ABSTRACT

Before I write about the problem, Sufism followers do not need to take a boat to Kan'an to meet Allah, but to meet Allah one must understand Allah's energy and my spirit, first I ask forgiveness from Allah SWT. Here I try to open the veil that hides the secret that followers of Sufism do not need to take a boat to Kan'an to meet Allah, but to meet Allah one must understand the energy of Allah and my spirit, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA). .

There are several verses that become Allah's secret unlocking tools about Sufism followers not needing to take a boat to Kan'an to meet Allah, but to meet God they must understand God's energy and my spirit, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"Allah did not create and resurrect you except as one soul. Indeed, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise and All-Knowing. (Al Baqarah: 2: 115)

"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And when Moses came at our appointed time and the Lord had spoken to him, Moses said: "My Lord, show me so that I can see You." The Lord said: "You will never be able to see Me, but behold. to the hill, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses regained consciousness, he said: "Glory be to you. , I repent to You and I am the first to believe." (Al A'raaf: 7: 143)

"Angels and spirits ascend to God in a day the measure of which is fifty thousand years (Al Ma'aarij: 70: 4)

"He arranges affairs from the heavens to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

In an effort to open the veil of Allah's secret about Sufism followers do not need to take a boat to Kan'an to meet Allah, but to meet Allah one must understand the energy of Allah and my spirit, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that Sufism followers do not need to take a boat to Kan'an to meet Allah, but to meet Allah one must understand the energy of Allah and my spirit, from the point of view of Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms.

Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

FOR SUFISM FOLLOWERS IF YOU WANT TO MEET OR MA'RIFAT ALLAH, NOT BY BACKING TO THE BOAT TO KAN'AN TO MEET OR MA'RIFAT ALLAH, BUT BY UNDERSTANDING THE ENERGY OF ALLAH AND MY SPIRIT

Now, we still continue to focus on revealing the secret hidden behind the verse: *"... We revealed to Moses: "Go you with My servants at night, so make for them a dry road in the sea.. (Thaahaa: 20:77)*

Apparently, the effort to liberate the Jews from the grip of Pharaoh, Allah has provided a way out *"Go you with My servants at night...make for them a dry road in the sea...(Thaahaa: 20: 77)*

The way out for the liberation of the Jews from the grip of this Pharaoh is to get out of Egypt and go to Kan'an in Palestine.

Well, apparently, the path to Kan'an in Palestine has now been used as a basis for thinking by the pollowers of Sufism to meet or ma'rifat Allah.

In what way do Sufism pollowers meet or ma'rifat Allah?

Apparently, the way is *"...make for them a dry road in the sea...(Thaahaa: 20: 77)*

Well, these Sufism pollowers base their understanding on *"... make... the dry road at sea... (Thaahaa: 20: 77)*

By making *"...the dry road in the sea...(Thaahaa: 20:77)* is one way to get to Kan'an to meet or ma'rifat Allah.

Or according to the way of Sufism people to meet or ma'rifat Allah is to use the Shari'a, tarekat, essence, and ma'rifat.

Or in other words, the shari'a describes a boat, the tarekat describes them riding a boat, the essence describes the destination to Kan'an and ma'rifat describes in Kan'an meeting Allah.

So, Allah's way to free the Jews from the grip of Pharaoh in Egypt has been made as a teaching by these Sufism pollowers for Allah's ma'rifat.

SUFISM POLLLOWERS STILL CONFUSED TO MEET ALLAH, SO THE WAY TO TAKE A BOAT TO THE PLACE IN KAN'AN IS USED AS A BASIC THOUGHT FOR MA'RIFAT OR MEET ALLAH.

In fact, if the pollowers of Sufism want to open their minds, to meet or understand Allah, there is no need to use the method of liberation of the Jews in Egypt, but to look at themselves.

That is, pollowers of Sufism must understand Allah with his form or the form of Allah through Allah's energy and *"... my spirit... (Shaad: 38: 72)*

SEEING AND MEET ALLAH WITH HIS FORM OR ALLAH'S FORM THROUGH ALLAH'S ENERGY AND MY SPIRIT

Now, what is the secret behind the verse: *"...I breathed into him my spirit...(Shaad: 38:72) "...look at that hill...When his Lord appeared to the mountain, he made it crushed...(Al A'raaf : 7:143)*

It turns out that the secret hidden behind the verses is the image of Allah with his form or the form of Allah.

