ABSTRACT

Before the author wrote the problem, most people knew that Allah existed, by looking at His creation, but some people didn't understand how Allah existed, most people knew that Allah existed, by looking at His creation, but some people didn't understand how Allah existed. Here the author tries to open the veil that hides the secret about most humans knowing Allah exists, by looking at His creation, but some people do not understand how Allah exists, based on Deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool about most people knowing Allah exists, by looking at His creation, but some people don't understand how Allah exists, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"Indeed, We have adorned the skys near the stars, and We have made the stars casters of the devil, and We have prepared for them the torment of a fiery hell. (Al Mulk: 67: 5)*

*"And We did not create the heavens and the earth and everything between them by playing around (Al Anbiyaa': 21:16)*

*"So He made it seven skys in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)*

*"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)*

*"Allah, there is no god but He Who Lives eternally and continually takes care of; neither sleeps nor sleeps. To Him belongs what is in the heavens and the earth. No one can intercede with Allah without His permission? Allah knows what is before them and behind them, and they know nothing of Allah's knowledge except what He wills. Allah's seat covers the heavens and the earth. And Allah does not find it difficult to maintain them, and Allah is Most High, Most Merciful. Great.(Al Baqarah: 2:255)*

*"It is He Who created the heavens and the earth in six days: Then He resides on the Throne. He knows what enters the earth and what comes out of it and what descends from the heavens and what ascends to Him. And He is with you in wherever you are. And Allah is All-Seeing of what you do. (Al Hadid: 57:4)*

*"And when Moses came for an appointed time and the Lord had spoken to him, Moses said: "O my Lord, show me so that I can see You." The Lord said: "You will never be able to see Me, but look at the mountain, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses regained consciousness, he said: "Glory be to him. You, I repent to You and I am the first to believe (Al A'raaf: 7:143)*

*"Allah created the heavens and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

In an effort to open the veil of Allah's secret about most people knowing Allah exists, by looking at His creation, but some people do not understand how Allah exists, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes the hypothesis that humans know Allah exists, by looking at His creation, but some humans do not understand how Allah exists, based on Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

## **MOST PEOPLE KNOW ALLAH EXISTS BUT HOW ALLAH EXISTS, NOT MANY HUMANS KNOW HIM**

Now, we are still focusing our minds on uncovering the secrets contained behind the verses: *"...When his Lord appeared to the mountain, he made the mountain crumble... (Al A'raaf: 7: 143)". ..He Who Lives Eternally...(Al Baqarah: 2:255)*

Apparently, Allah has declared that Allah's form is visible through Allah's energy *"... the mountain crumble... (Al A'raaf: 7: 143)*

Well, most people know that God exists, because of the existence of *"...the mountain crumble... (Al A'raaf: 7: 143)*

It means, *"...the mountain crumble... (Al A'raaf: 7: 143)* because of Allah's enormous energy.

So Allah exists because of Allah's energy.

Now, the question arises, how does Allah's energy exist, where does Allah's energy come from?

Does Allah's energy come from Allah, whereas with Allah's energy, Allah exists?

Well, here, it turns out that most people find it difficult to know how Allah exists and how Allah's energy appears?

Because between Allah and Allah's energy, can not be separated.

So, why do most people find it difficult to know how Allah exists and how Allah's energy appears?

Because, most people only concentrate their minds on the current seven skys *"...He made them the seven skys in two times...(Fushshilat: 41:12)*, so they do not know how Allah's energy that exists now appears.

When in fact, *"...you... do not see in the creation of the Most Gracious God something that is not balanced...? (Al Mulk: 67: 3)*

So, most people do not understand the law *"... balanced... (Al Mulk: 67: 3)*, namely Allah's law or natural law.

Well, because of the law *"... balance... (Al Mulk: 67: 3)* this is where Allah's energy comes.

That is, these seven heavens were created over and over again by Allah with Allah's energy.

So, before the present seven skys, which we call the seven skys number 4, were created, there were already previous seven skys, which we call the seven skys number 3, but the previous seven skys, the seven skys number 3 disappeared, becoming Allah's energy.

