**ABSTRACT**

Before I write down the problem in what matters, which makes between Allah and humans balanced, I first ask forgiveness from Allah SWT. Here I try to unravel the hidden secret of in what matters, which makes between Allah and humans balanced, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that serve as tools for revealing Allah's secrets about in what matters, which makes between Allah and humans balanced, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)*

*"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"And there is no power of the devil over them, but only that We may distinguish those who believe in the existence of the Hereafter from those who doubt about it. And your Lord is the Preserver of all things. (Saba': 34:21)*

*"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)*

*Allah said: "This is a day that will benefit those who are righteous in their truth. For them is paradise beneath which rivers flow; they abide in it forever; Allah is pleased with them and they are pleased with Allah. That is the greatest fortune." (Al Maa'idah: 5: 119)*

*"Their reward with their Lord is paradise 'Adn under which rivers flow; they abide in it forever. Allah is pleased with them and they are pleased with Allah. That is for those who fear their Lord. (Al Bayyinah : 98: 8)*

*"Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises where rivers flow in them. forever. They will abide in it. That is a great victory. (At Taubah : 9: 100)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

In an effort to open the veil of Allah's secret about in what matters, which makes between Allah and humans balanced, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I propose a hypothesis in the matter of pleasure, which makes between Allah and humans balanced, based on Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split,

then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

## **EVERYTHING IN THE SEVEN SKYS SHOW BALANCE, INCLUDING BALANCE BETWEEN ALLAH AND HUMANS**

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced...(Al Mulk : 67: 3) "... Allah is pleased with them and they are pleased with Allah. That is the greatest fortune." (Al Maa'idah: 5: 119) "... Allah is pleased with them and they are pleased with Allah. This is for those who fear their Lord. (Al Bayyinah: 98: 8) "... Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises where rivers flow in them forever... (At Taubah: 9: 100)*

Apparently, here Allah has declared, that everything that has been created by Allah all shows balance.

Including the balance between Allah and humans.

## **ALLAH IS PLEASED WITH HUMANS AND HUMANS ARE PLEASED WITH ALLAH, THIS IS THE LAW OF BALANCE BETWEEN ALLAH AND HUMANS**

Now the question arises,

In what matters is the balance between Allah and man?

The answer is

Hidden in the secret behind the verses: *"Allah says: "This is a day that will benefit those who are truthful in their truth... Allah is pleased with them and they are pleased with Allah. That is the greatest fortune." (Al Maa'idah: 5: 119) "Their reward with their Lord is paradise 'Adn under which rivers flow; they abide in it forever. Allah is pleased with them and they are pleased with Allah. This is for those who fear their Lord. (Al Bayyinah: 98: 8) "Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has prepared for them paradise- Paradise in which rivers flow for ever and ever... (At Taubah: 9:*

Well, what makes the balance between Allah and humans is *"... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100) (Al Bayyinah: 98: 8) (Al Maa'idah: 5: 119)*

So, what makes the balance between Allah and humans is *"... ridha... (At Taubah: 9: 100) (Al Bayyinah: 98: 8) (Al Maa'idah: 5: 119)* from both parties. Allah is pleased with them and they are pleased with Allah.

It is here, that Allah's law applies, applies throughout the seven skys and all that is in them.

Even between Allah and humans applies Allah's law, the law of balance in terms of giving pleasure *"... Allah is pleased with them and they are pleased with Allah ... (At Taubah: 9: 100) (Al Bayyinah: 98: 8) (Al Maa'idah : 5: 119)*

Here Allah describes, Allah is pleased with humans who have carried out all that is commanded and stay away from all that is prohibited, on the contrary humans are pleased with Allah by carrying out all the commands of Allah and stay away from all the prohibitions of Allah.

This is called the balance between Allah and man. This is the law of balance that applies throughout the seven skys and all that is in them.

Without balance in the realm of the seven skys, it would not be possible for the seven skys to exist. Because of Allah's law of balance, there are seven skys.

Without the pleasure of Allah to humans and humans are not pleased with Allah, it can lead to destruction and impossible for human life on this earth.

## CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced...(Al Mulk : 67: 3) "... Allah is pleased with them and they are pleased with Allah. That is the greatest fortune." (Al Maa'idah: 5: 119) "... Allah is pleased with them and they are pleased with Allah. This is for those who fear their Lord. (Al Bayyinah: 98: 8) "... Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises where rivers flow in them forever... (At Taubah: 9: 100)*

Apparently, here Allah has declared, that everything that has been created by Allah all shows balance.

Including the balance between Allah and humans.

Now the question arises,

In what matters is the balance between Allah and man?

The answer is

Hidden in the secret behind the verses: *"Allah says: "This is a day that will benefit those who are truthful in their truth... Allah is pleased with them and they are pleased with Allah. That is the greatest fortune." (Al Maa'idah: 5: 119) "Their reward with their Lord is paradise 'Adn under which rivers flow; they abide in it forever. Allah is pleased with them and they are pleased with Allah. This is for those who*

*fear their Lord. (Al Bayyinah: 98: 8) "Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has prepared for them paradise- Paradise in which rivers flow for ever and ever... (At Taubah: 9: 100)*

Well, what makes the balance between Allah and humans is *"... Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100) (Al Bayyinah: 98: 8) (Al Maa'idah: 5: 119)*

So, what makes the balance between Allah and humans is *"... ridha... (At Taubah: 9: 100) (Al Bayyinah: 98: 8) (Al Maa'idah: 5: 119)* from both parties. Allah is pleased with them and they are pleased with Allah.

It is here, that Allah's law applies, applies throughout the seven skys and all that is in them.

Even between Allah and humans applies Allah's law, the law of balance in terms of giving pleasure *"... Allah is pleased with them and they are pleased with Allah ... (At Taubah: 9: 100) (Al Bayyinah: 98: 8) (Al Maa'idah : 5: 119)*

Here Allah describes, Allah is pleased with humans who have carried out all that is commanded and stay away from all that is prohibited, on the contrary humans are pleased with Allah by carrying out all the commands of Allah and stay away from all the prohibitions of Allah.

This is called the balance between Allah and man. This is the law of balance that applies throughout the seven skys and all that is in them.

Without balance in the realm of the seven skys, it would not be possible for the seven skys to exist. Because of Allah's law of balance, there are seven skys.

Without the pleasure of Allah to humans and humans are not pleased with Allah, it can lead to destruction and impossible for human life on this earth.
