ABSTRACT

Before I write down the problem most people still think and believe, when humans are sleeping the spirit of Allah comes out of the human body, when awake, the spirit of Allah re-enters the body, a wrong belief, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about most people still think and believe, when humans are sleeping the spirit of Allah comes out of the human body, when awake, the spirit of Allah enters the body again, a false belief, based on Deoxyribonucleic acid (DNA).)

There are several verses that become Allah's secret unlocking tool about most people still think and believe, when humans are sleeping Allah's spirit comes out of the human body, when awake, Allah's spirit re-enters the body, a false belief, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"Indeed, We have adorned the skys near the stars, and We have made the stars casters of the devil, and We have prepared for them the torment of a fiery hell. (Al Mulk: 67: 5)

"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa': 21:16)

"So He made it seven skys in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)

"Allah created the skys and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar: 39:42)

"On the day they come out of the grave quickly as if they went quickly to idols (Al Ma'aarij: 70: 43)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about most people still think and believe, when humans

are sleeping the spirit of Allah comes out of the human body, when awake, Allah's spirit enters the body again, a false belief, I use the base of deoxyribonucleic acid or deoxyribonucleic acid or nucleic acid molecular structure.

HYPOTHESIS

Here I propose a hypothesis that humans still think and believe, when humans are sleeping the spirit of Allah comes out of the human body, when awake, the spirit of Allah re-enters the body, because they consider sleep the same as death, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

WHAT IS THE BASIC BELIEVE OF MOST PEOPLE WHO BELIEVE, WHEN MAN IS SLEEPING THE SPIRIT OF ALLAH COMES OUT OF HIS BODY, WHEN WAITING BACK, THE SPIRIT OF ALLAH ENTERS INTO HIS BODY

Now, we are still concentrating on uncovering the secret contained behind the verses: *"Allah holds the soul when it dies and the spirit that has not died while sleeping, He holds the spirit which He has appointed death and He releases another spirit until the end of time. appointed...(Az Zumar: 39: 42)" ...I breathed into him my spirit...(Shaad: 38:72)"...He... breathed into him His spirit...(As Sajdah: 32:9)*

Apparently, here, Allah has declared, *"God holds the spirit when it dies and the soul that has not died when it sleeps... (Az Zumar: 39: 42)*

Well, because Allah *"...is near...(Al Baqarah: 2:186)* and *"...closer to him than his jugular vein." (Qaf:*

50:16), then actually Allah, through "...Allah's spirit...(Shaad: 38:72), the energy of Allah and the particles of Allah, is in the human body, not outside the human body.

If most people until now think and believe that Allah is outside the human body, when humans are sleeping, then their assumption is wrong.

Why are the assumptions and beliefs of most people who think that Allah is outside the human body when humans are sleeping, is a wrong assumption?

The answer is

Hidden in the secret behind the verse: "... I am near. I grant the supplication of the one who prays when he asks Me... (Al Baqarah: 2: 186) "... We are closer to him than his jugular vein." (Qaf: 50:16)

So, it is clear, that Allah through "...Allah's spirit...(Shaad: 38:72), the energy of Allah and the particles of Allah, is in the human body, not outside the human body.

So, if there are humans who think that the dead are "...Allah's spirit...(Shaad: 38:72) Allah is holding back so that they cannot return to their bodies and those who do not die are just sleeping, "...Allah's spirit...(Shaad: 38:72) is released so that it can return to him again, then the human assumption is wrong.

Why is the human assumption wrong?

Because the human considers and believes that Allah is outside the human body, by assuming that "...Allah's spirit...(Shaad: 38:72) is restrained by Allah so that it cannot return to its body.

THE SPIRIT OF ALLAH WAS BLOWED BY ALLAH THE FIRST TIME TO HUMANS, THROUGH THE MOTHER'S WOMB THAT BRINGS HUMANS, THE SPIRIT OF ALLAH COMES OUT OF THE HUMAN BODY, WHEN HUMAN DIE

Now, "...Allah's spirit...(Shaad: 38:72) does not come out of the human body, until the human dies. When a human dies, only "...Allah's spirit...(Shaad: 38:72) comes out of the human body, after 30 days of being buried in the ground "...they come out of the grave quickly...(Al Ma' aarij : 70:43)

Now, it has been revealed, the secret hidden behind the verse: "*Allah holds the spirit when it dies and the spirit that has not died when it sleeps...* (Az Zumar: 39: 42)

That is, because Allah "...is near...(Al Baqarah: 2:186) and "...closer to him than his jugular vein." (Qaf: 50:16), then Allah, through "...Allah's spirit...(Shaad: 38:72), the energy of Allah and the particles of Allah, is in the human body, not outside the human body.

CONCLUSION

Based on the description above, we can conclude that the secret contained behind the verses: "*Allah holds the soul when it dies and the spirit that has not died while sleeping, He holds the spirit which He has appointed death and He releases another spirit until the end of time. appointed...*(Az Zumar: 39: 42)"..."I breathed into him my spirit...(Shaad: 38:72)"..."He... breathed into him His spirit...(As Sajdah: 32:9)

Apparently, here, Allah has declared, "*God holds the spirit when it dies and the soul that has not died when it sleeps...* (Az Zumar: 39: 42)

Well, because Allah *"...is near...(Al Baqarah: 2:186)* and *"...closer to him than his jugular vein."* (*Qaf: 50:16*) , then actually Allah, through *"...Allah's spirit...(Shaad: 38:72)*, the energy of Allah and the particles of Allah, is in the human body, not outside the human body.

If most people until now think and believe that Allah is outside the human body, when humans are sleeping, then their assumption is wrong.

Why are the assumptions and beliefs of most people who think that Allah is outside the human body when humans are sleeping, is a wrong assumption?

The answer is

Hidden in the secret behind the verse: *"... I am near. I grant the supplication of the one who prays when he asks Me... (Al Baqarah: 2: 186) "... We are closer to him than his jugular vein." (Qaf: 50:16)*

So, it is clear, that Allah through *"...Allah's spirit...(Shaad: 38:72)*, the energy of Allah and the particles of Allah, is in the human body, not outside the human body.
