ABSTRACT

Before I write down the problem, there are still many people worshipping my spirit which is in humans, animals, rocks, plants, stars, the sun, even though it is Allah who gave birth to Allah's energy and my spirit, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret that there are still many people worshipping my spirit which is in humans, animals, rocks, plants, stars, the sun, even though it is Allah who gave birth to Allah's energy and my spirit, from the point of view of the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about many people worshipping my spirit which is in humans, animals, stones, plants, stars, the sun, even though it is Allah who gave birth to Allah's energy and my spirit, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth (Al Baqarah: 2: 186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"Allah did not create and resurrect you except as one soul. Indeed, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"And among His signs is that you see the earth dry and arid, so when We send down water on it, it will surely move and thrive. Indeed, God Who gives life to it, surely can bring back the dead... (Fushshilat: 41: 39)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"Verily your Lord is Allah Who created the heavens and the earth in six days, then He resided above the Throne. He closed the night to the day which followed quickly, and the sun, moon and stars submit to His command. Remember, creating and ruling is only Allah's right. Glory be to Allah, Lord of the worlds. (Al A'raaf: 7: 54)

"And Mary, the daughter of Imran, who kept her honor, so We breathed into her some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient ones. (At Tahrīm: 66:12)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

In an effort to open the veil of Allah's secret about many people worshipping my spirit which is in humans, animals, rocks, plants, stars, the sun, even though it is Allah who gave birth to Allah's energy and my spirit, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or molecular structure nucleic acid.

HYPOTHESIS

Here I propose a hypothesis because *"...my spirit...(Shaad: 38:72)* is in humans, animals, stones, plants, stars, the sun, so humans worship humans, animals, stones, plants, stars, the sun, viewed from the perspective of Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

MY SPIRIT IS WITHIN HUMANS, ANIMALS, STONES, PLANTS, STARS, SUN AND IN THE UNIVERSE

Now, we are still focusing our minds on uncovering the secrets contained behind the verse: *"...I perfected what happened and I breathed into him my spirit...(Shaad: 38:72)*

It turns out that Allah has declared that Allah has breathed *"... My spirit... (Shaad: 38: 72)* into human beings.

Now, the question arises,

Does Allah only breathe *"...my spirit...(Shaad: 38:72)* into human beings only?

The answer is,

Hidden in the secret behind the verse: *"... Allah has created the skys and the earth in six days... (Al A'raaf: 7: 54)*

Well, it turns out that here Allah has explained that *"... the skys and the earth... (Al A'raaf: 7: 54)* including all their contents were created by Allah.

Now, *"...the skys and the earth...(Al A'raaf : 7: 54)* are created from hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Where hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms are formed because of the quark which is the nucleus of these atoms.

Now, now oxygen atoms, hydrogen atoms, carbon atoms and nitrogen atoms are the building blocks of *"...my spirit...(Shaad : 38: 72)*

Or in other words, from the start of the skys and the earth and all that is in them it contains *"... my spirit... (Shaad: 38: 72)*

BECAUSE MY SPIRIT IS WITHIN HUMANS, ANIMALS, STONES, PLANTS, STARS, SUN, HUMANS WORSHIP IT

Now the question arises,

Why do humans worship humans, animals, rocks, plants, stars, the sun?

The answer is,

Because in humans, animals, stones, plants, stars, the sun there is *"... my spirit... (Shaad: 38: 72)*

HUMANS DON'T UNDERSTAND THAT ALLAH CREATED MY SPIRIT

Now, because humans do not understand that Allah created *"...my spirit...(Shaad: 38:72)* through Allah's energy, humans worship stones in the form of statues, animals, plants, stars and the sun.

Even humans worship humans, just as humans worship Isa son of Maryam, because it is considered that Isa son of Maryam was born because of *"... My spirit... (Shaad: 38: 72)* which Allah *"... breathed into her womb some of our spirit. ..(At Tahrir : 66:12)*

ALLAH CANNOT BE ASSOCIATED

Now, Allah is *"He is the First ... (Al Hadiid: 57: 3)* because Allah with the energy of Allah gave birth to quarks, where these quarks are hydrogen atoms and other atoms are the building blocks of the universe and all its contents.

Because it is Allah who gave birth to Allah's energy which is the source of life for the universe and everything in it, including humans, it is only Allah who gives birth to Allah's energy to form quarks.

So, Allah is the only source of Allah's energy to *"...create the skys and the earth...(Al A'raaf: 7: 54)*

Therefore, Allah has no partners, and humans who do not understand about Allah making partners, such as humans worship humans, animals, stones, plants, stars, the sun because in them is *"... My spirit... (Shaad: 38) : 72)* whereas what gave birth to *"... my spirit... (Shaad : 38: 72)* is Allah's energy which comes from Allah.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verse: *"...I perfected what happened and I breathed into him my spirit...(Shaad: 38:72)*

It turns out that Allah has declared that Allah has breathed *"... My spirit... (Shaad: 38: 72)* into human beings.

Now, the question arises,

Does Allah only breathe *"...my spirit...(Shaad: 38:72)* into human beings only?

The answer is,

Hidden in the secret behind the verse: *"... Allah has created the skys and the earth in six days... (Al A'raaf: 7: 54)*

Well, it turns out that here Allah has explained that *"... the skys and the earth... (Al A'raaf: 7: 54)* including all their contents were created by Allah.

Now, *"...the skys and the earth...(Al A'raaf : 7: 54)* are created from hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Where hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms are formed because of the quark which is the nucleus of these atoms.

Now, now oxygen atoms, hydrogen atoms, carbon atoms and nitrogen atoms are the building blocks of *"...my spirit...(Shaad : 38: 72)*

Or in other words, from the start of the skys and the earth and all that is in them it contains *"... my spirit... (Shaad: 38: 72)*

Now the question arises,

Why do humans worship humans, animals, rocks, plants, stars, the sun?

The answer is,

Because in humans, animals, stones, plants, stars, the sun there is *"... my spirit... (Shaad: 38: 72)*

Now, because humans do not understand that Allah created "*...my spirit...(Shaad: 38:72)* through Allah's energy, humans worship stones in the form of statues, animals, plants, stars and the sun.

Even humans worship humans, just as humans worship Isa son of Maryam, because it is considered that Isa son of Maryam was born because of "*... My spirit... (Shaad: 38: 72)* which Allah "*... breathed into her womb some of our spirit. ..(At Tahrim : 66:12)*

Now, Allah is "*He is the First ... (Al Hadiid: 57: 3)* because Allah with the energy of Allah gave birth to quarks, where these quarks are hydrogen atoms and other atoms are the building blocks of the universe and all its contents.

Because it is Allah who gave birth to Allah's energy which is the source of life for the universe and everything in it, including humans, it is only Allah who gives birth to Allah's energy to form quarks.

So, Allah is the only source of Allah's energy to "*...create the skys and the earth...(Al A'raaf: 7: 54)*

Therefore, Allah has no partners, and humans who do not understand about Allah making partners, such as humans worship humans, animals, stones, plants, stars, the sun because in them is "*... My spirit... (Shaad: 38) : 72)* whereas what gave birth to "*... my spirit... (Shaad : 38: 72)* is Allah's energy which comes from Allah.
