ABSTRACT

Before I write down the problem, if a human who lives in sky 1 dies, does the copy of his body in sky 2 - sky 7 die too, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about if a human who lives in sky 1 dies, does the copy of his body in sky 2 - sky 7 die too, based on Deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool about if a human who lives in sky 1 dies, does the copy of his body in sky 2 - sky 7 die too, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant

and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"Indeed, We have adorned the skys near the stars, and We have made the stars casters of the devil, and We have prepared for them the torment of a fiery hell. (Al Mulk: 67: 5)

"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa': 21:16)

"So He made it seven heavens in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)

"Verily your Lord is Allah Who created the heavens and the earth in six days, then He resided above the Throne. He closed the night to the day which followed quickly, and the sun, moon and stars submit to His command. Remember, creating and ruling is only Allah's right. Glory be to Allah, Lord of the worlds. (Al A'raaf: 7: 54)

"Allah created the heavens and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about Allah creating seven balanced skys, therefore in every sky the mass and content must be the same, humans also have copies stored in each sky, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that Allah created seven skys that are balanced, in each sky the mass and contents are the same, humans also have copies, stored in each sky, based on Deoxyribonucleic

acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

THE LAW OF BALANCE APPLIES IN ALL THE SEVEN SKYS, ANYTHING THAT HAPPENS IN SKY 1, THEN ALSO HAPPENS IN SKY 2 – SKY 7

Now, we are still concentrating on uncovering the secrets contained behind the verses: "*... the seven skys... which are... balanced... (Al Mulk: 67: 3)*"... *the sky is near with brilliant stars...(Fushshilat : 41:12)*

Apparently, Allah has declared, that throughout the seven skys the law applies "*... balance... (Al Mulk: 67: 3)*" meaning, each sky has the same mass and content.

Now sky 1 or "*...near sky...(Fushshilat : 41:12)*" contains **100 000 000 000** galaxies, each galaxy consists of **150 100 000** stars.

So, whatever happens in one of the galaxies, or one of the stars, or one of the planets, or one of the moons, or one of the humans, in sky 1, the same thing will happen in sky 2 – sky 7.

If there is, a difference, just one atom, then the law of "*... balance... (Al Mulk: 67: 3)*" has been violated, as a result the seven skys will be destroyed.

This is Allah's law, the law "*... balanced... (Al Mulk: 67: 3)*" in "*... the seven skys... (Al Mulk: 67: 3)*"

IF A HUMAN DIE IN SKY 1, THEN HUMAN IMPLICATIONS IN SKY 2 – SKY 7 DIED TOO

Now, what will happen, if there is a difference in the contents of the sky 1 with the contents of the sky 2?

The answer is that the law *"... balanced... (Al Mulk: 67: 3)* has been violated, which resulted in *"...the seven skys...(Al Mulk: 67:3)* will be destroyed.

So, if a human dies in sky 1, then the copy of humans in sky 2 – sky 7 also dies, based on the law of *"...balanced... (Al Mulk: 67: 3)*, namely Allah's law, where Allah *"Who has created the seven skys ... in balance ... (Al Mulk: 67: 3)*

Now it has been revealed, the secret that is stored in the verse: *"Who has created the seven skys... in balance ... (Al Mulk: 67: 3)*

That is, whatever happens in sky 1 must be the same as what happens in sky 2 – sky 7.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"... the seven skys... which are... balanced... (Al Mulk: 67: 3)"... the sky is near with brilliant stars... (Fushshilat : 41:12)*

Apparently, Allah has declared, that throughout the seven skys the law applies *"... balance... (Al Mulk: 67: 3)* meaning, each sky has the same mass and content.

Now sky 1 or *"...near sky...(Fushshilat : 41:12)* contains **100 000 000 000** galaxies, each galaxy consists of **150 100 000** stars.

So, whatever happens in one of the galaxies, or one of the stars, or one of the planets, or one of the moons, or one of the humans, in sky 1, the same thing will happen in sky 2 – sky 7.

If there is, a difference, just one atom, then the law of *"... balance... (Al Mulk: 67: 3)* has been violated, as a result the seven skys will be destroyed.

This is Allah's law, the law *"... balanced... (Al Mulk: 67: 3)* in *"... the seven skys... (Al Mulk: 67: 3)*

Now, what will happen, if there is a difference in the contents of the sky 1 with the contents of the sky 2?

The answer is that the law *"... balanced... (Al Mulk: 67: 3)* has been violated, which resulted in *"...the seven skys...(Al Mulk: 67:3)* will be destroyed.

So, if a human dies in sky 1, then the copy of humans in sky 2 – sky 7 also dies, based on the law of *"...balanced... (Al Mulk: 67: 3)*, namely Allah's law, where Allah *"Who has created the seven skys ... in balance ... (Al Mulk: 67: 3)*

Now it has been revealed, the secret that is stored in the verse: *"Who has created the seven skys... in balance ... (Al Mulk: 67: 3)*

That is, whatever happens in sky 1 must be the same as what happens in sky 2 – sky 7.
