ABSTRACT

Before I write down the problem if Allah is the first, since when did Allah exist, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about if Allah is the First, since when Allah existed, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tools about if Allah was the first, since when did Allah exist, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"Allah did not create and resurrect you except as one soul. Indeed, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"And among His signs is that you see the earth dry and arid, so when We send down water on it, it will surely move and thrive. Indeed, God Who gives life to it, surely can bring back the dead... (Fushshilat: 41: 39)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"It is He Who created the skys and the earth in six days: Then He resides on the Throne. He knows what enters the earth and what comes out of it and what descends from the heavens and what ascends to Him. And He is with you in wherever you are. And Allah is All-Seeing of what you do. (Al Hadid: 57:4)

"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"Those who when disaster strikes, they say: "Inna lillahi wa innaa ilaihi raaji'uun (Indeed we belong to Allah and to Him we shall return)" (Al Baqarah: 2: 156)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

In an effort to open the veil of Allah's secret about if Allah was the beginning, since when Allah existed, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that Allah is the first, before the universe was formed, Allah already existed, even Allah has existed since the previous universe, disappeared, from the point of view of Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

BECAUSE ALLAH WAS THE BEGINNING, BEFORE THE NOW SEVEN SKYS WAS CREATED, THERE WAS SEVEN PREVIOUS SKYS.

Now, we are still concentrating on dismantling the secrets contained behind the verse: *"He is the First...(Al Hadiid: 57:3) "It is He who created the heavens and the earth in six periods...(Al Hadiid: 57: 4)*

Here Allah has explained to humans, that Allah is *"... the First... (Al Hadiid: 57: 3) "... Who created the skys and the earth... (Al Hadiid: 57: 4)*

Now the question arises,

Because Allah is *"... the First... (Al Hadiid: 57: 3)*, then have there been seven previous skys, which disappeared, and returned to Allah's energy, then Allah's energy which returned to Allah, was used to create quarks and atoms and the new seven skys as they are today?

The answer is

Well tucked away in the secret behind the verse: *"He is the First... and He is All-Knowing of all things. (Al Hadid: 57:3) "Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced... (Al Mulk: 67: 3)*

Well, here Allah has declared: *"...The First...Knower of all things. (Al Hadiid: 57:3) "...created the seven skys in layers...balanced...(Al Mulk: 67:3)*

So, actually, before Allah created *"...seven layered skys...(Al Mulk: 67:3)* now, there are already *"...seven layered skys...(Al Mulk: 67 : 3)* before, which had disappeared, all that remained was Allah's energy. Where Allah's energy returns to Allah *"... we belong to Allah and to Him we return (Al Baqarah: 2: 156)*

ALLAH ALREADY EXIST, CREATED THE PREVIOUS SEVEN SKYS THAT HAVE BEEN DISAPPEARED ARE REPLACED WITH SEVEN NEW SKYS CREATED 13 800 000 000 YEARS AGO

Well, with Allah's energy returning from the previous *"...seven layered skys...(Al Mulk: 67:3)* which disappeared, Allah created, 13 800 000 000 years ago, quarks and atoms later"*..the seven skys in layers...(Al Mulk: 67:3)* which is now.

Why did Allah create *"...seven skys in layers...(Al Mulk: 67:3)* before which disappeared the same as *"...seven skys in layers...(Al Mulk: 67:3)* now this ?

The answer is

Implicit in the secret behind the verse: *"He is the First ... He is All-Knowing of everything. (Al Hadiid: 57: 3) "Who has created the seven skys in layers ... which are balanced ... (Al Mulk :67:3)*

Well, *"...the seven skys are layered...which are...balanced...(Al Mulk: 67:3)* which means, *"...the seven skys...(Al Mulk: 67:3)* which now it is in balance with *"...the seven skys...(Al Mulk: 67:3)* which was before.

Or in other words, Allah created the previous seven skys which had disappeared to be replaced with seven new skys which were created 13 800 000 000 years ago.

CONCLUSION

The conclusions that can be drawn from the explanation above are the secrets contained behind the verse: *"He is the First...(Al Hadiid: 57:3) "It is He who created the heavens and the earth in six periods... (Al Hadiid: 57: 4)*

Here Allah has explained to humans, that Allah is *"... the First... (Al Hadiid: 57: 3) "... Who created the skys and the earth... (Al Hadiid: 57: 4)*

Now the question arises,

Because Allah is *"... the First... (Al Hadiid: 57: 3)*, then have there been seven previous skys, which disappeared, and returned to Allah's energy, then Allah's energy which returned to Allah, was used to create quarks and atoms and the new seven skys as they are today?

The answer is

Well tucked away in the secret behind the verse: *"He is the First... and He is All-Knowing of all things. (Al Hadiid: 57:3) "Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced... (Al Mulk: 67: 3)*

Well, here Allah has declared: *"...The First...Knower of all things. (Al Hadiid: 57:3) "...created the seven skys in layers...balanced...(Al Mulk: 67:3)*

So, actually, before Allah created *"...seven layered skys...(Al Mulk: 67:3)* now, there are already *"...seven layered skys...(Al Mulk: 67 : 3)* before, which had disappeared, all that remained was Allah's energy. Where Allah's energy returns to Allah *"... we belong to Allah and to Him we return (Al Baqarah: 2: 156)*

Well, with Allah's energy returning from the previous *"...seven layered skys...(Al Mulk: 67:3)* which disappeared, Allah created, 13 800 000 000 years ago, quarks and atoms later"*.. .the seven skys in layers...(Al Mulk: 67:3)* which is now.

Why did Allah create *"...seven skys in layers...(Al Mulk: 67:3)* before which disappeared the same as *"...seven skys in layers...(Al Mulk: 67:3)* now this ?

The answer is

Implicit in the secret behind the verse: *"He is the First ... He is All-Knowing of everything. (Al Hadiid: 57: 3) "Who has created the seven skys in layers ... which are balanced ... (Al Mulk :67:3)*

Well, *"...the seven skys are layered...which are...balanced...(Al Mulk: 67:3)* which means, *"...the seven skys...(Al Mulk: 67:3)* which now it is in balance with *"...the seven skys...(Al Mulk: 67:3)* which was before.

Or in other words, Allah created the previous seven skys which had disappeared to be replaced with seven new skys which were created 13 800 000 000 years ago.
