**ABSTRACT**

First of all, by asking forgiveness from Allah SWT, here I try to reveal the signs of the greatness of Allah SWT regarding whether the reason put forward by most people in the world that Allah incarnated as Prophet Isa who was sent down to earth, is based on the molecular structure of nucleic acids or deoxyribonucleic acid. acid (DNA)

There are several verses that become Allah's secret unlocking tool regarding whether the reason put forward by most of the people in the world that Allah has incarnated as Prophet Isa was sent down to earth, namely the verses:

*"And they ask you about the spirit. Say: "The spirit belongs to the business of my Lord, and you are not given knowledge but a little." (Al Israa ': 17: 85)*

*"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)*

*"He said: "Indeed I am only a messenger of your Lord, to give you a pure son." (Maryam: 19: 19)*

*"Gabriel said: "So it is." Your Lord said: "That thing is easy for Me; and that We may make it a sign for mankind and as a mercy from Us; and it is a matter that has been decided." (Maryam: 19:21)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign to the worlds. (Al Anbiyaa': 21: 91)*

*"And Mary, the daughter of Imran, who kept her honor, so We breathed into her some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient ones. (At Tahrir: 66:12)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)*

*"And verily We brought the Book to Moses, and We followed after him with messengers, and We gave evidences of truth to Jesus the son of Mary and We strengthened it with the Holy Spirit. Does every messenger come to you bringing something that not according to your desires and you are arrogant; then you deny some people and kill some people? (Al Baqarah: 2:87)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"So when I have perfected the event and I have breathed into it My spirit; then you should fall down prostrating to it." (Shaad: 38:72)*

***"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)***

In an effort to open the veil of Allah's secret regarding whether the reason put forward by most people in the world that Allah incarnated as Prophet Isa who was sent down to earth, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESES**

Here I propose the hypothesis that Allah breathed "*...to him my spirit...(Shaad: 38:72)* does not mean that Allah has incarnated into a human being, seen from the basic point of Deoxyribonucleic acid (DNA)

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **WHAT REALLY IS THE REASON, MOST PEOPLE IN THE WORLD BELIEVE THAT ALLAH TRANSFORMED INTO THE PROPHET ISA, WHEN ALLAH BLOWS MY SPIRIT ON THE PROPHET ISA**

Now, we still continue to focus our minds in order to uncover the secrets hidden behind the verse: "*... We breathed into her womb some of our spirits... (At Tahrir: 66:12)*

Apparently, what Allah declared "*... We breathed into her womb some of Our spirits... (At Tahrir: 66:12)* was used as an excuse by most of the people in the world, that Allah incarnated as Prophet Isa and was sent down to earth .

In fact, what is actually meant by "*...Our spirit...(At Tahrir: 66:12)* by Allah is "*...Our spirit...(At Tahrir)* which was originally formed by Allah's energy into quarks and quarks form hydrogen atoms, and other atoms that will form the building blocks of the universe and its contents.

So, actually "*...Our spirit...(At Tahrir : 66:12)* is made up of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms.

However, by most humans in the world it is considered that when Allah breathed "*...into her womb a part of our spirit... (At Tahrir: 66:12)* is the same as Allah incarnated into Prophet Isa.

Or in other words, Allah became human.

**MOST PEOPLE IN THE WORLD THINK ABOUT ALLAH CHANGE INTO THE PROPHET ISA IS THE ASSUMPTION THAT HAVE NO STRONG REASON, BECAUSE IT WAS DECIDED BY EMPEROR CONSTANTINE IN TURKEY YEAR 325 AFTER THE PROPHET ISA DIED**

Now, most people in the world, find it difficult to solve the way out between Allah and Prophet Isa and "...*Our spirit... (At Tahrir: 66:12)* how exactly Prophet Isa was born through "...*Our spirit.. (At Tahrir: 66:12)* which is blown "...*in the Maryam's womb... (At Tahrir: 66:12)*

Finally, some people under the emperor Constantine decided 325 years after Prophet Isa died in Nicaea or in Iznik Turkey, that Prophet Isa was the son of God and was considered God. Or in other words, Allah incarnated as Prophet Isa. "...*Our spirit... (At Tahrir: 66:12)* which is called the holy spirit is also God. So, some people under the emperor Constantine decided that there is God father, there is God son and there is holy spirit.

