ABSTRACT

Before the author writes about the Pope at the Vatican knew the Prophet Muhammad saw was there, when the Prophet Muhammad saw's troops were under war commander Zaid bin Haritsa against the troops of the Eastern Roman Emperor Heraclius under the leader of the Roman Governor Syurahbil Ghassani in 8 AH (630 AD), the author first asked for forgiveness from Allah SWT. Here the author tries to open the veil covering the secret, the Pope at the Vatican knew the Prophet Muhammad saw was there, when the Prophet Muhammad saw's troops were under war commander Zaid bin Haritsa against the troops of the Eastern Roman Emperor Heraclius under the leader of the Roman Governor Syurahbil Ghassani in 8 AH (630 AD), based on deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about the Pope at the Vatican knew the Prophet Muhammad saw was there, when the Prophet Muhammad saw's troops were under war commander Zaid bin Haritsa against the troops of the Eastern Roman Emperor Heraclius under the leader of the Roman Governor Syurahbil Ghassani in 8 AH (630 AD), namely the verse:

"...And the weak, both men, women and children who all pray: O our God, take us out of this land whose inhabitants are unjust..."(An-Nisa: 4: 75)

"Fight in the way of Allah those who fight you, but do not exceed your limits in battle." (Al-Baqarah: 2: 190)

"And you will judge the punishment of deeds between them according to what Allah has revealed, and do not follow their desires. And be careful of them, so that they do not turn you away from part of what Allah has revealed to you. If they turn away, then know that Allah wills to bring misfortune upon them because of some of their sins. And indeed, most people are wicked people (Al Maa'idah: 5: 49)

In an effort to uncover the cover of Allah's secret about the Pope at the Vatican knew the Prophet Muhammad saw was there, when the Prophet Muhammad saw's troops were under war commander Zaid bin Haritsa against the troops of the Eastern Roman Emperor Heraclius under the leader of the Roman Governor Syurahbil Ghassani in 8 AH (630 AD), the author used basic deoxyribonucleic acid.

HYPOTHESES

Here the author forward hypothesis the Pope at the Vatican knew the Prophet Muhammad saw was there, when the Prophet Muhammad saw's troops were under war commander Zaid bin Haritsa against the troops of the Eastern Roman Emperor Heraclius under the leader of the Roman Governor Syurahbil Ghassani in 8 AH (630 AD), based on Deoxyribonucleic acid (DNA).)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a storage place for genetic information that has a double structure forms a double helix and contains structured polynucleotide macromolecules repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5 carbon sugar and one of the nitrogen bases. Nitrogen bases are Guanine (G), Adenine (A), Cytocine © and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine (A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on human deoxyribonucleic acid (DNA), it consists of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are found in abundance around us and in the atmosphere.

THE POPE AT THE VATICAN KNEW THE PROPHET MUHAMMAD SAW WAS THERE, WHEN THE PROPHET MUHAMMAD SAW'S TROOPS WERE UNDER WAR COMMANDER ZAID BIN HARITSA AGAINST THE TROOPS OF THE EASTERN ROMAN EMPEROR HERACLIUS UNDER THE LEADER OF THE ROMAN GOVERNOR SYURAHBIL GHASSANI IN 8 AH (630 AD)

So now, we still continue to focus our minds to uncover the secret hidden behind the verse: *"Fight in the way of Allah those who fight you, but do not exceed your limits in battle. (Al-Baqarah: 2: 190).*

Well, it turns out that here Allah declares: *"Fight in the way of Allah those who fight you, but do not exceed your limits in battle. (Al-Baqarah: 2: 190).*

Well Allah's declaration *"Fight in the way of Allah those who fight you, but do not exceed your limits in battle.(Al-Baqarah: 2: 190)* was revealed to the Prophet Muhammad saw, after the Prophet Muhammad saw founded the First Islamic State in the world in Medina year 1 AH (622 AD).

So, after the establishment of the First Islamic State in the world in Medina in 1 AH (622 AD), the Prophet Muhammad saw was not only a Prophet, but also the Head of the First Islamic State in the world in Medina in 1 AH (622 AD).

Well, in the 8th year AH (630 AD), representative of the Prophet Muhammad saw, Harith bin 'Umair Azdi, who was sending a letter from the Prophet Muhammad saw to Emperor Heraclius, in the city of Mu'tah was killed by Syurahbil Ghassani, Governor of the Eastern Roman Emperor Heraclius (610 AD- 641 AD).

Then the Prophet Muhammad saw appointed Zaid bin Haritsa as war commander with 3000 Muslim soldiers to attack Syurahbil Ghassani. When Syurahbil Ghassani heard this news, he prepared 100,000 soldiers to face the Muslim troops.

In this battle Syurahbil Ghassani was killed, on the part of the Muslims Zaid bin Harith died, then the command was held by Ja'far bin Abi Talib, but Ja'far was also killed, then the command was held by 'Abdullah bin Rawahah, he was also killed.

Then Khalid bin Walid became war commander. The troops of the Eastern Roman Emperor

Heraclius did not want to go to war, then Khalid arranged his tactics and plans, pulling the Muslim troops back to Medina.

The Prophet Muhammad saw with 30,000 Muslim soldiers and 10,000 horses in the month of Rajab 9 H ready to face the troops of the Eastern Roman Emperor Heraclius. After walking for about two weeks, the Muslim army camped in a place called Tabuk, between Medina and Damascus.

Here the Prophet Muhammad saw wanted to hear what the troops of the Eastern Roman Emperor Heraclius would do. It turned out that the troops of the Eastern Roman Emperor Heraclius withdrew back to the borders of his country, not daring to face the Muslim troops. Muslim troops returned to Medina.

So now, the question arises,

Is it true that the Pope at the Vatican does not know when the Prophet Muhammad saw's troops under the war commander Zaid bin Haritsa fought the troops of the Eastern Roman Emperor Heraclius under the leadership of the Roman Governor Syurahbil Ghassani in 8 AH (630 AD) and when the Prophet Muhammad saw with 30,000 Muslim soldiers and 10,000 horses in the month of Rajab 9 AH ready to face the troops of the Eastern Roman Emperor Heraclius in Tabuk, between Medina and Damascus?

Well, the answer, of course, is that the Pope at the Vatican knows from the historical records of the Roman Emperor Constantine I (306 AD – 337 AD) who made Christianity a religion in the Roman Empire and the records of the Eastern Roman Emperor Heraclius (610 AD-641 AD).

So, now if the Pope in the Vatican, Bishops, Cardinals, Pastors and all Catholics in the world think that the Prophet Muhammad saw did not exist, then their assumption is a very wrong opinion.

Well, the Prophet Muhammad saw, was not only a Prophet chosen by Allah, but also a Head of State, the First Islamic State in the world which was founded in 1 AH (622 AD) and of course the Eastern Roman Emperor Heraclius (610 AD-641 AD) knew that the Prophet Muhammad saw did exist.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: ***"Fight in the way of Allah those who fight you, but do not exceed your limits in battle. (Al-Baqarah: 2: 190).***

Well, it turns out that here Allah declares: ***"Fight in the way of Allah those who fight you, but do not exceed your limits in battle. (Al-Baqarah: 2: 190).***

Well Allah's declaration ***"Fight in the way of Allah those who fight you, but do not exceed your limits in battle.(Al-Baqarah: 2: 190)*** was revealed to the Prophet Muhammad saw, after the Prophet Muhammad saw founded the First Islamic State in the world in Medina year 1 AH (622 AD).
