ABSTRACT

Before the author writes down the issue is it true, all humans in the world eat, drink and breathe Allah's spirit, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about is it true, all humans in the world eat, drink and breathe Allah's spirit, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about is it true, all humans in the world eat, drink and breathe Allah's spirit, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"Then eat lawful and good from the sustenance that Allah has given you; and be grateful for Allah's favor, if you worship Him alone. (An Nahl: 16: 114)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"The angels and Gabriel ascended to God in a day the measure of which was fifty thousand years (Al Ma'aarij: 70: 4)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily, Allah is All-Wise and All-Knowing. (Al Baqarah: 2: 115)

"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"Didn't We create you from despicable water (Al Mursalaat: 77:20)

"Then We made the essence of semen in a solid place. (Al Mu'minuun: 23:13)

"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)

"And does man not notice that We created him from a drop of water, then suddenly he becomes a real challenger (Yaasiin: 36: 77)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

And He who created the skys and the earth in six days, and His throne is over the water, so that He might test which of you is better in deed, and if you say, "Indeed, you will be resurrected after death", surely those who disbelieve will said: "This is nothing but real magic" (Huud: 11:7)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

In an effort to open the veil of Allah's secret about is it true, all humans in the world eat, drink and breathe Allah's spirit, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes a hypothesis that all humans in the world eat, drink and breathe Allah's spirit, because whatever is in the seven skys and everything in it is built with "...my spirit...(Shaad: 38: 72) or "...Allah's spirit...(Shaad : 38:72), based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms.

Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

IS IT TRUE, ALL HUMANS IN THE WORLD EATING, DRINKING AND BREATHING ALLAH'S SPIRIT

Well now, we are still concentrating on dismantling the secrets contained behind the verse: *"... eat lawful and good from the sustenance that Allah has given you... (An Nahl: 16: 114)"... We created you from despised water (Al Mursalaat: 77: 20) "... He who created the skys and the earth in six times and His throne is on the water... (Hud: 11: 7)*

Well, it turns out that here Allah has declared *"... Allah created the skys and the earth... and Allah's throne is above the water... (Hud: 11: 7)"... eat lawful and good...(An Nahl: 16:114)*

Now the question arises,

Why did Allah declare *"...eat lawful and good...(An Nahl: 16:114)"...Allah's throne on the water... (Hud: 11:7) ?*

Well, the answer is in the secret *"...on the water...(Hud : 11: 7)*

What's in the *"...water...(Hud: 11:7) ?*

The answer is, water contains hydrogen atoms and oxygen atoms. Or in other words, in the water it contains *"...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72)*

Well, now, anything that is eaten, drunk, and inhaled by all humans in the world, contains hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Or in other words whatever is eaten, drunk, and inhaled by all humans in the world, contains *"...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72)*

This is the secret of Allah, which all humans living in the world still do not understand.

So, actually, all humans in the world eat, drink and inhale *"...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72)* but people do not understand .

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verse: *"... eat lawful and good from the sustenance that Allah has given you... (An Nahl: 16: 114)"... We created you from despised water (Al Mursalaat: 77: 20) "... He who created the skys and the earth in six times and His throne is on the water... (Hud: 11: 7)*

Well, it turns out that here Allah has declared *"... Allah created the skys and the earth... and Allah's throne is above the water... (Hud: 11: 7)"... eat lawful and good...(An Nahl: 16:114)*

Now the question arises,

Why did Allah declare *"...eat lawful and good...(An Nahl: 16:114)"...Allah's throne on the water...*

(Hud: 11:7) ?

Well, the answer is in the secret "*...on the water...(Hud : 11: 7)*

What's in the "*...water...(Hud: 11:7) ?*

The answer is, water contains hydrogen atoms and oxygen atoms. Or in other words, in the water it contains "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)*

Well, now, anything that is eaten, drunk, and inhaled by all humans in the world, contains hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Or in other words whatever is eaten, drunk, and inhaled by all humans in the world, contains "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)*

This is the secret of Allah, which all humans living in the world still do not understand.

So, actually, all humans in the world eat, drink and inhale "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad: 38:72)* but people do not understand .
