**ABSTRACT**

Before the author wrote the problem, most people thought that when humans died, they could only meet Allah, even though Allah is in the human body, but humans do not understand, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about most people thinking when humans have died, they can only meet Allah, even though Allah is in the human body, but humans do not understand, based on Deoxyribonucleic acid (DNA)

There are several verses that open Allah's secrets about most people thought that when humans died, they could only meet Allah, even though Allah is in the human body, but humans do not understand, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then surely I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill and let them believe in Me, so that they may always be in the truth. (Al Baqarah: 2:186)*

*"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise, All-Knowing. (Al Baqarah: 2:115)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"Do you think that most of them hear or understand? They are nothing but like cattle, even more astray in their way (Al Furqaan: 25: 44)*

*"Those who when disaster strikes, they say: "Inna lillahi wa innaa ilaihi raaji'uun" (Surely we belong to Allah and to Him we return) (Al Baqarah: 2: 156)*

*"And We made before them a wall and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

In an effort to open the veil of Allah's secret about most people thinking that when humans are dead, they can only meet Allah, even though Allah is in the human body, but humans do not understand, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes a hypothesis because most humans do not understand that Allah is in the human body, so they assume that after humans die, they can only meet Allah, based on Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains

4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

### **MOST OF HUMANS THINK AFTER HUMAN DIE, THEY MEET ALLAH, BUT ALLAH IS EVERY TIME IN THE HUMAN BODY, BUT HUMANS DON'T UNDERSTAND**

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"...Indeed we belong to Allah and to Him we return (Al Baqarah: 2: 156)"... wherever you turn, there is the face of Allah. ...(Al Baqarah: 2:115)"...I am near..(Al Baqarah: 2:186)*

Apparently, Allah has declared *"...Indeed we belong to Allah and to Him we return (Al Baqarah: 2: 156)*

Now, this is Allah's declaration, a return to Allah or *istirjaa*.

In fact, this statement of return to Allah is considered by most people, as a statement of returning to Allah and meeting Allah, when humans have died.

Well, here most people still don't understand that in fact, humans meet Allah at any time, because *"... Allah is near... (Al Baqarah: 2: 186)"... wherever you face that is the face of Allah. ..(Al Baqarah : 2:115)*

So, actually, anywhere, anytime, under any circumstances *"... Allah is near... (Al Baqarah: 2: 186)"... Allah is nearer to him than his jugular vein." (Qaf: 50:16)*

Therefore, if there are still most people who think that Allah is far away and can only meet Allah and return to Allah after humans die, then the human assumption is the assumption of humans who still do not understand the real Allah.

As is often said by most humans when humans die *"...Indeed we belong to Allah and to Him we return (Al Baqarah: 2: 156)* , when in fact *"...Allah's spirit...(Shaad: 38: 72)*, Allah's energy, Allah's particles are in the human body,

Now the question arises,

Why do most people still think that when humans die, they are considered to return to Allah?

Well, the answer is hidden in the secret behind the verse: *"...Say: "The spirit belongs to my Lord, and you are not given knowledge but a little." (Al Israa ' : 17: 85)*

This means that most people close themselves to *"... the Spirit... (Al Israa ' : 17: 85)*, because for human reasons *"... they are not given knowledge but a little." (Al Israa ' : 17: 85)*

Well, here humans do not understand *"...a little." (Al Israa ' : 17: 85)* about *"... knowledge... (Al Israa ' : 17: 85)"... Spirit...(Al Israa ' : 17: 85)* according to Allah is equal to **18262980** times the amount of knowledge according to human calculations.

Because most people do not understand Allah's declaration "*... you were not given knowledge but a little (Al Israa ' : 17: 85)*", then by most people are considered and trusted "*...knowledge...a little (Al Israa ' : 17: 85)*" is a little knowledge according to humans.

Finally, most people think that Allah is far away and after humans die, only humans can return and meet Allah. The assumption of most people is caused by humans do not understand the real Allah.

## CONCLUSION

From what is described above, it can be concluded that the secrets contained behind the verses: "*...Indeed we belong to Allah and to Him we return (Al Baqarah: 2: 156)*"... *wherever you turn, there is the face of Allah. ... (Al Baqarah: 2:115)*"...*I am near.. (Al Baqarah: 2:186)*

Apparently, Allah has declared "*...Indeed we belong to Allah and to Him we return (Al Baqarah: 2: 156)*

Now, this is Allah's declaration, a return to Allah or istirjaa.

In fact, this statement of return to Allah is considered by most people, as a statement of returning to Allah and meeting Allah, when humans have died.

Well, here most people still don't understand that in fact, humans meet Allah at any time, because "*... Allah is near... (Al Baqarah: 2: 186)*"... *wherever you face that is the face of Allah. .. (Al Baqarah : 2:115)*

So, actually, anywhere, anytime, under any circumstances "*... Allah is near... (Al Baqarah: 2: 186)*"... *Allah is nearer to him than his jugular vein." (Qaf: 50:16)*

Therefore, if there are still most people who think that Allah is far away and can only meet Allah and return to Allah after humans die, then the human assumption is the assumption of humans who still do not understand the real Allah.

As is often said by most humans when humans die "*...Indeed we belong to Allah and to Him we return (Al Baqarah: 2: 156)*", when in fact "*...Allah's spirit...(Shaad: 38: 72)*", Allah's energy, Allah's particles are in the human body,

Now the question arises,

Why do most people still think that when humans die, they are considered to return to Allah?

Well, the answer is hidden in the secret behind the verse: "*...Say: "The spirit belongs to my Lord, and you are not given knowledge but a little." (Al Israa ' : 17: 85)*

This means that most people close themselves to "*... the Spirit... (Al Israa ' : 17: 85)*", because for human reasons "*... they are not given knowledge but a little." (Al Israa ' : 17: 85)*

Well, here humans do not understand "*...a little." (Al Israa ' : 17: 85)*" about "*... knowledge... (Al Israa ' : 17: 85)*"... *Spirit... (Al Israa ' : 17: 85)*" according to Allah is equal to **18262980** times the amount of knowledge according to human calculations.

Because most people do not understand Allah's declaration "*... you were not given knowledge but a little (Al Israa ' : 17: 85)*", then by most people are considered and trusted "*...knowledge...a little (Al Israa ' : 17: 85)*" is a little knowledge according to humans.

Finally, most people think that Allah is far away and after humans die, only humans can return and meet Allah. The assumption of most people is caused by humans do not understand the real Allah.