That is, the form of Allah can be seen by humans through Allah's energy *"... he made the mountain crumble... (Al A'raaf: 7: 143) the mountain "... the mountain was crushed... (Al A' raaf : 7: 143)* because of the energy of Allah, where the energy released by Allah will produce 18 262 980 times the amount of energy released by humans *"... a day whose levels are fifty thousand years (Al Ma'aarij: 70: 4)*

Allah's form can be seen through *"...my spirit...(Shaad : 38:72) "...I breathed on him my spirit... (Shaad : 38:72)* , where *"...my spirit... (Shaad: 38:72)* is built with hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms. Or in other words, Allah's form is a building of Allah's energy and *"... my spirit... (Shaad: 38: 72)*

That is, humans by studying and understanding Allah's energy and *"... my spirit... (Shaad: 38: 72)* then humans will be able to clearly see and meet or ma'rifat Allah.

THE EASIEST THING TO MEET OR MA'RIFAT ALLAH THAT ACTUALLY IS BY LOOKING AT YOURSELF

Now, the human body is full of Allah's energy and *"...my spirit...(Shaad : 38: 72)* which constructed with hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms.

Since the human body is made up of 70 000000000 000000000 000000000 atoms, the human body is full of Allah's energy and *"...my spirit...(Shaad : 38: 72)*

Why is Allah's energy in the human body?

Because Allah's energy is the source of life for the seven skys and all that is in them, including humans.

Now, the human body is built with atoms, where atoms are formed by the energy of Allah, so to see and meet Allah must go through the form of Allah, look at humans themselves.

Why to see the form of Allah must look at man himself?

The answer is

Because the human body is made up of 70 000000000 000000000 000000000 atoms

That is, in man is full of Allah's energy and full of atoms.

Or in other words, the human being is full of *"...my spirit...(Shaad: 38:72)* and the energy of Allah.

HOW THE HUMAN MIND IS WHEN SEEING AND MEETING ALLAH IN THE HUMAN BODY

Now, without realizing it and without thinking about it, the form of Allah is present all the time in the human body. When humans speak, when humans walk, when humans think, when humans do anything, that's where humans meet and see the form of Allah.

Why can meet and see the form of Allah?

Because every human being moves, humans think that everything requires Allah's energy.

Now, with this divine energy, humans can move, humans can think.

So, humans are not aware and do not understand that every time humans meet the form of Allah through Allah's energy.

The form of Allah is not like the form of Allah's creatures, but is in the form of Allah's energy.

Which if the form of Allah speaks using sound frequency waves at a speed of 365 259.6 km per second *"... a day whose content is a thousand years according to your calculations (As Sajdah: 32:5).*

If Allah's form moves at a speed of 18 262 980 km per second *"... a day which is fifty thousand years (Al Ma'aarij: 70: 4).*

Now, if humans are walking and looking into the mirror, there is an image of the human itself reflected from the mirror, then without humans understanding or realizing that the human image reflected by the mirror is Allah's form through Allah's energy that makes the human walk while looking at the mirror.

This is one proof that the form of Allah through Allah's energy exists in humans, but humans do not understand and do not realize it.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"... We revealed to Moses: "Go you with My servants at night, so make for them a dry road in the sea.. (Thaahaa: 20:77)*

Apparently, the effort to liberate the Jews from the grip of Pharaoh, Allah has provided a way out *"Go you with My servants at night...make for them a dry road in the sea...(Thaahaa: 20: 77)*

The way out for the liberation of the Jews from the grip of this Pharaoh is to get out of Egypt and go to Kan'an in Palestine.

Well, apparently, the path to Kan'an in Palestine has now been used as a basis for thinking by the followers of Sufism to meet or ma'rifat Allah.

In what way do Sufism followers meet or ma'rifat Allah?

