## ABSTRACT

First of all, by asking forgiveness from Allah SWT, here the author tries to reveal the signs of the greatness of Allah SWT regarding some humans saying that Judgment day is near, because they do not understand the calculation of the time of Judgment day according to Allah, and the calculation of the time of Judgment day according to humans, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

In the Qur'an, several verses are found that are the key to unlocking the secrets of some people say that the Judgment day is near, because they do not understand the calculation of the time of Judgment day according to Allah, and the calculation of the time of Judgment day according to humans, namely the verses:

"Angels and spirits ascend to God in a day the measure of which is fifty thousand years. (Al Ma'aarij: 70:4)

"And they do not glorify Allah with proper exaltation when the whole earth is in His hands on the Day of Resurrection and the heavens are rolled up with His right hand. Glory be to God and exalted is He above what they associate. (Az Zumar: 39: 67)

"It is Allah who sent down the book with truth and balance. And do you know that the Day of Resurrection may be near? (Ash Shuura: 42:17)

"People ask you about the day of resurrection. Say: "Indeed, the knowledge of the day of resurrection is only with Allah."

"When the sun is rolled up, (At Takwiir: 81: 1)

"And when the stars fall, (At Takwiir: 81: 2)

"The Day of Resurrection is near. (An Najm: 53: 57)

"Indeed, the Day of Judgment will come. I keep it a secret so that each person will be rewarded with what he has earned." (Thaahaa: 20:15)

"And to Allah belongs all that is hidden in the heavens and in the earth. There is no such thing as the Hour, but like the twinkling of an eye or sooner. Verily, Allah has power over all things. (An Nahl: 16: 77)

In an effort to open the veil regarding with some people saying that the Judgment day is near, because they do not understand the calculation of the time of Judgment day according to Allah, and

the calculation of the time of Judgment day according to humans, the author bases it on photons, quarks and deoxyribonucleic acid or the molecular structure of nucleic acids.

## HYPOTHESES

Here the author proposes the hypothesis that the Judgment day is near, according to Allah's calculations, while according to human calculations it must be multiplied by the number 18262980, based on photons, quarks and Deoxyribonucleic acid (DNA).

## DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **BECAUSE MOST PEOPLE DON'T UNDERSTAND ABOUT THE REAL GOD, THEN THEY MAKE VARIOUS TYPES OF STORIES, AMONG THE STORIES, THE JUDGMENT DAY IS NEAR**

Well now, we continue to try to focus our minds to reveal the secrets hidden in the verse: *"...maybe the Day of Judgment is near (Asy Syuura: 42:17) "When the sun is rolled up (At Takwiir: 81: 1)"... when the stars fall (At Takwiir: 81: 2)"... a day whose content is fifty thousand years. (Al Ma'aarij: 70: 4)*

Apparently, here Allah declared that *"...maybe the Day of Judgment is near (Asy Shuura: 42:17)*

Well, the calculation *"...the Day of Judgment is near (Asy Shuura: 42:17)* is a calculation according to Allah's reckoning, not according to human reckoning.

This is where the error made by humans, who do not understand the real Allah, equates Allah's calculations with human calculations. Because they do not understand how Allah makes calculations about the Day of Judgment, people quickly conclude that the Day of Judgment is near, which makes other humans confused, some are affected, of course most are not affected by stories

that say the Day of Judgment is near.

Now, how does Allah actually calculate when the Day of Judgment will occur?

The answer is

It is hidden in the secret behind the verse "*... a day whose levels are fifty thousand years. (Al Ma'aarij: 70: 4)*

Well, this is the secret key of Allah to calculate when the Day of Judgment will occur according to Allah and when the Day of Judgment will occur according to humans.

Now, we calculate, according to Allah the Day of Judgment will occur when "*...the sun is rolled up (At Takwiir: 81: 1)*

That is, the sun will run out of hydrogen atomic fuel, when the hydrogen atomic fuel runs out, the sun will die. Atomic hydrogen fuel will run out **4.6** billion years to come according to human calculations. If it is calculated according to Allah's calculations, the hydrogen atomic fuel will run out **4600000000 : 18262980 = 251.8** years

Well, now it is proven, that according to Allah, the Day of Judgment, when "*...the sun is rolled up (At Takwiir: 81: 1)* is **251.8** years to come. Meanwhile, according to human calculations **4600000000** years to come

Then, some people concluded that the Day of Judgment was near, **251.8** years in the future, making other humans confused.

This, happens, because humans do not understand the real Allah.

## CONCLUSION

Based on the description above, we can conclude that the secrets hidden in the verse: "*...maybe the Day of Judgment is near (Asy Syuura: 42:17) "When the sun is rolled up (At Takwiir: 81: 1)"... when the stars fall (At Takwiir: 81: 2)"... a day whose content is fifty thousand years. (Al Ma'aarij: 70: 4)*

Apparently, here Allah declared that "*...maybe the Day of Judgment is near (Asy Shuura: 42:17)*

Well, the calculation "*...the Day of Judgment is near (Asy Shuura: 42:17)* is a calculation according to Allah's reckoning, not according to human reckoning.

This is where the error made by humans, who do not understand the real Allah, equates Allah's calculations with human calculations. Because they do not understand how Allah makes calculations about the Day of Judgment, people quickly conclude that the Day of Judgment is near, which makes other humans confused, some are affected, of course most are not affected by stories that say the Day of Judgment is near.

Now, how does Allah actually calculate when the Day of Judgment will occur?

The answer is

It is hidden in the secret behind the verse "*... a day whose levels are fifty thousand years. (Al Ma'aarij: 70: 4)*

Well, this is the secret key of Allah to calculate when the Day of Judgment will occur according to Allah and when the Day of Judgment will occur according to humans.

Now, we calculate, according to Allah the Day of Judgment will occur when "*...the sun is rolled up (At Takwiir: 81: 1)*

That is, the sun will run out of hydrogen atomic fuel, when the hydrogen atomic fuel runs out, the sun will die. Atomic hydrogen fuel will run out **4.6** billion years to come according to human calculations. If it is calculated according to Allah's calculations, the hydrogen atomic fuel will run out **4600000000 : 18262980 = 251.8** years

Well, now it is proven, that according to Allah, the Day of Judgment, when "*...the sun is rolled up (At Takwiir: 81: 1)* is **251.8** years to come. Meanwhile, according to human calculations **4600000000** years to come

Then, some people concluded that the Day of Judgment was near, **251.8** years in the future, making other humans confused.

This, happens, because humans do not understand the real Allah.
