ABSTRACT

Before the author writes about the problem, most people still hope that Islamic law can be applied in a country that does not recognize religious law, can it be implemented, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about most people still hoping that Islamic law can be applied in a country that does not recognize religious law, can it be implemented.

There are several verses on which most people still hope that Islamic law can be applied in a country that does not recognize religious law, whether it can be implemented, namely the verses:

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Read in the name of your Lord who created. Who made man from a clot of blood. Read it, and your Lord is most glorious. Who teaches with a pen. Teaches man what he does not know" (Al 'Alaq: 96:1-5).

"O people who are covered: Get up and give warning. Magnify your Lord, clean your clothes, stay away from evil deeds, do not give, because you want to get more. And be patient to fulfill the command of your Lord" (Al-Muddatstsir: 74: 1-7).

"So do what you have been commanded and turn away from the polytheists" (Al-Hijr: 15: 94).

"And warn your closest relatives" (Ash-Syu'ra: 26: 214).

"... And those who are weak, both men, women and children who all pray: O our Lord, get us out of this land (Mecca) whose inhabitants are unjust ..." (An-Nisa : 4:75).

"...Indeed a mosque that was built on the basis of piety (the Quba mosque), from the first day onwards is more worthy for you to pray in it..." (At-Taubah: 9: 108).

"Fight in the way of Allah those who fight you, but do not transgress in battle..." (Al-Baqarah: 2: 190).

"And decide between them according to what Allah has sent down, and do not follow their desires. And be careful with them, lest they turn you away from some of what Allah has sent down to you. If they turn away, then know that Allah willed to inflict calamity on them because of some of their sins, and indeed most of the people are ungodly (Al Maa'idah: 5:49)

"Indeed, Allah will prove to His Messenger the truth of his dream in truth that you will surely enter the Grand Mosque, God willing, in a safe condition, by shaving your head and cutting it, while you are not afraid..." (Al-Fath: 48 : 27).

"...Today I have perfected your religion for you, and completed My favor upon you, and am pleased with Islam as a religion for you..." (Al-Maidah: 5:3).

MOST OF PEOPLE STILL HOPE THE LAW THAT GIVEN TO THE PROPHET MUHAMMAD SAW CAN BE IMPLEMENTED IN A COUNTRY THAT DOES NOT RECOGNIZE RELIGIOUS LAWS

Now, we are still focusing our minds on uncovering the secrets contained in the verses: *"...give a warning to your closest relatives" (Ash-Syu'ra: 26: 214)"... Allah will prove His Messenger about the truth of his dream with the truth that you will definitely enter the Grand Mosque, God willing, in a safe condition, by shaving your head and cutting it, while you are not afraid..." (Al-Fath: 48: 27)".. "Today I have perfected your religion for you, and completed My favor upon you, and am pleased with Islam as a religion for you..." (Al-Maidah: 5:3).*

Apparently, here Allah has declared *"...Today I have perfected your religion for you, and I have completed My favors on you, and I am pleased that Islam has become a religion for you..." (Al-Maidah: 5:3)*

Well, Allah *"...has... blessed Islam to become a religion for you..." (Al-Maidah: 5:3)* after the Prophet Muhammad saw fought 23 years, 13 years in Mecca and 10 years in Medina.

However, during his 13 years in Mecca, the Prophet Muhammad saw never received a revelation that contained the law.

Now, the question arises, why did the Prophet Muhammad saw never receive a revelation about the law during his 13 years in Mecca?

The answer is, it is hidden in a secret behind the verse: *"...you should decide between them according to what Allah has revealed, and do not follow their desires..." (Al Maa'idah: 5:49)*

The problem now is how to *"...decide the case between them according to what Allah sent down...(Al Maa'idah: 5:49) ?*

The answer is, the Prophet Muhammad SAW during his 13 years in Mecca did not have a government that could implement the law *"... which was sent down by Allah ... (Al Maa'idah: 5: 49)*

But after the Prophet Muhammad saw migrated to Medina on Friday, 12 Rabi'ul Awwal 1 Hijrah, the thirteenth year of prophethood which coincided with 24 September 622 AD, the Prophet Muhammad saw began to build the first Islamic government and state in Medina.

Now, only then, the Prophet Muhammad saw can *"...decide the case between them according to what Allah revealed...(Al Maa'idah: 5:49)* because there is already a legal entity that can implement the laws *"...that Allah sent down...(Al Maa'idah: 5:49)*

So, after the Prophet Muhammad saw migrated to Medina, Allah sent down laws to the Prophet Muhammad saw to be implemented.

Now, how do most people today expect to be able to apply Allah's laws in a country that doesn't recognize religious laws?

The answer is just as the Prophet Muhammad saw was still in Mecca.

This means that Allah's laws cannot be applied in a government that does not recognize religious law, even though the people are predominantly Muslim.

How to be accepted by the laws revealed by Allah?

Take the example of the Prophet Muhammad saw.

Where the people who are predominantly Muslim intend with full power to change the legal basis in force in the country. Without the legal basis being changed, then until the Day of Resurrection, Allah's laws cannot be applied.

Actually, the way is easy, if the majority of the Muslim people unite to change the legal basis, then in the blink of an eye it can change. The problem is, only a handful of Muslim people are ready to change the legal basis of the country. Most of the Muslim people just go with the flow. This is the problem. Therefore, the Muslim people can be manipulated by anyone and because they do not follow the example of the Prophet Muhammad saw.

CONCLUSION

From what has been explained above, it can be concluded that the secrets contained in the verses: *"...give a warning to your closest relatives" (Ash-Syu'ra: 26: 214)"...
