ABSTRACT

Before I write down the problem of how the devil through my spirit, affects the human mind, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of how the devil through my spirit, affects the human mind, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about how the devil through my spirit affects the human mind, namely the following verses:

"And when We said to the angels: "Prostrate to Adam, then bow down to them except Satan. He is of the jinn group, so he disobeys the command of his Lord. Should you take him and his descendants as leaders other than Me, while they is your enemy? How bad is the devil as a substitute (from Allah) for the wrongdoers. (Al Kahf: 18: 50)

"And summon those whom you can afford among them with your invitation, and deploy against them your cavalry and your foot soldiers and associate with them in wealth and children and make a promise to them. And the devil has promised them nothing but deception (Al Israa ': 17: 64)

"The devil said: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)

"He (the devil) said: "Explain to me, is this the person you have honored over me? Indeed, if You give me respite until the Day of Resurrection, I will surely lead astray their descendants, except for a small part." (Al Israa ': 17: 62)

"So when I have perfected the event and I have breathed into it My spirit; then you should fall down prostrating to it." (Shaad : 38:72)

"... Isa, the son of Maryam, is the messenger of Allah and His words which He conveyed to Mary, and a spirit from Him... (An Nisaa ': 4: 171)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)

"Have you not seen that Allah has subjected to you what is in the heavens and what is in the earth and has perfected for you His blessings both outwardly and inwardly. And among mankind there are those who dispute about Allah without knowledge or guidance and without an enlightening Book. (Luqman: 31:20)

In an effort to open the veil of Allah's secret about how the devil through my spirit, affects the human mind, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular

structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis of the devil through my spirit, influencing the human mind, viewed from the basic point of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

HUMANS AND DEVIL ARE ONE TYPE

Now, we are still trying to uncover the secret hidden behind the verse: *"The devil said: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)*

Apparently, Allah has clearly described, that humans and devils are actually one kind.

Why are humans and devils one kind?

The answer is

Hidden behind the verse: *"... You created me from fire, while you created him from clay." (Shaad: 38: 76)*

It means *"...fire..." (Shaad: 38:76)* is made up of hydrogen atoms and oxygen atoms, while *"...earth..." (Shaad: 38: 76)* is containing hydrogen atoms, nitrogen atoms, carbon atoms and oxygen atoms.

So, actually humans and devils are built by atoms of oxygen, and atoms of hydrogen. Therefore, there is no difference between humans and devils.

THE DEVIL AS A HUMAN LEADER, THE ENEMY OF ALLAH

Now, we uncover the secret behind the verse: *"... Should you take him (the devil) and his descendants as leaders other than Me... (Al Kahf: 18: 50)*

I wonder, actually Allah created the devil to be a human leader, *"...a leader other than Me...(Al Kahf: 18: 50)*

The question arises, why did Allah declare the devil as *"...a leader other than...(Al Kahf: 18: 50)* Allah?

The answer is

Hidden in the secret in the verse: "... mobilize against them cavalry and your foot troops and associate with them in wealth and children and make promises to them... (Al Israa ' : 17: 64)

It turns out, the devil, who is a kind of human, has been created by Allah from hydrogen atoms and oxygen atoms, has strength and power ***"... your cavalry and your troops on foot and associate with them in wealth... (Al Israa' : 17: 64)***

So, devils are no different from humans. Only the devil is able to control the human mind and become ***"...a leader other than Me...(Al Kahf: 18: 50)***

THE DEVIL THROUGH THE FREQUENCY OF VOICE VIBRATION ENTERS THROUGH MY SPIRIT THAT IS WITHIN HUMANS TO AFFECT THE WAY OF HUMAN MIND

So, how can a devil, which is a human type, enter into ***"... my spirit... (Al Hijr: 15: 29)*** that exists within humans and influences the way of human thought?

The answer is

It is hidden in a secret behind the verse: ***"He (the devil) said: "Explain to me, is this the person you have honored over me? Indeed, if You give me respite until the Day of Resurrection, I will surely mislead my descendants... (Al Israa ' : 17: 62)***

So, the devil tries to mislead humans, through ***"... my spirit... (Al Hijr: 15: 29)***

The question now is

Why ***"...my spirit... (Al Hijr: 15: 29)*** that is in humans can be entered by the devil?