Apparently, the way is *"...make for them a dry road in the sea...(Thaahaa: 20: 77)*

Well, these Sufism followers base their understanding on *"... make... the dry road at sea... (Thaahaa: 20: 77)*

By making *"...the dry road in the sea...(Thaahaa: 20:77)* is one way to get to Kan'an to meet or ma'rifat Allah.

Or according to the way of Sufism people to meet or ma'rifat Allah is to use the Shari'a, tarekat, essence, and ma'rifat.

Or in other words, the shari'a describes a boat, the tarekat describes them riding a boat, the essence describes the destination to Kan'an and ma'rifat describes in Kan'an meeting Allah.

So, Allah's way to free the Jews from the grip of Pharaoh in Egypt has been made as a teaching by these Sufism pollowers for Allah's ma'rifat.

In fact, if the pollowers of Sufism want to open their minds, to meet or understand Allah, there is no need to use the method of liberation of the Jews in Egypt, but to look at themselves.

That is, pollowers of Sufism must understand Allah with his form or the form of Allah through Allah's energy and *"... my spirit... (Shaad: 38: 72)*

Now, what is the secret behind the verse: *"...I breathed into him my spirit...(Shaad: 38:72) "...look at that hill...When his Lord appeared to the mountain, he made it crushed...(Al A'raaf : 7:143)*

It turns out that the secret hidden behind the verses is the image of Allah with his form or the form of Allah.

That is, the form of Allah can be seen by humans through Allah's energy *"... he made the mountain crumble... (Al A'raaf: 7: 143)* the mountain *"... the mountain was crushed... (Al A' raaf : 7: 143)* because of the energy of Allah, where the energy released by Allah will produce 18 262 980 times the amount of energy released by humans *"... a day whose levels are fifty thousand years (Al Ma'aarij: 70: 4)*

Allah's form can be seen through *"...my spirit...(Shaad : 38:72) "...I breathed on him my spirit... (Shaad : 38:72)* , where *"...my spirit... (Shaad: 38:72)* is built with hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms. Or in other words, Allah's form is a building of Allah's energy and *"... my spirit... (Shaad: 38: 72)*

That is, humans by studying and understanding Allah's energy and *"... my spirit... (Shaad: 38: 72)* then humans will be able to clearly see and meet or ma'rifat Allah.

Now, the human body is full of Allah's energy and *"...my spirit...(Shaad : 38: 72)* which constructed with hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms.

Since the human body is made up of 70 000000000 000000000 000000000 atoms, the human body is full of Allah's energy and *"...my spirit...(Shaad : 38: 72)*

Why is Allah's energy in the human body?

Because Allah's energy is the source of life for the seven skys and all that is in them, including humans.

Now, the human body is built with atoms, where atoms are formed by the energy of Allah, so to see and meet Allah must go through the form of Allah, look at humans themselves.

Why to see the form of Allah must look at man himself?

The answer is

Because the human body is made up of 70 000000000 000000000 000000000 atoms

That is, in man is full of Allah's energy and full of atoms.

Or in other words, the human being is full of "*...my spirit...(Shaad: 38:72)* and the energy of Allah.

Now, without realizing it and without thinking about it, the form of Allah is present all the time in the human body. When humans speak, when humans walk, when humans think, when humans do anything, that's where humans meet and see the form of Allah.

Why can meet and see the form of Allah?

Because every human being moves, humans think that everything requires Allah's energy.

Now, with this divine energy, humans can move, humans can think.

So, humans are not aware and do not understand that every time humans meet the form of Allah through Allah's energy.

The form of Allah is not like the form of Allah's creatures, but is in the form of Allah's energy.

Which if the form of Allah speaks using sound frequency waves at a speed of 365 259.6 km per second "*... a day whose content is a thousand years according to your calculations (As Sajdah: 32:5)*.

If Allah's form moves at a speed of 18 262 980 km per second "*... a day which is fifty thousand years (Al Ma'aarij: 70: 4)* .

Now, if humans are walking and looking into the mirror, there is an image of the human itself reflected from the mirror, then without humans understanding or realizing that the human image reflected by the mirror is Allah's form through Allah's energy that makes the human walk while looking at the mirror.

This is one proof that the form of Allah through Allah's energy exists in humans, but humans do not understand and do not realize it.
