**ABSTRACT**

First of all, by asking forgiveness from Allah SWT here the author tries to reveal the signs of Allah SWT about not only humans going to paradise and hell, but also animals going to paradise and hell, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid. (DNA)

There are several verses that reveal Allah's secret about not only humans going to paradise and hell, but also animals going to paradise and hell, namely the verses:

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"Read your book, it is enough for yourself at this time to be reckoning against you." (Al Israa ': 17: 14)*

*"The paradise of 'Adn which they enter into, rivers flow under it, in that paradise they will find everything they want. Thus Allah will reward those who are pious, (An Nahl: 16: 31)*

*"In Paradise there will be a lot of fruit for you, some of which you eat. (Az Zukhruf: 43:73)*

*"Enter you into heaven, you and your wives will be rejoiced." (Az Zukhruf: 43:70)*

*"Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises in which rivers flow. forever. They stay in it. That's a big win. (At Taubah: 9: 100)*

*"When the sun is rolled up, (At Takwiir: 81: 1)*

*Allah said: "Enter all of you into hell with the jinn and humans who went before you. Every time a people enter, he curses his friend; so that when they all enter say those who enter later among them say to those who entered earlier: "Our Lord, they have led us astray, so bring upon them a double torment from hell." Allah said: "Each one gets a double, but you do not know." (Al A'raaf : 7:38)*

*"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)*

*"You do not know that Allah: to Him exalts what is in the skys and the earth and the birds with their wings spread out. Each one knows his prayer and prayer beads, and Allah is Knower of what they do (An Nuur: 24: 41)*

*"The seven skys, the earth and all that is in it glorify Allah. And there is nothing but glorify Him by praising Him, but you all do not understand their prayer beads. Indeed He is Most Forbearing, Most Forgiving (Al Israa ': 17: 44)*

*"And your Lord revealed to the bees: "Make nests in the hills, in the trees, and in places made by humans", (An Nahl: 16: 68)*

*"Their faces are burned by the fire of hell, and they are in that hell in disfigurement. (Al Mu'minun: 23:104)*

In an effort to open the veil of Allah's secret about not only humans going to paradise and hell, but also animals going to paradise and hell, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes the hypothesis that not only humans going to paradise and hell, but also animals going to paradise and hell, based on Deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **NOT ONLY HUMANS ENTER PARADISE AND HELL, BUT ALSO ANIMALS WILL ENTER PARADISE AND HELL**

Now, we still continue to focus all of our minds on uncovering the secrets that are hidden behind the verse: *"...to Allah glorify what is in the skys and on earth and the birds by spreading their wings. Each of them has known prayer and tasbih...(An Nuur : 24: 41)"The seven skys, the earth and all that is in it glorify Allah...(Al Israa': 17:44)"... Your Lord reveals to the bees: "Make a nest in the hills, in the trees, and in places made by man" (An Nahl: 16: 68)*

It turns out that Allah has declared *"... to Allah glorify... birds by spreading their wings. Each of them has known prayer and tasbih... (An Nuur: 24: 41)"... Your Lord revealed to the bees: "Make a nest in the hills, in the trees, and in places made by man" (An Nahl: 16: 68)*

Well, here Allah has revealed Allah's secret to all humans in the world, that not only humans and jinn will go to paradise and hell, but also all animals that live on earth.

Now the question arises,

Why do all the animals that live in the *"seven skys, the earth and everything in it glorify Allah...(Al Israa': 17:44)* by means of *"...prayer and tasbih...(An Nuur: 24 : 41)* respectively ?

The answer is in the secret behind the verse: *"... I breathed into him my spirit... (Shaad: 38: 72)* *"...your Lord revealed to the bees: "Make nests in the hills, in the trees, and in places made by humans",*

*(An Nahl: 16: 68)*

Well, here as evidence, Allah breathed "...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72) not only to humans, but also to animals that live on earth.

Well, because in the animal body there is "...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72), then Allah "...revealed to bees : "Make nests in the hills, in the trees, and in places made by man", *(An Nahl: 16: 68)*

With Allah declaring "*The seven skys, the earth and all that is in it glorify Allah ... (Al Israa ': 17: 44)*, means all creatures, including humans and animals that live on earth, who follow what has been revealed to humans and animals "... your Lord reveals to bees... *(An Nahl: 16: 68)*, then humans and animals will get a good reward, "... paradise... *(Az Zukhruf: 43: 73)* and bad recompense "... hell... *(As Sajdah: 32:13)*

So actually, not only humans and jinn will be put into paradise and hell, but also animals.

This is proof that Allah not only "...blows...Allah's spirit...(Shaad: 38:72) into the human body only, but also into the bodies of animals that live on earth.

So, what will be entered into paradise and hell are not animals with their bodies as when they were alive on earth, but "...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72) that comes out of the animal's body, when the animal dies. Like "...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72) which comes out of the human body, when humans die.

## CONCLUSION

Based on the description above, we can conclude that the secrets that are hidden behind the verse: "...to Allah glorify what is in the skys and on earth and the birds by spreading their wings. Each of them has known prayer and tasbih...(An Nuur : 24: 41)"*The seven skys, the earth and all that is in it glorify Allah...(Al Israa': 17:44)"... Your Lord reveals to the bees: "Make a nest in the hills, in the trees, and in places made by man" (An Nahl: 16: 68)*

It turns out that Allah has declared "... to Allah glorify... birds by spreading their wings. Each of them has known prayer and tasbih... *(An Nuur: 24: 41)"... Your Lord revealed to the bees: "Make a nest in the hills, in the trees, and in places made by man" (An Nahl: 16: 68)*

Well, here Allah has revealed Allah's secret to all humans in the world, that not only humans and jinn will go to paradise and hell, but also all animals that live on earth.

Now the question arises,

Why do all the animals that live in the "*seven skys, the earth and everything in it glorify Allah...(Al Israa': 17:44)* by means of "...prayer and tasbih...*(An Nuur: 24 : 41)* respectively ?

The answer is in the secret behind the verse: "... I breathed into him my spirit... *(Shaad: 38: 72)* "...your Lord revealed to the bees: "Make nests in the hills, in the trees, and in places made by humans", *(An Nahl: 16: 68)*

Well, here as evidence, Allah breathed "...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72) not only to humans, but also to animals that live on earth.

Well, because in the animal body there is "...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad:

38:72), then Allah "...revealed to bees : *"Make nests in the hills, in the trees, and in places made by man"*, (*An Nahl: 16: 68*)

With Allah declaring *"The seven skys, the earth and all that is in it glorify Allah ... (Al Israa ': 17: 44)*, means all creatures, including humans and animals that live on earth, who follow what has been revealed to humans and animals *"... your Lord reveals to bees... (An Nahl: 16: 68)*, then humans and animals will get a good reward, *"... paradise... (Az Zukhruf: 43: 73)* and bad recompense *"... hell... (As Sajdah: 32:13)*

So actually, not only humans and jinn will be put into paradise and hell, but also animals.

This is proof that Allah not only *"...blows...Allah's spirit...(Shaad: 38:72)* into the human body only, but also into the bodies of animals that live on earth.

So, what will be entered into paradise and hell are not animals with their bodies as when they were alive on earth, but *"...my spirit...(Shaad: 38:72)* or *"...Allah's spirit...(Shaad: 38:72)* that comes out of the animal's body, when the animal dies. Like *"...my spirit...(Shaad: 38:72)* or *"...Allah's spirit...(Shaad: 38:72)* which comes out of the human body, when humans die.
