be guided. (Al Mu'minuun: 23: 49)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

In an effort to open the veil of Allah's secret about how the Jewish conception of Jahve or God actually is, is it the same as Allah, what is the difference between Jahve and Allah, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes a hypothesis on how the Jewish conception of Jahve or God is, is it the same as Allah, what is the difference between Jahve and Allah, based on Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHAT IS JAHVE'S CONCEPTION OR GOD ACCORDING TO THE JEWS, IS THE SAME AS ALLAH

Now, we are still focusing our minds on uncovering the secrets that are hidden behind the verse: *"Allah, there is no God but He Who Lives eternally...(Al Baqarah: 2:255) "...wherever you turn, there is the face of Allah. ..(Al Baqarah: 2:115) "... We are closer to him than his jugular vein." (Qaf: 50:16)*

Apparently, Allah has declared *"Allah, there is no god but He Who Lives eternally... (Al Baqarah: 2:255)*

Well, what do the Jews think about God or what is called Jahve?

Apparently, God or Jahve should not be spoken, but when read is replaced with the words Adonaj, which means God. Why do Jews read Jahve with the words Adonaj? Because according to the Jews, Jahve is sacred, so it cannot be said.

Now, in the teachings of the Jews there is no system that explains the teachings of the Jews themselves, there is how to implement these teachings of the Jews. So, in the teachings of the Jews, it does not teach how to believe in Jahve, but rather emphasizes how to believe in Jahve is carried out in actions. Or in other words, believing in Jahve is the same as performing in deeds.

So, actually, the conception of Jahve is a conception that does not need to be studied in depth, the main thing is how it is applied in action.

Well, here it is different from the conception of Allah. Humans must understand the real Allah, then understand Islam in depth. Without humans learning and without understanding the real Allah, humans know Islam only on the surface, or only in the mouth or just following along.

Now, what is emphasized a lot in this Jewish teaching is that the Israelites are the people chosen by Jahve.

Now, the teachings of the Jews, emphasize more on the Jews as Jahve's choice. Starting from the ancestors of Abraham, Isaac, Jacob and Moses. Roughly started since 3500 years ago.

So, actually, before Abraham was born, the Jews did not call themselves Jahve's chosen people.

Although in fact, the number of Jews worldwide there are about 15 million people, 6 million people live in the USA, 6 million people live in Israel, and the rest are spread all over the world.

Now, because the Jews, think of them as Jahve's chosen people, then the Jewish teachings about Jahve or about God do not need to be studied in depth, enough with shown in action. Or in other words, "I believe in Jahve", but when saying the word Jahve is replaced with the word Adonaj.

Well, as a result of the Jews or what is called the Israelites as Jahve's chosen people, then the Jews considered their actions to be actions that were commanded by Jahve.

Finally, the Jews, do not care, whether their deeds are accepted or not by other people, who are not Jews.

Well, this is where the error in the thinking of the Jews about the teachings of the Jews who regard them as Jahve's choice.

As for themselves, they did not understand who the real Jahve was.

Because, if the Jews understood the real Jahve, then it would be impossible for Jahve to only choose a handful of people on this earth.

Now, Allah has indeed declared "*...I have favored you over all the people (Al Baqarah: 2:47)*

But what happened to these Israelites "*...was poured out on them with contempt and disgrace, and they found the wrath of God. That's because they always deny Allah's verses and... they always do disobedience and transgress limits. (Al Baqarah: 2:61)*

Well, this is what really happened with the Israelis "*...they always do disobedience and transgress limits (Al Baqarah: 2:61)*

So, actually, if the Jews consider them as Jahve's choice, it is not true, because the reality is "*...they always deny Allah's verses and...they always do disobedience and transgress limits (Al Baqarah: 2:61)*

Well, "*...Allah's verses...(Al Baqarah: 2: 61)* which are in the "*...Al Kitab (Torah) (given to) Moses...(Al Mu'minuun: 23 : 49)* which is always denied.

This is the result of the Jews not understanding the real Jahve. Jahve is only mentioned in the mouth with Adonaj's words.

CONCLUSION

Based on the description above, we can conclude that the secrets that are hidden behind the verse: "*Allah, there is no God but He Who Lives eternally...(Al Baqarah: 2:255) "...wherever you turn, there is the face of Allah. ..(Al Baqarah: 2:115) "...
