ABSTRACT

Before the author writes about the problem of the majority of Muslims in secular countries that do not recognize religious law, they cannot apply religious law, except only in their mouths, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret about the majority of Muslims in secular countries who do not recognize religious law, they cannot apply religious law, except only by mouth.

There are several verses that form the basis of the majority of Muslims in secular countries who do not recognize religious law, they cannot apply religious law, except only by mouth, namely the following verses:

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Read in the name of your Lord who created. Who made man from a clot of blood. Read it, and your Lord is most glorious. Who teaches with a pen. Teaches man what he does not know" (Al 'Alaq: 96:1-5).

"O people who are covered: Get up and give warning. Magnify your Lord, clean your clothes, stay away from evil deeds, do not give, because you want to get more. And be patient to fulfill the command of your Lord" (Al-Muddatstsir: 74: 1-7).

"So do what you have been commanded and turn away from the polytheists" (Al-Hijr: 15: 94).

"And warn your closest relatives" (Ash-Syu'ra: 26: 214).

"... And those who are weak, both men, women and children who all pray: O our Lord, get us out of this land (Mecca) whose inhabitants are unjust..." (An-Nisa : 4:75).

"...Indeed a mosque that was built on the basis of piety (the Quba mosque), from the first day onwards is more worthy for you to pray in it..." (At-Taubah: 9: 108).

"Fight in the way of Allah those who fight you, but do not transgress in battle..." (Al-Baqarah: 2: 190).

"And decide between them according to what Allah has sent down, and do not follow their desires. And be careful with them, lest they turn you away from some of what Allah has sent down to you. If they turn away, then know that Allah willed to inflict calamity on them because of some of their

sins, and indeed most of the people are ungodly (Al Maa'idah: 5:49)

"Indeed, Allah will prove to His Messenger the truth of his dream in truth that you will surely enter the Grand Mosque, God willing, in a safe condition, by shaving your head and cutting it, while you are not afraid..." (Al-Fath: 48 : 27).

"...Today I have perfected your religion for you, and completed My favor upon you, and am pleased with Islam as a religion for you..." (Al-Maidah: 5:3).

THE MAJORITY OF MUSLIM, IN SECULAR COUNTRIES THAT DO NOT RECOGNIZE RELIGIOUS LAW, THEY CANNOT APPLY RELIGIOUS LAW, EXCEPT ONLY IN THE MOUTH

Well now, we are still concentrating on uncovering the secrets contained in the verses: *"... people who are covered: Get up and give a warning... (Al-Muddatstisr: 74:1-7)"...give a warning to your closest relatives" (Asy-Syu'ra: 26: 214) "...Today I have perfected your religion for you, and I have completed My favors on you, and I am pleased with Islam as a religion for you.. (Al-Maidah: 5:3).*

Apparently, Allah has opened a way, when the majority of Muslims are in a secular country that does not recognize religious law, first by carrying out *"...give a warning...(Al-Muddatstisr: 74:1-7)*

So, give a warning to whom?

The answer is *"... give warning to your closest relatives" (Ash-shu'ra: 26: 214)*

This is, the easy way, the first to do.

Now the question arises

How is it that the majority of Muslims are only ordered to give *"...a warning to relatives...(Ash-syu'ra: 26:214)* when there is already a religious law?

Well, this is where the majority of Muslims in secular countries have not realized.

Because the majority of Muslims in secular countries only describe giving *"...a warning to relatives...(Asy-syu'ra: 26:214)* by building universities and religious schools, building mosques, building pesantren, and carrying out social activities which has to do with religion.

Well, what is done by the majority of Muslims in this secular country, it's all just on the surface.

Why is it that the majority of Muslims in secular countries who build universities and religious schools, build mosques, build Islamic boarding schools, and carry out social activities related to religion are considered, it's all just on the surface ?

The answer is

It is hidden in the secret that lies behind the verse: *"...you should decide between them according to what Allah has revealed, and do not follow their desires... (Al Maa'idah: 5:49)*

Well, here is the secret that Allah has revealed to the majority of Muslims in secular countries, namely *"... to decide between them according to what Allah has revealed.. (Al Maa'idah: 5:49)*

This secret of Allah cannot be carried out by the majority of Muslims in secular countries, *"...decide*

the case...according to what Allah has revealed...(Al Maa'idah: 5:49)

So, the secret that Allah is revealing here is that Allah's law cannot exist under secular law. As long as Allah's law is under secular law, then the majority of Muslims in secular countries are still not obedient to Allah and have not implemented the law ordered by Allah in full.

If the majority of Muslims in secular countries still only think up to the level of building universities and religious schools, building mosques, building Islamic boarding schools, and carrying out social activities related to religion, they are considered as human development, they are still not fully obedient to Allah and have not implemented the law. Laws that have been ordained by Allah thoroughly.

Now, as long as the majority of Muslims have not implemented Allah's laws in full, they are still under secular law, so long as the majority of Muslims in secular countries will remain far from Allah's help.

CONCLUSION

From what has been explained above, it can be concluded that the secrets contained in the verses: *"... people who are covered: Get up and give a warning... (Al-Muddatstsir: 74:1-7)"...give a warning to your closest relatives" (Asy-Syu'ra: 26: 214) "...Today I have perfected your religion for you, and I have completed My favors on you, and I am pleased with Islam as a religion for you.. (Al-Maidah: 5:3).*