Likewise with the previous seven skys, the seven skys number 2 , which were created, with the energy of Allah, which came from the previous seven skys, the seven skys number 1, which disappeared into the energy of Allah.

This is the secret of Allah, concerning Allah *"...making it the seven skys in two periods...(Fushshilat: 41:12)* by using the law *"...balanced...(Al Mulk: 67:3)* namely Allah's law or the law of natural.

Or in other words, how Allah *"...made the seven skys in two periods...(Fushshilat: 41:12)* with Allah's energy, repeatedly.

Likewise, if the seven skys that are now gone become the Allah's energy, then Allah will create new seven skys with Allah's energy that comes from the seven skys that are now disappearing.

When will the present seven skys disappear?

The answer after the seven skys has now reached the age of **10 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000**

Now, it has been revealed, the secret behind the verse: "*...He Who Lives Eternally... (Al Baqarah: 2:255)*"

That is, between Allah and Allah's energy can not be separated. Because of Allah's energy, Allah "*...Eternal life... (Al Baqarah: 2:255)*"

## CONCLUSION

From what is described above, it can be concluded that the secrets contained behind the verses: "*...When his Lord appeared to the mountain, he made the mountain crumble... (Al A'raaf: 7: 143)*". *...He Who Lives Eternally... (Al Baqarah: 2:255)*

Apparently, Allah has declared that Allah's form is visible through Allah's energy "*... the mountain crumble... (Al A'raaf: 7: 143)*"

Well, most people know that God exists, because of the existence of "*...the mountain crumble... (Al A'raaf: 7: 143)*"

It means, "*...the mountain crumble... (Al A'raaf: 7: 143)*" because of Allah's enormous energy.

So Allah exists because of Allah's energy.

Now, the question arises, how does Allah's energy exist, where does Allah's energy come from?

Does Allah's energy come from Allah, whereas with Allah's energy, Allah exists?

Well, here, it turns out that most people find it difficult to know how Allah exists and how Allah's energy appears?

Because between Allah and Allah's energy, can not be separated.

So, why do most people find it difficult to know how Allah exists and how Allah's energy appears?

Because, most people only concentrate their minds on the current seven skys "*...He made them the seven skys in two times... (Fushshilat: 41:12)*", so they do not know how Allah's energy that exists now appears.

When in fact, "*...you... do not see in the creation of the Most Gracious God something that is not balanced...? (Al Mulk: 67: 3)*"

So, most people do not understand the law "*... balanced... (Al Mulk: 67: 3)*", namely Allah's law or natural law.

Well, because of the law "*... balance... (Al Mulk: 67: 3)*" this is where Allah's energy comes.

That is, these seven heavens were created over and over again by Allah with Allah's energy.

So, before the present seven skys, which we call the seven skys number 4, were created, there were already previous seven skys, which we call the seven skys number 3, but the previous seven skys, the seven skys number 3 disappeared, becoming Allah's energy.

Likewise with the previous seven skys, the seven skys number 2 , which were created, with the

energy of Allah, which came from the previous seven skys, the seven skys number 1, which disappeared into the energy of Allah.

This is the secret of Allah, concerning Allah "*...making it the seven skys in two periods...(Fushshilat: 41:12)* by using the law "*...balanced...(Al Mulk: 67:3)* namely Allah's law or the law of natural.

Or in other words, how Allah "*...made the seven skys in two periods...(Fushshilat: 41:12)* with Allah's energy, repeatedly.

Likewise, if the seven skys that are now gone become the Allah's energy, then Allah will create new seven skys with Allah's energy that comes from the seven skys that are now disappearing.

When will the present seven skys disappear?

The answer after the seven skys has now reached the age of **10 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000**

Now, it has been revealed, the secret behind the verse: "*...He Who Lives Eternally...(Al Baqarah: 2:255)*

That is, between Allah and Allah's energy can not be separated. Because of Allah's energy, Allah "*...Eternal life...(Al Baqarah: 2:255)*
