## ABSTRACT

Before the author writes about Indonesian Islamic scholars are not aware of they living in a state that state law refers to socialism-communism, internastionalism, nationalism, democracy, God-dynamism, the author first asks forgiveness from Allah SWT. Here the author tries to uncover the veil that covers the real secret about Indonesian Islamic scholars are not aware of they living in a state that state law refers to socialism-communism, internastionalism, nationalism, democracy, God-dynamism, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about Indonesian Islamic scholars are not aware of they living in a state that state law refers to socialism-communism, internastionalism, nationalism, democracy, God-dynamism, namely the verses:

*"O you who believe, obey Allah and obey the Messenger and ulil amri among you. Then if you have different opinions about something, then return that opinion to Allah and the Messenger, if you truly believe in Allah and the Last Day. Yang that way is more important and the consequences are better (An Nisaa': 4: 59).*

*"And those who accept the call of their God and perform prayer, and their interests by deliberation and they spend part of the sustenance that We have given them. (Ash Syuura: 42: 38).*

*"And if you punish the deeds of them, with what Allah has revealed, and do not follow their desires. And be careful towards them, so that they do not turn you away from part of what Allah has revealed to you. If they turn away, then know that that indeed Allah wills to bring misfortune upon them because of some of their sins. And indeed, most people are wicked people. (Al Maa'idah: 5: 49).*

*"Indeed, Allah commands you to convey your message to those who are entitled to receive it, and when you determine a law between people, so that you determine it fairly. Indeed, Allah gives you the best teaching. Indeed, Allah is All-Hearing, All-Seeing. (An Nisaa': 4 : 58).*

*"Say: "He is Allah, the Almighty (Al Ikhlash: 112: 1).*

In an effort to open the veil of Allah's secret regarding Indonesian Islamic scholars are not aware of they living in a state that state law refers to socialism-communism, internastionalism, nationalism, democracy, God-dynamism, the author uses the basis of deoxyribonucleic acid.

## HYPOTHESES

Here the author proposes hypothesis Indonesian Islamic scholars are not aware of they living in a state that state law refers to socialism-communism, internastionalism, nationalism, democracy, God-dynamism, based on Deoxyribonucleic acid (DNA)

## DEOXYRIBONUCLEIC ACID (DNA)

DNA is a storage place for genetic information that has a double structure forms a double helix and contains structured polynucleotide macromolecules repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5 carbon sugar and one of the nitrogen bases. Nitrogen bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

## INDONESIAN ISLAMIC SCHOLARS ARE NOT AWARE OF THEY LIVING IN A STATE THAT STATE LAW REFERS TO SOCIALISM-COMMUNISM, INTERNATIONALISM, NATIONALISM, DEMOCRACY, GOD-DYNAMISM

So now, we still continue to focus our minds on uncovering the secret hidden behind the verses: *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49).*

Well, here, Allah declares *"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49).*

Well, now, the question arises,

How to implement *"...law...what Allah has revealed...(Al Maa'idah: 5: 49)*, while the source of law in Indonesia is Pancasila philosophy, which contains Indonesian Nationality or Nationalism, Humanity or Internationalism, Consensus or Democracy, Social Welfare, One Almighty God, or in other words, Pancasila philosophy, which contains the ideology of socialism-communism, nationalism, internationalism, western democracy, up to One Almighty God, which refers to dynamism?

The answer lies in the secret behind the words: One Almighty God, which refers to dynamism.

Well, One Almighty God, which refers to dynamism is the result of secularist Soekarno's mind, which combines, socialism-communism, nationalism, internationalism, One Almighty God-dynamism.

Well, based on secularist Soekarno's mind, One Almighty God-dynamism, is that in living and inanimate objects there is a spirit, where the spirit has power and authority, so that living and inanimate objects can be considered God, because in living objects and inanimate objects have spirits.

