ABSTRACT

Before the author writes about Orthodox wants to be like God, because God took the form of Jesus, how can that be, the author first asked forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about Orthodox wants to be like God, because God took the form of Jesus, how can that be, based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about Orthodox wants to be like God, because God took the form of Jesus, how can that be, namely the following verses:

"So when I have perfected the existence of Adam and breathed into Adam my spirit, then you will fall down and prostrate to him (Shaad: 38: 72)

"And Maryam bint Imran who maintained her honour, then We breathed into Maryam's womb Our spirit, and she confirmed the words of her Rabb and His Books, and she was one of those who obey. (At Tahrin: 66: 12)

"So Maryam created a veil from them, then We sent Our spirit to Maryam, so Our spirit incarnated before Maryam as a perfect human (Maryam: 19: 17)

"And indeed We brought the Book to Moses, and We followed him after him with apostles, and We gave proofs of the truth to Jesus son of Mary and We strengthened him with the holy spirit. Does every time a messenger comes to you bring something that not according to your wishes and then you boast; then some people you lie and some people you kill (Al Baqarah: 2: 87)

In an effort to open the veil of Allah's secret about Orthodox wants to be like God, because God took the form of Jesus, how can that be, the author uses the basis of deoxyribonucleic acid.

HYPOTHESIS

Here the author forward hypothesis Orthodox wants to be like God, because God took the form of Jesus, how can that be, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARKS

If we want to know quarks then we pay attention to one of the hydrogen atoms which is a building element of the human body, animals, plants and fruit as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Next, if this proton is split, we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules which are composed repeatedly of nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogen bases. The nitrogen bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

ORTHODOX WANTS TO BECOME LIKE GOD, BECAUSE GOD TOOK THE FORM OF JESUS, HOW CAN THAT BE

So now, we still continue to focus our minds on uncovering the secrets contained behind the verses: *"...Our spirit incarnated...a perfect human (Maryam: 19: 17) "...We breathed into Maryam's womb Our spirit...(At Tahrir : 66: 12)*

Well, here Allah or God or Jahve or Jehovah reveals the secret about God Himself with the declaration of Allah or God's declaration or Jahve's declaration or Jehovah's declaration *"...Our spirit incarnated...a perfect human (Maryam: 19: 17)*

Well, it turns out that Allah's declaration or God's declaration or Jahve's declaration or Jehovah's declaration *"...Our spirit incarnated...a perfect human (Maryam: 19: 17)* dismantles what has been done by the Orthodox who think human can become like God, because God has taken the form of Jesus.

This means, according to the Orthodox, if God takes the form of Jesus, so that human can see God through the image of Jesus, then human can also become like God.

Well, here, the Orthodox way of thinking is wrong. Why is the Orthodox way of thinking wrong?

Because, actually the one who took the form of Jesus was not God, but *"...my spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad: 38: 72)* or *"... Our spirit...(Maryam: 19: 17)* or *"...holy spirit...(Al Baqarah: 2: 87)* which is built with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms, where hydrogen atoms, carbon, nitrogen atoms, oxygen atoms are formed with quarks, quarks are formed with God's energy or Allah's energy or Jahve energy or Jehovah's energy.

So, here God or Allah or Jahve or Jehovah has dismantled what was thought by the Orthodox that God had taken the form of Jesus, where Jesus became God, so that human could become like God.

Well, here, it is revealed that what the Orthodox believe is wrong.

One God or one Allah or one Jahve or one Jehovah cannot possibly be incarnated as a human or as Jesus. The one who was incarnated as a human or as Jesus was *"...my spirit...(Shaad: 38: 72)* or *"...Allah's spirit...(Shaad: 38: 72)* or *"... Our spirit...(Maryam: 19: 17)* or *"...holy spirit...(Al Baqarah: 2:*

87) which is built with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms.

Well, because one God or one Allah or one Jahve or one Jehovah cannot possibly be incarnated as a human or as Jesus, it is impossible for human to become similar to God or similar to Allah or similar to Jahve or similar to Jehovah.

Whatever the Orthodox do, such as fasting, spiritual pilgrimage, meditating, praying, restraining lustful impulses, it is impossible to become like God or similar to Allah or similar to Jahve or similar to Jehovah.

Or in other words, no matter what the Orthodox do, human will not become like God.

Unless, human thoughts will reach the level of God's thoughts.

That is, humans understand the real God or the real Allah or the real Jahve through the form of God or the form of Allah or the form of Jahve or the form of Jehovah in the form of Allah's energy or God's energy or Jahve's energy or Jehovah's energy, in the form of Allah's particle or God's particle or Jahve's particles or Jehovah's particle and in the form of the spirit of God or the spirit of Allah or the spirit of Jahve or the spirit of Jehovah which is built with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms, where hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms are formed with quarks, quarks formed with God's energy or Allah's energy or Jahve's energy or Jehovah's energy.

