**ABSTRACT**

Before I write down the problem, on what basis, the devil is the enemy of Allah, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about, on what basis, the devil is an enemy of Allah, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret revealer about, on what basis, the devil becomes Allah's enemy, namely the following verse:

*"And when We said to the angels: "Prostrate yourselves to Adam, so bow down to them except Satan. He is from the group of jinn, so he disobeys the command of his Lord. Should you take him and his descendants as leaders other than Me, while they are your enemies? It is very bad that the devil is a substitute for the wrongdoers. (Al Kahf: 18: 50)*

*"The devil said: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)*

*"And We created the jinn before from a very hot fire. (Al Hijr: 15: 27)*

*Allah said: "What prevented you from prostrating when I commanded you?" The devil replied "I am better than him: You created me from fire while You created him from clay." (Al A'raaf: 7:12)*

*"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are the signs of Allah's power for a people who think (Az Zumar : 39: 42)*

*"When I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15:29)*

*"And We created the jinn before from a very hot fire. (Al Hijr: 15: 27)*

*"And He taught Adam all the names, then presented them to the Angels and said: "Name me the names of these things if you are true, those who are true!" (Al Baqarah: 2:31)*

*"They replied: "Glory be to You, we know nothing but what You have taught us; Verily, You are All-Knowing, All-Wise." (Al-Baqarah: 2:32)*

*Allah said: "O Adam, tell them the names of these things." So after he told them the names of these objects, Allah said: "Have I not told you that I know the secrets of the heavens and the earth and know what they are. what you give birth to and what do you hide?" (Al Baqarah: 2:33)*

*"Those who listen to the words and then follow what is best among them. They are the ones whom Allah has given guidance and they are the people who have reason. (Az Zumar: 39: 18)*

*"Then both of them were derailed by the devil from heaven and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)*

*"And the day the enemies of Allah are led into hell, then they are all gathered together.  
(Fushshilat: 41: 19)*

In trying to unmask, on what basis, the devil is the enemy of Allah, I rely on photons, quarks and deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I put forward the hypothesis of the devil being the enemy of Allah, with the aim of separating those who believe in Allah and those who follow the devil, from the point of view of photons, quarks and Deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms which is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **ADAM'S KNOWLEDGE WAS HIGHER THAN THE KNOWLEDGE OF THE DEVIL**

Now, we still continue to focus our minds to uncover the secrets contained in the verse: *"Allah said: "O Adam, tell them the names of these things." So after he told them the names of these objects, Allah said: " Have I not told you that I know the secrets of the heavens and the earth..." (Al Baqarah: 2:33)*

Apparently, Adam has been able to explain with his brain what Allah has created in this universe.

Why Adam was able to explain about the nature of creation about the skys and the earth and all that is in it?

The answer is

It is hidden in a secret hidden behind the verse: *"Those who listen to words and then follow what is best among them. These are the people whom Allah has given guidance and they are the people who have*

*mind. (Az Zumar: 39: 18)*

Apparently, Adam was able to explain about what Allah has created in this universe, because Adam *"... listened to the words and then followed what was best among them... (Az Zumar: 39: 18) and Adam was able to use it". .. his mind (Az Zumar: 39: 18).*

Well, it is proven that, because Adam used his *"...mind (Az Zumar: 39: 18)*, then Adam was able to understand and explain what Allah had created.

Now, what about the knowledge possessed by the devil?

The answer is

Hidden in the secret behind the verse: *"I am better than him, because You created me from fire, while you created him from clay." (Shaad : 38: 76)*

Apparently, the devil didn't use the knowledge of the creation of the universe, but the devil presented about himself and the incident about Adam, *"I am better than him, because You created me from fire, while You created him from clay." (Shaad : 38: 76)*

Now, here, it appears that the devil when presenting his reason, is without using the mind.

Why doesn't the devil use his mind, when the devil gives his rebuttal?

The answer is

Hidden in the secret that lies behind the verse: *"... You created me from fire... (Shaad: 38: 76)*

Now, with fire being the element of the occurrence of the devil, the devil assumes that fire is higher than everything in this universe.

So, the devil thinks that he is higher than anything in this universe.

With the assumption without basing on this thought, making the devil, feel higher than anyone, including feeling higher than Allah who created the devil.

**WITH THE DEVIL THAT WISHED AND BECOME THE ENEMY OF ALLAH, BECOME A TOOL TO SEPARATE WHO BELIEVE IN ALLAH AND WHO FOLLOWS THE DEVIL**

Now, let's unveil the secret behind the verse: *"Allah says: "What prevents you from prostrating when I command you?" Answering the devil "I am better than him: You created me from fire while You created him from clay." (Al A'raaf: 7:12)*

It turns out, clearly seen, where the devil, says that fire, or hydrogen atoms and oxygen atoms is better than earth, which also contains hydrogen atoms, oxygen atoms, nitrogen atoms and carbon atoms.

Obviously, here the devil does not use his mind, which is finally ensnared by his empty dreams.

Now, the question arises, why did Allah not punish the devil immediately, with severe punishment?

The answer is

Hidden in the secret behind the verse: *"Then both of them were derailed by the devil from heaven and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth..." (Al Baqarah: 2:36)*

Well, apparently Allah, really needs a creature like the devil?

Why does Allah need a creature like the devil?

The answer is

Hidden in the secret behind the verse: *"... Should you take him and his descendants as leaders other than Me, while they are your enemies? It is very bad that the devil is a substitute for the wrongdoers. (Al Kahf: 18: 50)*

Now, it is revealed, why did Allah not punish the devil with severe punishment, before being sent out of paradise?

The answer, is because Allah wants to test which of Adam's descendants raised the devil *"...as a leader other than Me...(Al Kahf: 18: 50)*

## **THE DEVIL AS A FILTERING TOOL OF ADAM'S CHILDREN, WHO BELIEVE IN ALLAH, WHO FOLLOWS THE DEVIL**

Now, it has been revealed, that with the creation of the devil by Allah, then Allah will know who are the *"...enemies of Allah... (Fushshilat: 41: 19)* and who are the *"...the enemies of Allah are led to hell, then they are all gathered together (Fushshilat: 41: 19)*

## **CONCLUSION**

Based on the description above, we can conclude that the secrets contained in the verse: *"Allah said: "O Adam, tell them the names of these things." So after he told them the names of these objects, Allah said: " Have I not told you that I know the secrets of the heavens and the earth..." (Al Baqarah: 2:33)*

The answer is

It is hidden in a secret hidden behind the verse: *"Those who listen to words and then follow what is best among them. These are the people whom Allah has given guidance and they are the people who have mind. (Az Zumar: 39: 18)*

Apparently, Adam was able to explain about what Allah has created in this universe, because Adam *"... listened to the words and then followed what was best among them... (Az Zumar: 39: 18) and Adam was able to use it". .. his mind (Az Zumar: 39: 18).*

Well, it is proven that, because Adam used his *"...mind (Az Zumar: 39: 18)*, then Adam was able to understand and explain what Allah had created.
