ABSTRACT

First of all, by asking forgiveness from Allah SWT here I try to reveal the signs of Allah SWT about how my spirit actually uses the mind in paradise, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).

In the Qur'an, several verses are found that are the key to unlocking the secret of how my spirit actually uses my mind in paradise, namely the following verses:

"Read your book, it is enough for yourself at this time as a remembrance against you." (Al Israa': 17: 14)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar: 39:42)

"Indeed We created them directly (Al Waaqi'ah: 56: 35)

"Allah promises the believers, male and female, Paradise under which rivers flow, they will abide therein, there are good places in Paradise 'Adn. And Allah's pleasure is greater; that is great fortune. (At Taubah: 9:72)

"Indeed Allah will admit those who believe and do righteous deeds into Paradises beneath which rivers flow. In Paradise they are adorned with gold and pearl bracelets, and their clothing is silk. (Al Hajj :22:23)

"Glory be to Him who, if He willed, He would have made for you something better than this, gardens beneath which rivers flow, and He made for you palaces. (Al-Furqaan: 25:10)

"And give good tidings to those who believe and do good, that for them there are provided gardens with rivers flowing in them. Every time they are given sustenance of fruit in those paradises, they say: "This is what was given to them. us first." They are given similar fruits and for them are pure wives and they will abide therein (Al Baqarah: 2:25)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"And We remove all kinds of hatred that are in their chests; rivers flow under them and they say: "Praise be to Allah who has shown us to this. And we will never be guided if Allah does not guide us. Verily, the messengers of our Lord have come, bringing the truth." And it was called out to them: "This is Paradise which is bequeathed to you, because of what you used to do." (Al-A'raaf: 7:43)

"Glory be to Him who, if He willed, He would have made for you something better than this, gardens beneath which rivers flow, and He made for you palaces (Al-Furqaan: 25:10)

"Say: "O Allah, Creator of the skys and the earth, Who knows the unseen and the real, You are the One who decides between Your servants what they always argue about." (Az Zumar: 39: 46)

In an effort to unmask Allah's secret about how my spirit actually uses the mind in paradise, I based on photons, quarks and deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I put forward the hypothesis that my spirit using the mind in paradise is not as complex as when it was still in the human body on earth, based on photons, quarks and deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

HOW MY SPIRIT REALLY THINKS IN PARADISE

Now, we are still trying to focus our minds to uncover the secrets contained behind the verse: "*Read your book, it is enough for yourself at this time as a reckoning against you.*" (Al Israa ': 17: 14)

Apparently, my spirit was ordered by Allah to "*Read your book...*" (Al Israa ': 17:14)

How can my spirit actually read a book?

The answer is

It is hidden in the secret behind the verse: "*...He endures the soul He has decreed for death...*(Az Zumar: 39: 42)

It turns out, when people die, then Allah withholds "*... the soul that He has set for death...*" (Az Zumar: 39: 42)

Well, when "*...soul...*(Az Zumar: 39: 42) or "*... my spirit...*(Al Hijr: 15: 29) is detained by Allah, then come out "*...soul..*" (Az Zumar: 39: 42) or "*... my spirit...*" (Al Hijr: 15: 29) from the body of the person who died.

Then now the question arises,

What about the mind of the dead person?

The answer is

Hidden in the secret behind the verse: "*Read your book...*" (Al Israa ': 17:14)

Well, it means here, "*...soul...*(Az Zumar: 39: 42) or "*... my spirit...*(Al Hijr: 15: 29) can read "*...your*

book... (Al Israa ': 17: 14)

Or in other words, "... *my spirit... (Al Hijr: 15: 29)* which comes out of the body of the person who died, has the same thoughts as the mind of the person who died.

IN PARADISE, NO COMPLEX THINKING IS NEEDED, AS WHEN MY SPIRIT IS IN THE BODY OF PEOPLE WHO ARE ALIVE IN THE WORLD

Well, then we focus on the secret that is hidden behind the verse: "...*In paradise they will be adorned with gold and pearl bracelets, and their clothes will be silk. (Al Hajj: 22: 23)* "...*Every one of them is given sustenance of fruits in those paradises... (Al Baqarah: 2:25)* "...*there are good places in paradise 'Adn. .. (At Taubah: 9:72)* "...*He made for you palaces (Al Furqaan: 25:10)*

Apparently, in paradise, my spirit does not need to use the mind to seek life. Because, everything has been prepared by Allah, from the start: "...*golden bracelets...pearls...silk garments. (Al Hajj: 22:23)* "...*fruits... (Al Baqarah: 2:25)* "...*good places... (At Taubah: 9:72)* to "... *palaces (Al Furqaan: 25:10)*

So, actually, "... *my spirit... (Al Hijr: 15: 29)* does not require much thought to live in heaven. Everything my soul wants is available.

WHERE ARE ALL THE THINGS IN PARADISE

Now, let's unpack the secret behind the verse: "*Say: "O Allah, Creator of the heavens and the earth, Who knows the unseen and the real..." (Az Zumar: 39: 46)*

It turns out, all objects in paradise, including all my spirits who are residents of paradise, are "... *unseen..." (Az Zumar: 39: 46)* meaning, everything in paradise is invisible to the human eye. .

That is, all things in paradise are hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms. Where the atoms are in the electromagnetic spectrum area below 430 nanometers and are in the electromagnetic spectrum area above 740 nanometers, so that our eyes cannot see it.

Meanwhile, the human eye is only able to see light rays that are in the electromagnetic spectrum region between 430 to 740 nanometers.

Now the secret that is hidden behind the verse has been revealed: "*Read your book .." (Al Israa ': 17: 14)*

That is, my spirit still has the mind that was obtained when my spirit was still in the body of a living person on earth.

But, of course, the mind which belongs to my spirit, is not used much in paradise.

Because all the necessary items are already available.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verse: "*Read your book, it is enough for yourself at this time as a reckoning against you." (Al Israa ': 17: 14)*

Apparently, my spirit was ordered by Allah to "*Read your book... (Al Israa ': 17:14)*

How can my spirit actually read a book?

The answer is

It is hidden in the secret behind the verse: *"...He endures the soul He has decreed for death...(Az Zumar: 39: 42)*

It turns out, when people die, then Allah withholds *"... the soul that He has set for death... (Az Zumar: 39: 42)*

Well, when *"...soul...(Az Zumar: 39: 42)* or *"... my spirit...(Al Hijr: 15: 29)* is detained by Allah, then come out *"...soul.. (Az Zumar: 39: 42)* or *"... my spirit... (Al Hijr: 15: 29)* from the body of the person who died.

Then now the question arises,

What about the mind of the dead person?

The answer is

Hidden in the secret behind the verse: *"Read your book... (Al Israa ': 17:14)*

Well, it means here, *"...soul...(Az Zumar: 39: 42)* or *"... my spirit...(Al Hijr: 15: 29)* can read *"...your book... (Al Israa ': 17: 14)*

Or in other words, *"... my spirit... (Al Hijr: 15: 29)* which comes out of the body of the person who died, has the same thoughts as the mind of the person who died.

Well, then we focus on the secret that is hidden behind the verse: *"...In paradise they will be adorned with gold and pearl bracelets, and their clothes will be silk.