So here, human will attain Allah's approval or God's approval or Jahve's approval or Jehovah's approval and Allah's approval of human or God's approval of human or Jahve's approval of human or Jehovah's approval of human.

Humans will be pleased with Allah or with God or with Jahve or with Jehovah.

Well, here there is a balance between God or Allah or Jahve or Jehovah and human.

This means that Allah is pleased with human or God is pleased with human or Jahve is pleased with human or Jehovah is pleased with human and human is pleased with God or Allah or Jahve or Jehovah.

So actually, what the Orthodox do, human can become similar to God or similar to Allah or similar to Jahve or similar to Jehovah is just a mirage.

CONCLUSION

Based on the description above we can conclude that the secrets contained behind the verses: *"...Our spirit incarnated...a perfect human (Maryam: 19: 17) "...We breathed into Maryam's womb Our spirit...(At Tahrir : 66: 12)*

Well, here Allah or God or Jahve or Jehovah reveals the secret about God Himself with the declaration of Allah or God's declaration or Jahve's declaration or Jehovah's declaration *"...Our spirit incarnated...a perfect human (Maryam: 19: 17)*

Well, it turns out that Allah's declaration or God's declaration or Jahve's declaration or Jehovah's declaration *"...Our spirit incarnated...a perfect human (Maryam: 19: 17)* dismantles what has been done by the Orthodox who think human can become like God, because God has taken the form of Jesus.

This means, according to the Orthodox, if God takes the form of Jesus, so that human can see God through the image of Jesus, then human can also become like God.

Well, here, the Orthodox way of thinking is wrong. Why is the Orthodox way of thinking wrong?

Because, actually the one who took the form of Jesus was not God, but "*...my spirit...(Shaad: 38: 72)* or "*...Allah's spirit...(Shaad: 38: 72)* or "*... Our spirit...(Maryam: 19: 17)* or "*...holy spirit...(Al Baqarah: 2: 87)* which is built with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms, where hydrogen atoms, carbon, nitrogen atoms, oxygen atoms are formed with quarks, quarks are formed with God's energy or Allah's energy or Jahve energy or Jehovah's energy.

So, here God or Allah or Jahve or Jehovah has dismantled what was thought by the Orthodox that God had taken the form of Jesus, where Jesus became God, so that human could become like God.

Well, here, it is revealed that what the Orthodox believe is wrong.

One God or one Allah or one Jahve or one Jehovah cannot possibly be incarnated as a human or as Jesus. The one who was incarnated as a human or as Jesus was "*...my spirit...(Shaad: 38: 72)* or "*...Allah's spirit...(Shaad: 38: 72)* or "*... Our spirit...(Maryam: 19: 17)* or "*...holy spirit...(Al Baqarah: 2: 87)* which is built with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms.

Well, because one God or one Allah or one Jahve or one Jehovah cannot possibly be incarnated as a human or as Jesus, it is impossible for human to become similar to God or similar to Allah or similar to Jahve or similar to Jehovah.

Whatever the Orthodox do, such as fasting, spiritual pilgrimage, meditating, praying, restraining lustful impulses, it is impossible to become like God or similar to Allah or similar to Jahve or similar to Jehovah.

Or in other words, no matter what the Orthodox do, human will not become like God.

Unless, human thoughts will reach the level of God's thoughts.

That is, humans understand the real God or the real Allah or the real Jahve through the form of God or the form of Allah or the form of Jahve or the form of Jehovah in the form of Allah's energy or God's energy or Jahve's energy or Jehovah's energy, in the form of Allah's particle or God's particle or Jahve's particles or Jehovah's particle and in the form of the spirit of God or the spirit of Allah or the spirit of Jahve or the spirit of Jehovah which is built with hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms, where hydrogen atoms, carbon atoms, nitrogen atoms, oxygen atoms are formed with quarks, quarks formed with God's energy or Allah's energy or Jahve's energy or Jehovah's energy.

So here, human will attain Allah's approval or God's approval or Jahve's approval or Jehovah's approval and Allah's approval of human or God's approval of human or Jahve's approval of human or Jehovah's approval of human.

Humans will be pleased with Allah or with God or with Jahve or with Jehovah.

Well, here there is a balance between God or Allah or Jahve or Jehovah and human.

This means that Allah is pleased with human or God is pleased with human or Jahve is pleased with human or Jehovah is pleased with human and human is pleased with God or Allah or Jahve or

Jehovah.

So actually, what the Orthodox do, human can become similar to God or similar to Allah or similar to Jahve or similar to Jehovah is just a mirage.
