ABSTRACT

Before I write down the problem that most people in the world still believe in Allah as the type of human who hears, sees and talks like humans, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret that most of the people in the world still believe in Allah as the kind of human who hears, sees and talks like humans, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about the majority of people in the world still believing in Allah as a type of human who hears, sees and speaks like humans, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"Allah did not create and resurrect you except as one soul. Indeed, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise and All-Knowing. (Al Baqarah: 2: 115)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And when Moses came at our appointed time and the Lord had spoken to him, Moses said: "My Lord, show me so that I can see You." The Lord said: "You will never be able to see Me, but behold. to the hill, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses regained consciousness, he said: "Glory be to you. , I repent to You and I am the first to believe." (Al A'raaf: 7: 143)

"Angels and spirits ascend to God in a day the measure of which is fifty thousand years (Al Ma'aarij: 70: 4)

"He arranges affairs from the heavens to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

In an effort to open the veil of Allah's secret about most of the people in the world still believe in Allah as the kind of human who hears, sees and talks like humans, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose a hypothesis that most people in the world still believe in Allah as a type of human who hears, sees and talks like humans, because from the very beginning it has been instilled in humans that Allah hears, sees and talks with humans, seen from the point of view of Deoxyribonucleic acid. (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms.

Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

HUMANS FROM THE BEGINNING HAVE IMPLEMENTED OTHER HUMANS THAT ALLAH SPEAKS DIRECTLY WITH HUMANS, ALLAH SEE DIRECTLY TO HUMANS, ALLAH HEARS DIRECTLY HUMAN REQUESTS

Now, we still continue to focus our minds to reveal the secret hidden behind the verse: "...*Moses said: "O my Lord, show me so that I can see You."...*(*Al A'raaf: 7: 143*)

It turns out, humans have immediately thought in their minds that Moses spoke to Allah, just like Moses spoke to other humans, when he read the verse above.

Well, this is where the problem that makes humans from the beginning has been implanted that Allah is a kind of human being.

Then the question arises,

Why is it written like that?

The answer is

That verse is the result of the interpretation of "... *my spirit...* (*Shaad: 38: 72*) which is in the body of an angel, when Allah conveys revelation through an angel, then the result of that interpretation is conveyed to "... *my spirit...*(*Shaad: 38: 72*) which is in the body of the Prophet Muhammad saw.

Because Allah is "*He is the First and the Last, the Outer and the Inner ...* (*Al Hadiid: 57: 3*) So here it is clearly illustrated that Allah is not a kind of human being "*He is the First and the Last...* (*Al Hadiid: 57:3*)

Because, before humans existed, Allah already existed "*He is the First...* (*Al Hadid: 57: 3*)

Likewise, after all humans die, Allah is still there "*He is the last one...* (*Al Hadid: 57: 3*)

Then, Allah's form is in the form of Allah's energy "... *he makes the mountain crumble...* (*Al A'raaf: 7: 143*) where Allah's form is in the form of energy that is "...*destroyed (right)..* (*Al A'raaf: 7: 143*) the mountain is visible to the human eye "*He is ... the Zahir ...* (*Al Hadiid: 57: 3*)

Furthermore, because the human eye's vision is limited, our eyes can only see light in the electromagnetic spectrum region between 430 and 740 nanometers. If there is light in the electromagnetic spectrum below 430 nanometers and light in the electromagnetic spectrum above 740 nanometers, our eyes cannot see the light.

Because Allah's form is in the electromagnetic spectrum area below 430 nanometers and light is in the electromagnetic spectrum region above 740 nanometers, then Allah's form cannot be seen by the human eye. So the form of Allah is called unseen or "*He is... the Inner...* (*Al Hadid: 57: 3*)

ALLAH SPEAKING, SEEING AND HEARING NOT THE SAME AS HUMANS SPEAK, SEE AND HEAR

Allah through the form of Allah in the form of Allah's energy, is not the same as the form of humans and other Allah's creatures. Allah speaks not the same as humans speak with frequency waves that can be received by human hearing.

Allah speaks using sound frequency waves at a speed of 365 259.6 km per second *"... a day whose level is a thousand years according to your calculations (As Sajdah: 32: 5)* If Allah's voice is heard by human ears, then human ears can immediately be broken , and the human head can also be broken, because of the great speed of Allah's sound, at a speed of 365 259.6 km per second.

Also, when Allah sees, not using the eyes as humans see, but Allah uses *"...Light above the light... (An Nuur: 24:35)* By using *"...Light above the light...(An-Nur: 24:35)* Allah can see wherever humans are.

When Allah hears, Allah uses the frequency waves of the layers *"... the light of the heavens and the earth... (An Nuur: 24: 35)* Whatever sound comes out in the skys and on the earth, Allah can hear it.

