**ABSTRACT**

Before I write down the problem in what way, Allah knows the secrets and whispers of humans, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about in what way actually, Allah knows the secrets and whispers of man, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tools about how actually, Allah knows the secrets and whispers of humans, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"Allah did not create and resurrect you except as one soul. Indeed, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

*"And among His signs is that you see the earth dry and arid, then when We send down water on it, it will surely move and thrive. Indeed, God Who gives life to it, surely can bring back the dead. Verily, He has power over all things. (Fusshilat: 41:39)*

*"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)*

*"It is He Who created the heavens and the earth in six days: Then He resides on the Throne. He knows what enters the earth and what comes out of it and what descends from the heavens and what ascends to Him. And He is with you in wherever you are. And Allah is All-Seeing of what you do. (Al Hadid: 57:4)*

*"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)*

*"He is Allah, Who created all that is on earth for you and He willed the heavens, then He made the seven skys. And He is All-Knowing of all things. (Al Baqarah: 2:29)*

*"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"Do they not know that Allah knows their secrets and their whispers, and that Allah is well aware of all that is unseen. (At Taubah: 9: 78)*

*"He arranges affairs from the heavens to the earth, then they ascend to Him in one day whose level is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

In an effort to unmask Allah's secrets about in what way, Allah knows man's secrets and whispers, I use a base of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I put forward the hypothesis that Allah knows the secrets and whispers of humans, through i "... *my spirit...* (Shaad : 38: 72) which sends out wave frequencies at a speed of 365 259.6 km per second, based on the point of view of Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The

nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

### **IN WHAT WAY, ALLAH CAN KNOW HUMAN SECRETS AND WHISPERS, EVEN WHEN ALLAH IS EVERYWHERE**

Now, we are still focusing our minds on uncovering the secret behind the verse: *"... Allah knows their secrets and whispers... Allah is well aware of all that is unseen. (At Taubah: 9: 78)*

Now the question arises,

How can Allah *"...know the secrets and whispers...(At Taubah : 9: 78)* of man?

The answer is

It is hidden in the secret behind the verse: *"... I breathed into him my spirit..." (Shaad: 38: 72) "... arrange affairs... in one day whose rate is a thousand years according to your calculations (As Sajdah: 32: 5)*

Well, it turns out that *"... my spirit ..." (Shaad: 38: 72)* which Allah has breathed into every creature and to all objects in the universe, which conveys what happens in His creatures and in the universe. every object in the universe.

Where *"... my spirit..." (Shaad: 38: 72)* conveys to Allah, all the secrets and whispers of His creatures through frequency waves with a speed of 365 259.6 km per second *"... one day... the rate ... a thousand years ... (As Sajdah: 32: 5)*, faster than the speed of light 299 792, 458 km per second according to human calculations

### **ALTHOUGH ALLAH IS EVERYWHERE, BUT MY SPIRIT CONTINUES TO CONNECT WITH ALLAH THROUGH FREQUENCY WAVES WITH THE SPEED OF 365 259.6 KM PER SECOND**

Now we uncover the secret behind the verse: *"...I am near...(Al Baqarah: 2: 186) "...We are closer to him than his jugular vein." (Qaf: 50:16)*

It turns out, indeed Allah through *"...my spirit..." (Shaad: 38: 72)* became very close, even though Allah is everywhere.

That is, it is not a very big problem, where Allah is, because *"... my spirit ..." (Shaad: 38: 72)* continues to communicate with Allah using frequency waves with a speed of 365 259.6 km per second.

So, whatever is inside humans, be it secrets or whispers, all of that *"...my spirit..." (Shaad: 38: 72)* will convey it to Allah using frequency waves with a speed of 365 259.6 km per hour. second.

Well, now it has been revealed, the secret that is hidden behind the verse: *"... Allah knows their secrets and whispers, and that Allah is very aware of all that is unseen. (At Taubah : 9:78)*

That is, whatever is in His creatures, whether living or inanimate objects, then Allah through *"...my spirit..." (Shaad: 38:72)* will know all *"...the unseen. (At Taubah : 9:78)*

## CONCLUSION

From what has been explained above, it can now be concluded that the secret behind the verse: *"... Allah knows their secrets and whispers... Allah is well aware of all that is unseen. (At Taubah: 9: 78)*

Now the question arises,

How can Allah *"...know the secrets and whispers...(At Taubah : 9: 78)* of man?

The answer is

It is hidden in the secret behind the verse: *"... I breathed into him my spirit..." (Shaad: 38: 72) "... arrange affairs... in one day whose rate is a thousand years according to your calculations (As Sajdah: 32: 5)*

Well, it turns out that *"... my spirit ..." (Shaad: 38: 72)* which Allah has breathed into every creature and to all objects in the universe, which conveys what happens in His creatures and in the universe. every object in the universe.

Where *"... my spirit..." (Shaad: 38: 72)* conveys to Allah, all the secrets and whispers of His creatures through frequency waves with a speed of 365 259.6 km per second *"... one day... the rate ... a thousand years ... (As Sajdah: 32: 5)*, faster than the speed of light 299 792, 458 km per second according to human calculations

Now we uncover the secret behind the verse: *"...I am near...(Al Baqarah: 2: 186) "...We are closer to him than his jugular vein." (Qaf: 50:16)*

It turns out, indeed Allah through *"...my spirit..." (Shaad: 38: 72)* became very close, even though Allah is everywhere.

That is, it is not a very big problem, where Allah is, because *"... my spirit ..." (Shaad: 38: 72)* continues to communicate with Allah using frequency waves with a speed of 365 259.6 km per second.

So, whatever is inside humans, be it secrets or whispers, all of that *"...my spirit..." (Shaad: 38: 72)* will convey it to Allah using frequency waves with a speed of 365 259.6 km per hour. second.

Well, now it has been revealed, the secret that is hidden behind the verse: *"... Allah knows their secrets and whispers, and that Allah is very aware of all that is unseen. (At Taubah : 9:78)*

That is, whatever is in His creatures, whether living or inanimate objects, then Allah through *"...my spirit..." (Shaad: 38:72)* will know all *"...the unseen. (At Taubah : 9:78)*
