**ABSTRACT**

First of all, by asking forgiveness from Allah SWT, here I try to reveal the signs of Allah SWT's greatness regarding most people still believe that my spirit which was blown by Allah to Prophet Isa and all humans, must be worshiped because my spirit is considered as God, based on the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool regarding most people still believe that my spirit which was breathed by Allah on Prophet Isa and all humans, must be worshiped because my spirit is considered God, namely the verses:

*"And they ask you about the spirit. Say: "The spirit belongs to the business of my Lord, and you are not given knowledge but a little." (Al Israa ': 17: 85)*

*"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)*

*"He said: "Indeed I am only a messenger of your Lord, to give you a pure son." (Maryam: 19: 19)*

*"Gabriel said: "So it is." Your Lord said: "That thing is easy for Me; and that We may make it a sign for mankind and as a mercy from Us; and it is a matter that has been decided." (Maryam: 19:21)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign to the worlds. (Al Anbiyaa': 21: 91)*

*"And Mary, the daughter of Imran, who kept her honor, so We breathed into her some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient ones. (At Tahrir: 66:12)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)*

*I" And verily We brought the Book to Moses, and We followed after him with messengers, and We gave evidences of truth to Jesus the son of Mary and We strengthened it with the Holy Spirit. Does every messenger come to you bringing something that not according to your desires and you are arrogant; then you deny some people and kill some people? (Al Baqarah: 2:87)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"So when I have perfected the event and I have breathed into it My spirit; then you should fall down prostrating to it." (Shaad: 38:72)*

***"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)***

In an effort to open the veil of Allah's secret regarding most humans still believe that my spirit which was breathed by Allah on Prophet Isa and all humans, must be worshiped because my spirit is considered God, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESES**

Here the author puts forward the hypothesis that humans still believe that my spirit, which was breathed by Allah into Prophet Isa and all humans, must be worshiped because my spirit is considered God, seen from the basic point of Deoxyribonucleic acid (DNA)

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **MOST PEOPLE IN THE WORLD STILL BELIEVE IN MY SPIRIT THAT THEY CALLED THE HOLY SPIRIT IS TO BE WORSHED AND CONSIDERED AS GOD**

Now, we still continue to focus our minds to reveal the secrets hidden behind the verses: *"...He perfected and breathed into it His spirit and He made for you hearing, sight and hearts... (As Sajdah: 32:9)*

Apparently, what Allah declared *"...He perfected and breathed into it His spirit...(As Sajdah: 32:9)* Allah *"...has breathed into it my spirit...(Al Hijr: 15: 29)* has been made as God by most of the people in the world, where they believe that Prophet Isa is the son of God, the father of Prophet Isa is also considered God and *"...my spirit...(Shaad: 38:72)* which was breathed by Allah to Prophet Isa and all humans who were born into the world, are called God.

Now, most of the people in the world still believe in what they call God the father, God the son, namely Prophet Isa and *"...My spirit...(Shaad: 38:72)* who is called the holy spirit.

## **ACTUALLY THE HOLY SPIRIT OR MY SPIRIT IS FORMED BY ALLAH'S ENERGY, WHERE ALLAH'S ENERGY COMES FROM ALLAH**

Now, if there are still most of the people in the world today believe in *"...my spirit...(Shaad: 38:72)* which was breathed in by Allah to the Prophet Isa and to all humans who were born into the world as God, then some most of these people do not understand and do not realize that within them is *"...my spirit...(Shaad: 38: 72)*

So, because *"...my spirit...(Shaad: 38:72)* is in all human bodies, then actually *"...My spirit...(Shaad:*

38:72) or what they call the holy spirit do not need to be considered as God.

If "...*My spirit...*(*Shaad: 38:72*) which is in all human bodies is considered as God, then every human being can be considered as God.

## **PEOPLE BELIEVE IN GOD THE FATHER, GOD THE SON AND MY SPIRIT OR THE HOLY SPIRIT IS A TRUST WITH NO STRONG REASON**

Now the secret hidden behind the verses has been revealed: "...*We breathed into her womb some of our spirits...*(*At Tahrir: 66:12*) "...*He...blows into her His spirit..* .(*As Sajdah : 32: 9*) "... *I breathed into him my spirit...* (*Shaad: 38: 72*)

Namely, "...*My spirit...*(*Shaad: 38:72*) "...*Our spirit...*(*At Tahrir: 66:12*) "...*His spirit...*(*As Sajdah: 32: 9*) is made up of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms.

So, actually hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms are not God, but the building blocks of the universe and everything in it, including humans.

## **IF THE HOLY SPIRIT OR MY SPIRIT IS NOT CONSIDERED OR NOT BELIEVE IN AS GOD, THEN DESTROY THE BASIC BELIEFS OF MOST PEOPLE WHO BELIEVE IN GOD THE FATHER, GOD THE SON AND THE HOLY SPIRIT**

Now, it is open, that if the holy spirit which is one of the three foundations of God the Father, God the son and the holy spirit, is deemed not to be God, then belief in the three foundations of God the Father, God the son and the holy spirit will disappear from the surface of the earth.

## **CONCLUSION**

Based on the description above, we can conclude that the secrets hidden behind the verses: "...*He perfected and breathed into it His spirit and He made for you hearing, sight and hearts...* (*As Sajdah: 32: 9*)

Apparently, what Allah declared "...*He perfected and breathed into it His spirit...*(*As Sajdah: 32:9*) Allah "...*has breathed into it my spirit...*(*Al Hijr: 15: 29*) has been made as God by most of the people in the world, where they believe that Prophet Isa is the son of God, the father of Prophet Isa is also considered God and "...*my spirit...*(*Shaad: 38:72*) which was breathed by Allah to Prophet Isa and all humans who were born into the world, are called God.

Now, most of the people in the world still believe in what they call God the father, God the son, namely Prophet Isa and "...*My spirit...*(*Shaad: 38:72*) who is called the holy spirit.

Now, if there are still most of the people in the world today believe in "...*my spirit...*(*Shaad: 38:72*) which was breathed in by Allah to the Prophet Isa and to all humans who were born into the world as God, then some most of these people do not understand and do not realize that within them is "...*my spirit...*(*Shaad: 38: 72*)

So, because "...*my spirit...*(*Shaad: 38:72*) is in all human bodies, then actually "...*My spirit...*(*Shaad: 38:72*) or what they call the holy spirit do not need to be considered as God.

If "...*My spirit...*(*Shaad: 38:72*) which is in all human bodies is considered as God, then every human being can be considered as God.

Now the secret hidden behind the verses has been revealed: "...*We breathed into her womb some of*

*our spirits...(At Tahrir: 66:12) "...He...blows into her His spirit.. .(As Sajdah : 32: 9) "... I breathed into him my spirit... (Shaad: 38: 72)*

Namely, "...My spirit...(Shaad: 38:72) "...Our spirit...(At Tahrir: 66:12) "...His spirit...(As Sajdah: 32: 9) is made up of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms.

So, actually hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms are not God, but the building blocks of the universe and everything in it, including humans.

Now, it is open, that if the holy spirit which is one of the three foundations of God the Father, God the son and the holy spirit, is deemed not to be God, then belief in the three foundations of God the Father, God the son and the holy spirit will disappear from the surface of the earth.