Well, the result of secularist Soekarno's mind, regarding One Almighty God-dynamism, is that in living and inanimate objects there is a spirit, where the spirit has power and authority, so that living and inanimate objects can be considered God, because in living objects and inanimate objects have spirits, are accepted by all Muslims in Indonesia, so that the belief in the one and only God who is dynamic is used as a source of law in the Republic of Indonesia.

So, if the secularist Soekarno, thought that One Almighty God, referring to *"...He is Allah, the Almighty (Al Ikhlas: 112: 1)*, then the source of law in the Republic of Indonesia is the source of *"...law...what Allah has revealed...(Al Maa'idah: 5: 49)*.

However, in reality, the sources of law in the Republic of Indonesia is nationalism, internationalism, democracy, socialism-communism, One Almighty God-dynamism-animism.

Now, Indonesian Islamic scholars do not understand that Islam has been separated from the state, even though the majority of the people are Muslims

Now, because Indonesian Islamic scholars do not understand that Islam has been separated from the state, what is discussed in Islam has no effect on the state, government, or laws in force in the state.

So in fact, Indonesian Islamic scholars studying Islam and Islamic law are not recognized by the laws of the Republic of Indonesia.

If Indonesian Islamic scholars discuss and study Islamic law, it is only at the oral level.

Or in other words, Indonesian Islamic scholars discuss and study Islamic law only at the written level.

Now, this is what is not understood by all Indonesian Islamic scholars in the Republic of Indonesia.

## CONCLUSION

Based on the description above we can conclude that the secret hidden behind the verses: *"...obey Allah and obey the Messenger...(An Nisaa' : 4: 59)"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49)*.

Well, here, Allah declares *"...if you punish the deeds of them, with what Allah has revealed...(Al Maa'idah: 5: 49)*.

Well, now, the question arises,

How to implement *"...law...what Allah has revealed...(Al Maa'idah: 5: 49)*, while the source of law in Indonesia is Pancasila philosophy, which contains Indonesian Nationality or Nationalism, Humanity or Internationalism, Consensus or Democracy, Social Welfare, One Almighty God, or in other words, Pancasila philosophy, which contains the ideology of socialism-communism, nationalism, internationalism, western democracy, up to One Almighty God, which refers to dynamism?

The answer lies in the secret behind the words: One Almighty God, which refers to dynamism.

Well, One Almighty God, which refers to dynamism is the result of secularist Soekarno's mind, which combines, socialism-communism, nationalism, internationalism, One Almighty God-dynamism.

Well, based on secularist Soekarno's mind, One Almighty God-dynamism, is that in living and inanimate objects there is a spirit, where the spirit has power and authority, so that living and inanimate objects can be considered God, because in living objects and inanimate objects have spirits.

Well, the result of secularist Soekarno's mind, regarding One Almighty God-dynamism, is that in living and inanimate objects there is a spirit, where the spirit has power and authority, so that living

and inanimate objects can be considered God, because in living objects and inanimate objects have spirits, are accepted by all Muslims in Indonesia, so that the belief in the one and only God who is dynamic is used as a source of law in the Republic of Indonesia.

So, if the secularist Soekarno, thought that One Almighty God, referring to "*...He is Allah, the Almighty (Al Ikhlas: 112: 1)*", then the source of law in the Republic of Indonesia is the source of "*...law...what Allah has revealed...(Al Maa'idah: 5: 49)*".

However, in reality, the sources of law in the Republic of Indonesia is nationalism, internationalism, democracy, socialism-communism, One Almighty God-dynamism-animism.

Now, Indonesian Islamic scholars do not understand that Islam has been separated from the state, even though the majority of the people are Muslims

Now, because Indonesian Islamic scholars do not understand that Islam has been separated from the state, what is discussed in Islam has no effect on the state, government, or laws in force in the state.

So in fact, Indonesian Islamic scholars studying Islam and Islamic law are not recognized by the laws of the Republic of Indonesia.

If Indonesian Islamic scholars discuss and study Islamic law, it is only at the oral level.

Or in other words, Indonesian Islamic scholars discuss and study Islamic law only at the written level.

Now, this is what is not understood by all Indonesian Islamic scholars in the Republic of Indonesia.
