ABSTRACT

Before the author writes down the problem, most people still don't realize and still have difficulty knowing Allah is in the human body at all times, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about most of the people who are still not aware and still find it difficult to know Allah is in the human body at all times, based on Deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool about most people who are still not aware and still find it difficult to know Allah is in the human body at all times, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth (Al Baqarah: 2: 186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"Indeed, We have adorned the skys near the stars, and We have made the stars casters of the devil, and We have prepared for them the torment of a fiery hell. (Al Mulk: 67: 5)

"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa': 21:16)

"So He made it seven heavens in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)

"Allah created the skys and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"And Mary, the daughter of Imran, who kept her honor, so We breathed into her some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient ones. (At Tahrir: 66:12)

"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)

"He brings out the living from the dead and brings out the dead from the living and gives life to the earth after its death. And in this way you will be brought out (Ar Ruum: 30: 19)

"It is He Who created the skys and the earth in six days: Then He resides on the Throne. He knows what enters the earth and what comes out of it and what descends from the heavens and what ascends to Him. And He is with you in wherever you are. And Allah is All-Seeing of what you do. (Al Hadid: 57:4)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about most people who are still not aware and still find it difficult to know Allah is in the human body at any time, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes a hypothesis that humans are still not aware and still have difficulty knowing that Allah is in the human body at all times, because the human mind does not understand yet

"...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) exists in the human body, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

ALLAH IS NOT PERMANENT, BUT CHANGES DEPENDING ON WHERE ALLAH IS

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"...wherever you face there is the face of Allah... (Al Baqarah: 2:115) "...I breathed into him my spirit.. (Shaad: 38:72)"... We are closer to him than his jugular vein...(Qaf: 50:16)*

Apparently, Allah has declared and has revealed Allah's form Himself *"... wherever you turn there is the face of Allah... (Al Baqarah: 2: 115)*

Well, the meaning here is, Allah's form can be in any form, depending on where Allah is.

So, in fact Allah's form is not fixed, unlike what most people imagine, where humans imagine Allah with a permanent Allah's form, located in a certain place. This is the human mind that must be changed, that in fact Allah's form is not fixed, but depends on where Allah is.

Now, if most people have realized that Allah's form is not permanent, but changes and is everywhere, including in the human body, then humans will understand that in fact Allah is always near humans and in the human body.

Well, if humans have realized and understood that Allah's form is in humans, then humans will always remember Allah and always be on the path that has been outlined by Allah.

"...wherever you turn there is the face of Allah...(Al Baqarah: 2:115) shows that Allah's energy, Allah's particles and *"...Allah's spirit...(Shaad : 38: 72)* are Allah's form. Or in other words, wherever the human eye looks, there is Allah's energy, Allah's particles and *"...Allah's spirit...(Shaad : 38: 72)* which forms Allah's form.

When humans look at their own bodies, then in the human body itself there is the energy of Allah, the particles of Allah and *"...Allah's spirit...(Shaad : 38: 72)* which forms the form of Allah.

Well, this is the secret of Allah that is still not realized and not understood by most people in this world.

Why do most people do not realize and do not understand that Allah is actually always in the human body?

The answer is

Humans are still shackled by *"... He resides on the 'arsy... (Al Hadiid: 57: 4)*

Well, here most people imagine that Allah is in a place far from the human body and far beyond the earth.

Errors in thinking this model, which makes humans do not realize and do not understand that actually Allah with Allah's energy, Allah's particles and *"...Allah's spirit ... (Shaad: 38: 72)* is in the human body.

If humans have realized and have understood that Allah's energy, Allah's particles and *"...Allah's spirit ... (Shaad: 38: 72)* are everywhere including in the human body, then humans have reached the highest level to see, meet and talk directly to Allah.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"...wherever you face there is the face of Allah... (Al Baqarah: 2:115)* *"...I breathed into him my spirit.. . (Shaad: 38:72)"...We are closer to him than his jugular vein...(Qaf: 50:16)*

Apparently, Allah has declared and has revealed Allah's form Himself *"... wherever you turn there is the face of Allah... (Al Baqarah: 2: 115)*

Well, the meaning here is, Allah's form can be in any form, depending on where Allah is.

So, in fact Allah's form is not fixed, unlike what most people imagine, where humans imagine Allah with a permanent Allah's form, located in a certain place. This is the human mind that must be changed, that in fact Allah's form is not fixed, but depends on where Allah is.

Now, if most people have realized that Allah's form is not permanent, but changes and is everywhere, including in the human body, then humans will understand that in fact Allah is always near humans and in the human body.

Well, if humans have realized and understood that Allah's form is in humans, then humans will always remember Allah and always be on the path that has been outlined by Allah.

"...wherever you turn there is the face of Allah...(Al Baqarah: 2:115) shows that Allah's energy, Allah's particles and *"...Allah's spirit...(Shaad : 38: 72)* are Allah's form. Or in other words, wherever the human eye looks, there is Allah's energy, Allah's particles and *"...Allah's spirit...(Shaad : 38: 72)* which forms Allah's form.

When humans look at their own bodies, then in the human body itself there is the energy of Allah, the particles of Allah and *"...Allah's spirit...(Shaad : 38: 72)* which forms the form of Allah.

Well, this is the secret of Allah that is still not realized and not understood by most people in this world.

Why do most people do not realize and do not understand that Allah is actually always in the human body?

The answer is

Humans are still shackled by *"... He resides on the 'arsy... (Al Hadiid: 57: 4)*

Well, here most people imagine that Allah is in a place far from the human body and far beyond the earth.

Errors in thinking this model, which makes humans do not realize and do not understand that actually Allah with Allah's energy, Allah's particles and *"...Allah's spirit ... (Shaad: 38: 72)* is in the human body.

If humans have realized and have understood that Allah's energy, Allah's particles and *"...Allah's spirit ... (Shaad: 38: 72)* are everywhere including in the human body, then humans have reached the highest level to see, meet and talk directly to Allah.
