**ABSTRACT**

First of all, by asking forgiveness from Allah SWT here I am trying to reveal the signs of Allah SWT's greatness regarding how to actually live in paradise, does my spirit not get tired of living in paradise for 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

In the Qur'an found several verses that are the key to unlocking the secret of how to actually live in paradise, does my spirit not get tired of living in paradise for 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years, namely the verses:

*"Indeed Allah will admit those who believe and do righteous deeds into Paradises beneath which rivers flow. In Paradise they will be adorned with gold and pearl bracelets, and their clothes will be silk. (Al Hajj) :22:23)*

*"Indeed, those who are pious will be in paradise and enjoyment." (Ath Thuur: 52:17)*

*"In Paradise there are many fruits for you, some of which you eat. (Az Zukhruf: 43: 73)*

*"And give good tidings to those who believe and do good, that for them are provided gardens with rivers flowing in them. Every time they are given sustenance of fruit in those paradises, they say: "This is what was given to them. us first." They are given similar fruits and for them are pure wives and they will abide therein (Al Baqarah: 2:25)*

*"And if the People of the Book had believed and were pious, We would have covered their faults and We would have admitted them to heavens full of pleasure. (Al Maa'idah: 5:65)*

*"Allah promises the believers, male and female, paradise under which rivers flow, they will abide therein, and good places in paradise 'Adn. And Allah's pleasure is greater; that is great fortune. (At Taubah : 9:72)*

*"Glory be to Him who, if He willed, He would have made for you something better than this, gardens beneath which rivers flow, and He made for you palaces (Al-Furqaan: 25:10)*

*"Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises where rivers flow in them. forever. They will abide in it. That is a great victory. (At Taubah: 9: 100)*

*"They are for them the paradise of 'Adn, beneath which rivers flow; in that paradise they are decorated with gold bracelets and they wear green clothes of fine silk and thick silk, while they sit reclining on beautiful couches. the best reward, and a beautiful resting place (Al Kahf: 18: 31)*

*"Indeed, those who believe and do righteous deeds, for them is the Paradise of Paradise as a place to live." (Al Kahf: 18:107)*

*"In Paradise they will fight for the cup, which contains neither useless words nor sinful deeds. (Ath Thuur: 52:23)*

*"They were passed around plates of gold and cups, and in heaven is everything the heart desires and is pleasing to the eye and you will abide in them forever." (Az Zukhruf: 43:71)*

*"In it they reclined, asking for lots of fruit and drink in Paradise. (Shaad: 38: 51)*

*"And hasten to forgiveness from your Lord and to Paradise, whose breadth is as wide as the paradise and the earth, which is prepared for those who are pious." (Ali 'Imran: 3:133)*

*"And the shade is near over them and their fruit is easy to pick them up as easily as possible (Al Insaan: 76:14)*

*"Glory be to Him who, if He willed, He would have made for you something better than this, gardens beneath which rivers flow, and He made palaces for you (Al-Furqaan: 25:10)*

*"Beside them are nymphs who are not wild in their eyes and beautiful in their eyes (Ash Shaaffaat: 37: 48)*

*"They reclined on couches in a row and We married them to beautiful nymphs with sharp eyes (Ath Thuur: 52:20)*

*"In paradise there are fair nymphs who lower their gaze, never touched by humans before them, nor by jinn (Ar Rahmaan: 55: 56)*

*"In heaven there are good and beautiful nymphs. (Ar Rahmaan: 55: 70)*

*"(The nymph) are beautiful, pure white, secluded in the house. (Ar Rahmaan: 55: 72)*

*"It is as if the nymphs were gems of yakut and marjan." (Ar Rahmaan: 55: 58)*

*"And there are jelly-eyed angels (Al Waaqi'ah: 56: 22)*

*"Indeed We created them (nymph) directly (Al Waaqi'ah: 56: 35)*

*"Indeed We have adorned the paradise near the stars... (Al Mulk: 67: 5)*

*"By the sky which has clusters of stars, (Al Buruuaj: 85: 1)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"It is He who makes the night into the day and the day into the night. And He is All-Knower of all the hearts (Al Hadid: 57: 6)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

In an effort to unmask for what reason, Allah promised in heaven gold and silk bracelets, rather than photons, quarks and deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESES**

Here I propose the hypothesis that gold is formed when two neutron stars collide, then the fragments that become gold from the two colliding neutron stars are attracted by the Earth's gravity and enter the earth, seen from the point of view of photons, quarks and Deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

To find out quarks, we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **HOW MY SPIRIT ACTUALLY LIFE IN PARADISE FOR 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 YEARS**

Now, we are still trying to focus our minds in order to uncover the secrets stored in the verse:  
*"Indeed, those who are pious are in paradise and enjoyment, (Ath Thuur: 52:17)*

Well, it turns out that paradise is associated with *"...enjoyment, (Ath Thuur: 52:17)* where pleasure in paradise knows no time limit.

Why in paradise knows no time limit?

The answer is

Hidden in the secret behind the verse: *"...they are eternal in it (Al Baqarah: 2:25)*

Now, because in paradise “...My spirit...(Shaad : 38:72) lives eternally, then time is just an illusion. It means time doesn't exist.

Why is time not in paradise?

The answer is implied in the secret behind the verse: *"It is He who makes the night into the day and makes the day into the night... (Al Hadid: 57: 6)*

Now, because in paradise there is no rotation of the earth on its axis, the moon does not revolve around the earth, and the earth does not revolve around the sun, then time is not in paradise.

Because time is not in paradise, life in heaven is eternal and “...my spirit...(Shaad: 38:72) lives without being limited by time.

So, *"...enjoyment, (Ath Thuur: 52:17)* in paradise is a pleasure that knows no time limit.

### **THE PLEASURE OF LIFE IN PARADISE KNOWS NO TIME LIMIT, BECAUSE TIME IS NOTHING**

So, now the question arises,

Why live “...My spirit...(Shaad : 38:72) in paradise until the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years ?

The answer is “...My spirit...(Shaad : 38:72) in paradise until the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years is when the building of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms disappears , because the nuclear energy that binds the quarks in the atom disappears, leaving only the quarks.

Well, when the building “... My spirit...(Shaad : 38: 72) which consists of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms disappears, then that is a sign of age “... My spirit... ( Shaad : 38:72) has reached 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years

So, “...My spirit...(Shaad: 38:72) lives in paradise knows no time limit.

### **LIFE IN PARADISE IS NOT BORING**

Now, *"In paradise there are good and beautiful nymphs. (Ar Rahmaan: 55: 70) "... We married them to beautiful and sharp-eyed nymphs (Ath Thuur: 52: 20 ) "...the paradise of 'Adn, rivers flow beneath it; in that paradise they are adorned with gold bracelets and they wear green clothes of fine silk and thick silk... (Al Kahf: 18: 31) "... they are given sustenance of fruits in those paradises...(Al Baqarah: 2:25) "...for them there are holy wives...(Al Baqarah: 2:25)".. He made for you palaces (Al Furqaan: 25:10)*

Well, all of that is enjoyment that knows no time limit.

Because, the pleasure that is in paradise knows no time limit, then “... my spirit... (Shaad: 38: 72) living in paradise does not feel bored.

## CONCLUSION

Based on the description above, we can conclude that the secrets stored in the verse: *"Indeed, those who are pious are in paradise and enjoyment, (Ath Thuur: 52:17)*