In fact, actually "...*Our spirit... (At Tahrir: 66:12)* which is blown "...*in the Maryam's womb... (At Tahrir: 66:12)* is not much different from "... *I blow to... (Shaad: 38:72)* all humans born into the world "...*My spirit... (Shaad: 38:72)*

So, actually the one who raised Prophet Isa as the son of God and the holy spirit as God was the emperor Constantine who was ruling in Turkey at that time. Then some of the humans who were under the emperor Constantine simply agreed to it.

**IF THE HOLY SPIRIT OR MY SPIRIT BLOWED BY ALLAH ON THE PROPHET ISA IS NO LONGER CONSIDERED AS GOD, THEN THE TEACHINGS OF GOD FATHER, GOD SON AND THE HOLY SPIRIT WILL BE LOST IN THIS WORLD**

Now, it is open now, that if the holy spirit which is one of the three foundations of God Father, God son and the holy spirit, is deemed not to be God, then belief in the three foundations of God Father, God son and the holy spirit will be lost in this world.

**CONCLUSION**

Based on the description above, we can conclude that the secrets hidden behind the verse: "... *We breathed into her womb some of our spirits... (At Tahrir: 66:12)*

Apparently, what Allah declared "... *We breathed into her womb some of Our spirits... (At Tahrir: 66:12)* was used as an excuse by most of the people in the world, that Allah incarnated as Prophet Isa and was sent down to earth .

In fact, what is actually meant by "...*Our spirit... (At Tahrir: 66:12)* by Allah is "...*Our spirit... (At Tahrir)* which was originally formed by Allah's energy into quarks and quarks form hydrogen atoms, and other atoms that will form the building blocks of the universe and its contents.

So, actually "...*Our spirit... (At Tahrir : 66:12)* is made up of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms.

However, by most humans in the world it is considered that when Allah breathed "...*into her womb a part of our spirit... (At Tahrir: 66:12)* is the same as Allah incarnated into Prophet Isa.

Or in other words, Allah became human.

Now, most people in the world, find it difficult to solve the way out between Allah and Prophet Isa and "...*Our spirit...*(*At Tahrir: 66:12*) how exactly Prophet Isa was born through "...*Our spirit..* (*At Tahrir: 66:12*) which is blown "...*in the Maryam's womb...*(*At Tahrir: 66:12*)

Finally, some people under the emperor Constantine decided 325 years after Prophet Isa died in Nicaea or in Iznik Turkey, that Prophet Isa was the son of God and was considered God. Or in other words, Allah incarnated as Prophet Isa. "...*Our spirit...*(*At Tahrir: 66:12*) which is called the holy spirit is also God. So, some people under the emperor Constantine decided that there is God father, there is God son and there is holy spirit.

In fact, actually "...*Our spirit...*(*At Tahrir: 66:12*) which is blown "...*in the Maryam's womb...*(*At Tahrir: 66:12*) is not much different from "... *I blow to...*(*Shaad: 38:72*) all humans born into the world "...*My spirit...*(*Shaad: 38:72*)

So, actually the one who raised Prophet Isa as the son of God and the holy spirit as God was the emperor Constantine who was ruling in Turkey at that time. Then some of the humans who were under the emperor Constantine simply agreed to it.

Now, it is open now, that if the holy spirit which is one of the three foundations of God Father, God son and the holy spirit, is deemed not to be God, then belief in the three foundations of God Father, God son and the holy spirit will be lost in this world.
