**ABSTRACT**

First of all by asking for forgiveness from Allah SWT, here I try to open the signs of the greatness of Allah Almighty about is it true Jesus is the spirit of Allah blown by Allah, just like other human beings, why should be worshiped, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA)

There are several verses that are the opening instrument of Allah's secret about is it true Jesus is the spirit of Allah blown by Allah, just like other human beings, why it should be worshiped, namely the verses:

*"And they ask you about the spirit. Say:" The spirit is the affair of my Lord, and you are not given knowledge except a little. "(Al Israa ': 17: 85)*

*"So he made a veil over them; then We sent to him Our spirit, and he appeared before him a perfect man. (Maryam: 19: 17)*

*"He said:" I am only a messenger of your Lord, to give you a pure son. "(Maryam: 19: 19)*

*"Gabriel said:" Thus. "Your Lord said:" It is easy for Me; and that We may make it a sign for mankind and a mercy from Us; and that is a matter that has been decided. "(Maryam: 19: 21)*

*"Then He perfected and breathed into it His Spirit and He made for you hearing, sight and hearts; you are a little grateful. (As Sajdah: 32: 9)*

*"And Maryam who guarded her chastity, then We breathed into her a spirit from Us and We made her and her son a great sign for the worlds. (Al Anbiyaa ': 21: 91)*

*"And Maryam bint Imran who kept her chastity, so We breathed into her womb some of Our spirit, and she confirmed the words of her Lord and His Books, and she was of the obedient. (At-Tahrim: 66: 12)*

*"So when I have perfected his creation, and have breathed into him My spirit, then bow down to him in prostration (Al Hijr: 15: 29)*

*"And verily We brought the Book unto Musa, and We followed it after it with messengers, and We gave proofs of truth to Jesus son of Mary, and We strengthened him with the Holy Spirit. Does every messenger come to you with something that (Al Baqarah: 2: 87)*

*"And if We had made the messenger an angel, We would certainly have made him a man, and We would certainly have doubted over them what they doubt about themselves (Al An'aam: 6: 9)*

*"So when I have finished his creation and breathed into him of My Spirit, then you shall fall down and prostrate yourselves before him." (Shaad: 38: 72)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein, (Qaaf: 50: 16)*

In an effort to unveil Allah's secret about is it true Jesus is the spirit of Allah blown by Allah, just like any other human being, why should it be worshiped, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acid.

## HYPOTHESE

Here I hypothesize that Jesus is the spirit of Allah blown by Allah, just like any other human being. Jesus is worshiped, because of the decision of the emperor Constantine - 325 years after Jesus died - in Nicaea or in Iznik Turkey, which ruled that Jesus was the son of God and considered God, if the decision is now considered wrong, then the teaching that emphasizes believing in Jesus as a son of God will be lost, based on Deoxyribonucleic acid (DNA)

## DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T). Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms.

## WHAT ACTUALLY IS CALLED BY THE HOLY SPIRIT THAT WAS INTO THE BODY OF JESUS THROUGH HIS MOTHER'S WOMB, MARYAM

Now, we still continue to focus our minds to reveal the secret hidden behind the verse: *"... We breathed into her womb some of our spirits... (At Tahrim: 66: 12)"... We strengthened it with the Holy Spirit...(Al Baqarah: 2: 87)"...Our spirit...incarnated before Maryam a perfect human (Maryam: 19:17)"...I have...blowed into it my spirit... (Al Hijr: 15:29)*

Apparently, Allah has declared that Allah has breathed *"...the spirit of Allah...(At Tahrim: 66:12) "...into Maryam's womb...(At Tahrim: 66:12) or in other words, Allah "...strengthen it with Ruh Qudus (Holy spirit)...(Al Baqarah: 2:87)*

Now, what Allah has declared, shows that Jesus is actually no different from any other human being who was born into the world, namely *"... I breathed into him my spirit... (Shaad: 38: 72)*

So, actually *"...The Holy Spirit...(Al Baqarah: 2:87) is "...the spirit of Allah...(At Tahrim: 66:12) or "...my spirit...(Shaad: 38:72)*

## WHAT IS THE REASON, JESUS IS WORSHED AND CONSIDERED AS THE SON OF GOD, BUT JESUS IS THE SAME AS OTHER HUMANS IN THE WORLD

Now, here, the secret, is not the secret of Allah, but the secret of the Emperor Constantine who decided, 325 years after Jesus died, in Nicaea or in Iznik Turkey, that Jesus was the son of God and was considered God.

So, actually, the secret, why Jesus is considered the son of God and also considered a god, because the Emperor Constantine who decides. At that time, all the followers of Jesus submitted to Emperor Constantine.

Now it has been revealed, the secret, why Jesus is considered the son of God and at the same time is considered God. Actually, in the blink of an eye, the Emperor Constantine's decision could be erased, but if it was removed, where would most of the people who believe in Jesus the son of God go.

## CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: "*... We breathed into her womb some of our spirits... (At Tahrir: 66: 12)*" "*... We strengthened it with the Holy Spirit ... (Al Baqarah: 2: 87)*" "*...Our spirit...incarnated before Maryam a perfect human (Maryam: 19:17)*" "*...I have...blowed into it my spirit... (Al Hijr: 15:29)*

Apparently, Allah has declared that Allah has breathed "*...the spirit of Allah... (At Tahrir: 66:12)*" "*...into Maryam's womb... (At Tahrir: 66:12)* or in other words, Allah "*...strengthen it with Ruh Qudus (Holy spirit)... (Al Baqarah: 2:87)*

Now, what Allah has declared, shows that Jesus is actually no different from any other human being who was born into the world, namely "*... I breathed into him my spirit... (Shaad: 38: 72)*

So, actually "*...The Holy Spirit... (Al Baqarah: 2:87)* is "*...the spirit of Allah... (At Tahrir: 66:12)* or "*...my spirit... (Shaad: 38:72)*

Now, here, the secret, is not the secret of Allah, but the secret of the Emperor Constantine who decided, 325 years after Jesus died, in Nicaea or in Iznik Turkey, that Jesus was the son of God and was considered God.

So, actually, the secret, why Jesus is considered the son of God and also considered a god, because the Emperor Constantine who decides. At that time, all the followers of Jesus submitted to Emperor Constantine.

Now it has been revealed, the secret, why Jesus is considered the son of God and at the same time is considered God. Actually, in the blink of an eye, the Emperor Constantine's decision could be erased, but if it was removed, where would most of the people who believe in Jesus the son of God go.