The answer is

Because ***"...my spirit...(Al Hijr: 15: 29)*** is made up of hydrogen atoms, oxygen atoms, nitrogen atoms and carbon atoms. So through the hydrogen atoms and oxygen atoms that exist in humans, the devil can influence ***"... my spirit... (Al Hijr: 15: 29)*** which is then the devil's influence is inserted into the human mind.

TO STOP THE INFLUENCE OF THE DEVIL THAT ENTERS THROUGH MY SPIRIT IS WITH ALLAH'S GUIDANCE

Now, Allah has declared ***"... if We willed, We would have given every soul guidance... (As Sajdah: 32:13)***

Well ***"...guidance...(As Sajdah: 32:13)*** that comes from Allah, is entered into the human mind,

"...guidance...(As Sajdah: 32:13) Allah is the one who can fortify the influence of the devil that enters through ***"... my spirit...(Al Hijr: 15: 29)*** and enters the human mind.

So the human mind, which can be easily influenced by the devil, ***"... if You give me respite until the Day of Resurrection, I will surely mislead my descendants... (Al Israa ' : 17: 62)***

Now it is revealed, the devil who is the enemy of Allah has declared that man through his mind will be led astray.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"The devil said: 'I am better than him, because You created me from fire, while you created him from clay.'"* (Shaad: 38: 76)

Apparently, Allah has clearly described, that humans and devils are actually one kind.

Why are humans and devils one kind?

The answer is

Hidden behind the verse: *"... You created me from fire, while you created him from clay."* (Shaad: 38: 76)

It means *"...fire..."* (Shaad: 38:76) is made up of hydrogen atoms and oxygen atoms, while *"...earth."* (Shaad: 38: 76) is containing hydrogen atoms, nitrogen atoms, carbon atoms and oxygen atoms.

So, actually humans and devils are built by atoms of oxygen, and atoms of hydrogen. Therefore, there is no difference between humans and devils.

Now, we uncover the secret behind the verse: *"... Should you take him (the devil) and his descendants as leaders other than Me..."* (Al Kahf: 18: 50)

I wonder, actually Allah created the devil to be a human leader, *"...a leader other than Me..."* (Al Kahf: 18: 50)

The question arises, why did Allah declare the devil as *"...a leader other than..."* (Al Kahf: 18: 50) Allah?

The answer is

Hidden in the secret in the verse: "... mobilize against them cavalry and your foot troops and associate with them in wealth and children and make promises to them..." (Al Israa ': 17: 64)

It turns out, the devil, who is a kind of human, has been created by Allah from hydrogen atoms and oxygen atoms, has strength and power *"... your cavalry and your troops on foot and associate with them in wealth..."* (Al Israa' : 17: 64)

So, devils are no different from humans. Only the devil is able to control the human mind and become *"...a leader other than Me..."* (Al Kahf: 18: 50)

So, how can a devil, which is a human type, enter into *"... my spirit..."* (Al Hjr: 15: 29) that exists within humans and influences the way of human thought?

The answer is

It is hidden in a secret behind the verse: *"He (the devil) said: 'Explain to me, is this the person you have honored over me? Indeed, if You give me respite until the Day of Resurrection, I will surely mislead my descendants..."* (Al Israa ': 17: 62)

So, the devil tries to mislead humans, through *"... my spirit..."* (Al Hjr: 15: 29)

The question now is

Why "...my spirit... (*Al Hjr: 15: 29*) that is in humans can be entered by the devil?

The answer is

Because "...my spirit...(*Al Hjr: 15: 29*) is made up of hydrogen atoms, oxygen atoms, nitrogen atoms and carbon atoms. So through the hydrogen atoms and oxygen atoms that exist in humans, the devil can influence "... my spirit... (*Al Hjr: 15: 29*) which is then the devil's influence is inserted into the human mind.

Now, Allah has declared "... *if We willed, We would have given every soul guidance...* (*As Sajdah: 32:13*)

Well "...guidance...(As Sajdah: 32:13) that comes from Allah, is entered into the human mind,

"...guidance...(As Sajdah: 32:13) Allah is the one who can fortify the influence of the devil that enters through "... my spirit...(Al Hjr: 15: 29) and enters the human mind.

So the human mind, which can be easily influenced by the devil, "... *if You give me respite until the Day of Resurrection, I will surely mislead my descendants...* (*Al Israa ': 17: 62*)

Now it is revealed, the devil who is the enemy of Allah has declared that man through his mind will be led astray.
