**ABSTRACT**

Before I write down the problem of how this can happen, Allah's thoughts are in the minds of humans, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of how it can happen, Allah's thinking is in the human mind, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about how this can happen, Allah's thoughts are in human minds, namely the following verses:

*"Allah... the light of the skysand the earth... the light upon the light... (An Nuur: 24: 35)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a male and, of course, We would have doubted about them what they doubted about themselves." (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skies in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)*

*"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)*

*"The Messenger has believed in the Qur'an which was revealed to him from his Lord, as well as those who believe. All of them believe in Allah, His angels, His books and His messengers: "We do not discriminate between any of His messengers", and they said: "We hear and we obey.: "Forgive us, O our Lord, and to You is our return." (Al Baqarah: 2:285)*

*"Among the people there are those who argue about Allah without knowledge and follow every evil devil, (Al Hajj: 22:3)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

In an effort to open the veil of Allah's secret about how this can happen, Allah's thinking is in the human mind, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I propose the hypothesis that Allah's thoughts exist in human minds, because there has been *"...my spirit...(Shaad: 38:72)* in the human mind, based on Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

## **HOW IT HAPPENED, ALLAH'S THINKING IS IN HUMAN'S THINKING**

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"...I breathed into him the spirit...(Shaad: 38:72)"...seven skys layers...balanced.. .(Al Mulk : 67: 3)*

It turns out, from the first time Allah created humans, in this case Adam, it turns out that Allah has implanted what is in Allah's form, namely the building of atoms that form the basis of the building of the seven skys and all of their contents.

Now, these atoms, which are called hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, are the building blocks of Allah's *"...spirit...(Shaad: 38:72)*

Allah's *"...spirit...(Shaad: 38:72)* who made the building of 65 000 000 000 nerve cells in the human brain.

Or in other words, Allah's thoughts are in people's minds.

## **ALLAH'S THOUGHTS REFLECTED BY HUMAN THOUGHTS**

Now, with the thought of Allah in the human mind, then the human thought is *"... balanced... (Al Mulk: 67: 3)* with the thought of Allah.

Only, human thought is *"...balanced...(Al Mulk: 67:3)* with Allah's thought, if human thought has been *"...balanced...(Al Mulk: 67:3)* between thoughts that lead to goodness" *..believe in...His angels...(Al Baqarah: 2:285)* and thoughts that lead to evil *"...the evil devil (Al Hajj: 22:3)*

Before human thought *"... balance ... (Al Mulk: 67: 3)* between thoughts that lead to goodness *"... angels ... (Al Baqarah: 2: 285)* and thoughts that lead to evil *"... shaitan ... (Al Hajj: 22: 3)*, then the human mind is not *"... balanced ... (Al Mulk: 67: 3)* with the thoughts of Allah.

## **THE BALANCE OF HUMAN THOUGHTS WITH ALLAH'S THOUGHTS DEPENDS ON THE BALANCE OF ANGELS AND SATAN'S THINKING**

Well, because the balance of human thought and Allah's thought is determined by the balance of human thought that leads to goodness *"...angels...(Al Baqarah: 2:285)* and thoughts that lead to evil *"...shaitan...( Al Hajj: 22: 3)*, then not all human thoughts are balanced with Allah's thoughts.

But, basically, Allah's thoughts and human thoughts are *"... balanced ... (Al Mulk: 67: 3)*

Where in the human mind there is the thought of Allah.

Therefore, Allah's thoughts can be in the form of revelations that are directly in the minds of humans, without having to go through the thoughts of angels.

So it's been revealed, the secret contained in the verse: *"... I breathed into him the spirit... (Shaad: 38: 72) of Allah.*

That is, Allah's thoughts are in the human mind, through the 65 0000 000 000 neural network of the human brain. Or in other words, Allah's thoughts are in the human brain which is built by *"...spirit... (Shaad: 38:72) of Allah*, which contains hydrogen atoms, atoms, carbon atoms, nitrogen atoms and oxygen atoms.

## CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"...I breathed into him the spirit...(Shaad: 38:72)"...seven skys layers...balanced.. (Al Mulk : 67: 3)*

It turns out, from the first time Allah created humans, in this case Adam, it turns out that Allah has implanted what is in Allah's form, namely the building of atoms that form the basis of the building of the seven skys and all of their contents.

Now, these atoms, which are called hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, are the building blocks of Allah's *"...spirit...(Shaad: 38:72)*

Allah's *"...spirit...(Shaad: 38:72)* who made the building of 65 000 000 000 nerve cells in the human brain.

Or in other words, Allah's thoughts are in people's minds.

Now, with the thought of Allah in the human mind, then the human thought is *"... balanced... (Al Mulk: 67: 3)* with the thought of Allah.

Only, human thought is *"...balanced...(Al Mulk: 67:3)* with Allah's thought, if human thought has been *"...balanced...(Al Mulk: 67:3)* between thoughts that lead to goodness *".. believe in...His angels...(Al Baqarah: 2:285)* and thoughts that lead to evil *"...the evil devil (Al Hajj: 22:3)*

Before human thought *"... balance ... (Al Mulk: 67: 3)* between thoughts that lead to goodness *"... angels ... (Al Baqarah: 2: 285)* and thoughts that lead to evil *"... shaitan ... (Al Hajj: 22: 3)*, then the human mind is not *"... balanced ... (Al Mulk: 67: 3)* with the thoughts of Allah.

Well, because the balance of human thought and Allah's thought is determined by the balance of human thought that leads to goodness *"...angels...(Al Baqarah: 2:285)* and thoughts that lead to evil *"...shaitan...( Al Hajj: 22: 3)*, then not all human thoughts are balanced with Allah's thoughts.

But, basically, Allah's thoughts and human thoughts are *"... balanced ... (Al Mulk: 67: 3)*

Where in the human mind there is the thought of Allah.

Therefore, Allah's thoughts can be in the form of revelations that are directly in the minds of humans, without having to go through the thoughts of angels.

So it's been revealed, the secret contained in the verse: *"... I breathed into him the spirit... (Shaad: 38:*

72) of Allah.

That is, Allah's thoughts are in the human mind, through the 65 0000 000 000 neural network of the human brain. Or in other words, Allah's thoughts are in the human brain which is built by “...*spirit...* (*Shaad: 38:72*) of Allah, which contains hydrogen atoms, atoms, carbon atoms, nitrogen atoms and oxygen atoms.