So, if humans have been instilled from the start that Allah speaks like humans speak, then humans will believe that Allah is like humans. *"... said Moses: "O my Lord, show me so that I can see You."... (Al A'raaf: 7: 143)*

As in the verse *"...Moses said: "O my Lord, show me so that I can see You."...(Al A'raaf: 7: 143)*

Most people think and believe that Moses spoke to Allah the same way Moses spoke to ordinary people.

This is because humans have been instilled that even though humans talk to Allah, they talk like talking to other humans.

Actually, when humans talk to Allah, it is necessary to have in mind that humans speak through *"...my spirit...(Shaad: 38:72)* which is in the human body. Later *"... my spirit... (Shaad: 38: 72)* will interpret what is spoken by humans, to be conveyed to Allah.

So humans speak through *"...my spirit...(Shaad: 38:72)* to be conveyed to Allah, because Allah is the one who *"...breathes on him my spirit...(Shaad: 38:72)*

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"...Moses said: "O my Lord, show me so that I can see You."...(Al A'raaf: 7: 143)*

It turns out, humans have immediately thought in their minds that Moses spoke to Allah, just like Moses spoke to other humans, when he read the verse above.

Well, this is where the problem that makes humans from the beginning has been implanted that Allah is a kind of human being.

Then the question arises,

Why is it written like that?

The answer is

That verse is the result of the interpretation of "... *my spirit...* (*Shaad: 38: 72*) which is in the body of an angel, when Allah conveys revelation through an angel, then the result of that interpretation is conveyed to "... *my spirit...*(*Shaad: 38: 72*) which is in the body of the Prophet Muhammad saw.

Because Allah is "*He is the First and the Last, the Outer and the Inner ...* (*Al Hadiid: 57: 3*) So here it is clearly illustrated that Allah is not a kind of human being "*He is the First and the Last...* (*Al Hadiid: 57:3*)

Because, before humans existed, Allah already existed "*He is the First...* (*Al Hadid: 57: 3*)

Likewise, after all humans die, Allah is still there "*He is the last one...* (*Al Hadid: 57: 3*)

Then, Allah's form is in the form of Allah's energy "... *he makes the mountain crumble...* (*Al A'raaf: 7: 143*) where Allah's form is in the form of energy that is "...*destroyed (right)..* (*Al A'raaf: 7: 143*) the mountain is visible to the human eye "*He is ... the Zahir ...* (*Al Hadiid: 57: 3*)

Furthermore, because the human eye's vision is limited, our eyes can only see light in the electromagnetic spectrum region between 430 and 740 nanometers. If there is light in the electromagnetic spectrum below 430 nanometers and light in the electromagnetic spectrum above 740 nanometers, our eyes cannot see the light.

Because Allah's form is in the electromagnetic spectrum area below 430 nanometers and light is in the electromagnetic spectrum region above 740 nanometers, then Allah's form cannot be seen by the human eye. So the form of Allah is called unseen or "*He is... the Inner...* (*Al Hadid: 57: 3*)

Allah through the form of Allah in the form of Allah's energy, is not the same as the form of humans and other Allah's creatures. Allah speaks not the same as humans speak with frequency waves that can be received by human hearing.

Allah speaks using sound frequency waves at a speed of 365 259.6 km per second "... *a day whose level is a thousand years according to your calculations* (*As Sajdah: 32: 5*) If Allah's voice is heard by human ears, then human ears can immediately be broken , and the human head can also be broken, because of the great speed of Allah's sound, at a speed of 365 259.6 km per second.

Also, when Allah sees, not using the eyes as humans see, but Allah uses "...*Light above the light...* (*An Nuur: 24:35*) By using "...*Light above the light...*(*An-Nur: 24:35*) Allah can see wherever humans are.

When Allah hears, Allah uses the frequency waves of the layers "... *the light of the heavens and the earth...* (*An Nuur: 24: 35*) Whatever sound comes out in the skys and on the earth, Allah can hear it.

So, if humans have been instilled from the start that Allah speaks like humans speak, then humans will believe that Allah is like humans. "... *said Moses: "O my Lord, show me so that I can see You."*... (*Al A'raaf: 7: 143*)

As in the verse "...*Moses said: "O my Lord, show me so that I can see You."*...(*Al A'raaf: 7: 143*)

Most people think and believe that Moses spoke to Allah the same way Moses spoke to ordinary people.

This is because humans have been instilled that even though humans talk to Allah, they talk like talking to other humans.

Actually, when humans talk to Allah, it is necessary to have in mind that humans speak through "*...my spirit...(Shaad: 38:72)*" which is in the human body. Later "*... my spirit... (Shaad: 38: 72)*" will interpret what is spoken by humans, to be conveyed to Allah.

So humans speak through "*...my spirit...(Shaad: 38:72)*" to be conveyed to Allah, because Allah is the one who "*...breathes on him my spirit...(Shaad: 38:72)*"
