ABSTRACT

Before I write down the human problem is the reflection of Allah's form which describes the balance of the seven heavens, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about humans is the reflection of Allah's form that describes the balance of the seven heavens, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become a tool for revealing Allah's secrets about humans are the reflection of Allah's form that describes the balance of the seven heavens, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth (Al Baqarah: 2: 186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"They replied: "Glory be to You, we know nothing but what You have taught us; Verily, You are All-Knowing, All-Wise (Al Baqarah: 2:32)

Allah said: "What prevented you from prostrating when I commanded you?" The devil replied "I am better than him: You created me from fire while You created him from clay." (Al A'raaf: 7:12)

"Then both of them were derailed by the devil from heaven and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a place to live on earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)

Allah said: "O Adam, tell them the names of these things." So after he told them the names of these objects, Allah said: "Have I not told you that I know the secrets of the heavens and the earth and know what they are. what you give birth to and what do you hide?" (Al Baqarah: 2:33)

"And We have subdued a group of devils who dive for him and do work other than that, and We are taking care of them, (Al Anbiyaa ': 21:82)

"And there is no power of the devil over them, but only that We may distinguish those who believe in the existence of the Hereafter from those who doubt about it. And your Lord is the Preserver of all things. (Saba': 34:21)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about man is the reflection of Allah's form that describes the balance of the seven skys, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that humans are the reflection of Allah's form which describes the balance of the seven skys, because in the human body there is Allah's energy, Allah's particles and *"... my spirit... (Shaad: 38: 72)* seen from the point of view of Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

WHAT'S BEHIND THE SECRET OF ALLAH CREATING THE SEVEN SKYS AND ALL THEIR CONTENTS

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced...(Al Mulk : 67: 3)"...We have created man from an essence from the ground (Al Mu'minuun: 23:12)"...We say to the angels: "Prostrate to Adam," so bow down to them except Satan ... (Al Baqarah: 2:34)" They replied: "Glory be to You, we know nothing but what You have taught us...(Al Baqarah: 2:32)"...Answered the devil "I am better than him: You created me from fire while you created him from clay" (Al A'raaf: 7:12)"...both of them were derailed by the devil from heaven...(Al Baqarah: 2: 36)" ...We say: "Get down ye! some of you become enemies to others, and for you there is a dwelling place on earth... (Al Baqarah: 2:36)*

Apparently, here Allah has declared, humans are a reflection of Allah's form which describes the balance of the seven skys, why?

Because, humans were created after Allah created *"... the seven skys in layers... (Al Mulk: 67: 3)*

angels, jinn, devils, devils.

Man was created last by Allah so that Allah's form is reflected by man which represents the balance of the seven skys.

Why is the balance of the seven skys reflected by humans?

The answer is,

Hidden in the secret behind the verse: *"Allah said: "O Adam, tell them the names of these things."... he told them the names of these objects... (Al Baqarah: 2: 33)*

Here it is clearly illustrated, that humans have the freedom of thought, to study what Allah has created, so that when Allah ordered Adam to tell about the seven skys and all their contents, Adam easily told the angels, jinn, satan and devil.

By making humans as a picture of the seven skys that are *"... balanced... (Al Mulk: 67: 3)*, then humans must be shaped by two forces, one leading to good and the other leading to evil.

Well, this is where the angels appear on the one hand and the satan, the devil on the other. Because according to Allah's declaration about the satan, the devil *"...so that We may distinguish those who believe in the existence of the Hereafter from those who doubt about it...(Saba': 34:21)*

That is, so that Allah can see whether humans are *"...balanced...(Al Mulk: 67:3)* or have fallen far into the abyss of ugliness.

So, what really happens in the seven skys, then look at the man himself. Because humans are a reflection of Allah's form that describes the balance of the seven skys.

That is, if humans in their lives are not *"... balanced... (Al Mulk: 67: 3)* then of course there will be no balance of the seven skys. The seven skys will be destroyed, just as human life is destroyed.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced...(Al Mulk : 67: 3)"...We have created man from an essence from the ground (Al Mu'minuun: 23:12)"...We say to the angels: "Prostrate to Adam," so bow down to them except Satan ... (Al Baqarah: 2:34)" They replied: "Glory be to You, we know nothing but what You have taught us...(Al Baqarah: 2:32)"...Answered the devil "I am better than him: You created me from fire while you created him from clay" (Al A'raaf: 7:12)"...both of them were derailed by the devil from heaven...(Al Baqarah: 2: 36)"...We say: "Get down ye! some of you become enemies to others, and for you there is a dwelling place on earth... (Al Baqarah: 2:36)*

Apparently, here Allah has declared, humans are a reflection of Allah's form which describes the balance of the seven skys, why?

Because, humans were created after Allah created *"... the seven skys in layers... (Al Mulk: 67: 3)* angels, jinn, devils, devils.

Man was created last by Allah so that Allah's form is reflected by man which represents the balance of the seven skys.

Why is the balance of the seven skys reflected by humans?

The answer is,

Hidden in the secret behind the verse: *"Allah said: "O Adam, tell them the names of these things."... he told them the names of these objects... (Al Baqarah: 2: 33)*

Here it is clearly illustrated, that humans have the freedom of thought, to study what Allah has created, so that when Allah ordered Adam to tell about the seven skys and all their contents, Adam easily told the angels, jinn, satan and devil.

By making humans as a picture of the seven skys that are *"... balanced... (Al Mulk: 67: 3)*, then humans must be shaped by two forces, one leading to good and the other leading to evil.

Well, this is where the angels appear on the one hand and the satan, the devil on the other. Because according to Allah's declaration about the satan, the devil *"...so that We may distinguish those who believe in the existence of the Hereafter from those who doubt about it...(Saba': 34:21)*

That is, so that Allah can see whether humans are *"...balanced...(Al Mulk: 67:3)* or have fallen far into the abyss of ugliness.

So, what really happens in the seven skys, then look at the man himself. Because humans are a reflection of Allah's form that describes the balance of the seven skys.

That is, if humans in their lives are not *"... balanced... (Al Mulk: 67: 3)* then of course there will be no balance of the seven skys. The seven skys will be destroyed, just as human life is destroyed.
