ABSTRACT

First of all, by asking forgiveness from Allah SWT, here I am trying to reveal the signs of Allah SWT's greatness about the truth, Allah knows, my spirit cannot control the mind, if the mind gives in to the desire to be together, during the month of Ramadan, based on the molecular structure of acids nucleic acid or deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tools regarding what is true, Allah knows, my spirit cannot control the mind, when the mind gives in to the desire to be together, during the month of Ramadan, namely the verses:

"And they ask you about the spirit. Say: "The spirit belongs to the business of my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"So he put a veil from them; then We sent Our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"He said: "Indeed I am only a messenger of your Lord, to give you a pure son." (Maryam: 19: 19)

"Gabriel said: "So it is." Your Lord said: "That thing is easy for Me; and that We may make it a sign for mankind and as a mercy from Us; and it is a matter that has been decided." (Maryam: 19:21)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And Mary, who kept her honor, then We breathed into her a spirit from Us, and We made her and her child a great sign to the worlds. (Al Anbiyaa': 21: 91)

"And Mary, the daughter of Imran, who kept her honor, so We breathed into her some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient ones. (At Tahrim: 66:12)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)

"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"So when I have perfected the scene and I breathed into him My spirit; then you should fall down prostrating to him." (Shaad: 38:72)

"Angels and spirits ascend to God in a day the measure of which is fifty thousand years (Al Ma'aarij: 70: 4)

"O you who have believed, fasting is prescribed for you as it was prescribed for those before you

so that you may become pious." (Al Baqarah: 2:183)

"It is lawful for you on the night of the fasting month to mix with your wives; they are clothes for you, and you are clothes for them. Allah knows that you cannot restrain your lust, so Allah forgives you and forgives you. So now mix them and follow what Allah has ordained for you, and eat and drink until the white thread is clear to you from the black thread, namely dawn. Then complete the fast until night, do not interfere with them, while you are doing i'tikaf in the mosque. That is the prohibition Allah, so do not approach him. Thus Allah explains His verses to people, so that they may become pious. (Al Baqarah: 2: 187)

"So be patient with what they say, and glorify with the praise of your Lord, before the sun rises and before it sets, and glorify at the times of the night and during the day, so that you may be happy." 130)

"And to Him be all praise in the heavens and the earth and when you are in the evening and when you are at the time of Zuhr (Ar Ruum: 30: 18)

"Establish prayer from after the sun has slipped until it is dark at night and at dawn. Verily, the dawn prayer is witnessed. (Al Israa ': 17: 78)

"By the time. (Al Asr: 103: 1) "Verily man is really in loss (Al Asr: 103: 2)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in the truth.(Al Baqarah: 2:186)

"The seven skys, the earth and all that is in it glorify Allah. And there is nothing but glorify Him by praising Him, but you all do not understand their prayer beads. Indeed, He is Most Forbearing, Most Forgiving. (Al Israa': 17 :44)

"O mankind, if you are in doubt about the resurrection, then indeed We have created you from clay, then from a drop of semen, then from a clot of blood, then from a lump of flesh which is perfect and imperfect, so that We may explain it to you and determine in the womb, what We will until a predetermined time, then We bring you out as babies, then you come to maturity, and some of you are passed away and some of you have extended their life to senility, so that he will no longer know anything that is wrong. he knew before. And you see the earth is dry, then when We send down water on it, the earth lives and is fertile and grows all kinds of beautiful plants. (Al Hajj: 22: 5)

"Didn't We create you from despicable water (Al Mursalaat: 77:20)

"Then We made the essence of semen in a solid place. (Al Mu'minuun: 23:13)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"O mankind, indeed We created you from a male and a female and made you into nations and tribes so that you may know one another. Verily, the most honorable among you in the sight of Allah is the one who is most pious among you. Verily, Allah is All-Knowing, All-Knowing.(Al Hujuraat: 49:13)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

In an effort to open the veil of Allah's secret about what is true, Allah knows, "... my spirit..."

(Shaad: 38: 72) can't control the mind, when the mind gives in to the desire to be together, during the month of Ramadan, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESES

Here I put forward the hypothesis that Allah knows, *"... my spirit..." (Shaad: 38: 72)* cannot control the mind, if the mind surrenders to the desire to be together, during the month of Ramadan, therefore Allah forgives humans who have the desire to with his wife during the night of the month of Ramadan, seen from the basic point of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

ALLAH KNOWS THAT HUMANS CANNOT HOLD THE URGE AND DESIRE TO BE WITH WIFE, DURING THE NIGHT OF RAMADHAN, THEREFORE ALLAH FORGIVES

Now, we still continue to focus our minds in order to uncover the secrets hidden behind the verses: *"It is lawful for you on the night of the fasting month to mix with your wives... Allah knows that you cannot restrain your lust...(Al Baqarah : 2: 187)*

Apparently, here it is clearly revealed, that in fact Allah *"...has made you from clay, then from a drop of semen... (Al Hajj: 22: 5) then stored "...in a solid place. (Al Mu'minun: 23:13)*

Well, because humans were created by Allah to *"...make you into nations and tribes so that you may know one another...(Al Hujuraat: 49:13)*

Now, the purpose of Allah with the creation of Adam is so that Adam's descendants develop into *"...nations and tribes so that you may know one another...(Al Hujuraat: 49:13)*

So, with the urge and desire to develop a family, the urge and desire to be with his wife knows no time, anytime.

Well, with the encouragement and desire of humans to develop this family, Allah has already established it.

Therefore, if there is an urge and desire to be with his wife during the night of Ramadan, Allah has made it lawful *"... for you at night the month of fasting is mixed with your wives... Allah knows that you cannot restrain your lust...(Al Baqarah : 2: 187)*

Indeed, man cannot resist the urge and desire to be with his wife. Allah knows about human desires and impulses. Therefore, on the night of Ramadan, Allah gives freedom to humans to be with their

wives. *"It is lawful for you on the night of the month of fasting to be mixed with your wives... (Al Baqarah: 2: 187)*

CONCLUSION

Based on the description above, we can conclude that the secrets hidden behind the verses: *"It is lawful for you on the night of the fasting month to mix with your wives... Allah knows that you cannot restrain your lust...(Al Baqarah : 2: 187)*

Apparently, here it is clearly revealed, that in fact Allah *"...has made you from clay, then from a drop of semen... (Al Hajj: 22: 5) then stored "...in a solid place. (Al Mu'minun: 23:13)*

Well, because humans were created by Allah to *"...make you into nations and tribes so that you may know one another...(Al Hujuraat: 49:13)*

Now, the purpose of Allah with the creation of Adam is so that Adam's descendants develop into *"...nations and tribes so that you may know one another...(Al Hujuraat: 49:13)*

So, with the urge and desire to develop a family, the urge and desire to be with his wife knows no time, anytime.

Well, with the encouragement and desire of humans to develop this family, Allah has already established it.

Therefore, if there is an urge and desire to be with his wife during the night of Ramadan, Allah has made it lawful *"... for you at night the month of fasting is mixed with your wives... Allah knows that you cannot restrain your lust...(Al Baqarah : 2: 187)*

Indeed, man cannot resist the urge and desire to be with his wife. Allah knows about human desires and impulses. Therefore, on the night of Ramadan, Allah gives freedom to humans to be with their wives. *"It is lawful for you on the night of the month of fasting to be mixed with your wives... (Al Baqarah: 2: 187)*
