ABSTRACT

First of all, by asking forgiveness from Allah SWT, here I try to reveal the signs of the greatness of Allah SWT regarding meeting, talking and seeing Allah through my spirit can be done anytime and anywhere, especially in the middle of Sha'ban, based on the molecular structure of nucleic acids. or deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tools regarding meeting, talking and seeing Allah through my spirit that can be done anytime and anywhere, especially in the middle of Sha'ban, namely the verses:

"And they ask you about the spirit. Say: "The spirit belongs to the business of my Lord, and you are not given knowledge but a little." (Al Israa ': 17: 85)

"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"He said: "Indeed I am only a messenger of your Lord, to give you a pure son." (Maryam: 19: 19)

"Gabriel said: "So it is." Your Lord said: "That thing is easy for Me; and that We may make it a sign for mankind and as a mercy from Us; and it is a matter that has been decided." (Maryam: 19:21)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign to the worlds. (Al Anbiyaa': 21: 91)

"And Mary, the daughter of Imran, who kept her honor, so We breathed into her some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient ones. (At Tahrir: 66:12)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)

"And verily We brought the Book to Moses, and We followed after him with messengers, and We gave evidences of truth to Jesus the son of Mary and We strengthened it with the Holy Spirit. Does every messenger come to you bringing something that not according to your desires and you are arrogant; then you deny some people and kill some people? (Al Baqarah: 2:87)

"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"So when I have perfected the event and I have breathed into it My spirit; then you should fall down prostrating to it." (Shaad: 38:72)

"Angels and spirits ascend to God in a day the measure of which is fifty thousand years (Al Ma'aarij: 70: 4)

"O you who have believed, fasting is prescribed for you as it was prescribed for those before you so that you may become pious." (Al Baqarah: 2:183)

"It is lawful for you on the night of the fasting month to mix with your wives; they are clothes for you, and you are clothes for them. Allah knows that you cannot restrain your lust, so Allah forgives you and forgives you. So now mix them and follow what Allah has ordained for you, and eat and drink until the white thread is clear to you from the black thread, namely dawn. Then complete the fast until night, do not interfere with them, while you are doing i'tikaf in the mosque. That is the prohibition Allah, so do not approach him. Thus Allah explains His verses to people, so that they may become pious. (Al Baqarah: 2: 187)

"So be patient with what they say, and glorify with the praise of your Lord, before the sun rises and before it sets, and glorify at the times of the night and during the day, so that you may be happy." 130)

"And to Him be all praise in the heavens and the earth and when you are in the evening and when you are at the time of Zuhr (Ar Ruum: 30: 18)

"Establish prayer from after the sun has slipped until it is dark at night and at dawn. Verily, the dawn prayer is witnessed. (Al Israa ': 17: 78)

"By the time. (Al Asr: 103: 1) "Verily man is really in loss (Al Asr: 103: 2)

"It is He who makes the night into the day and the day into the night. And He is All-Knower of all the hearts (Al Hadid: 57: 6)

"Indeed, in the creation of the heavens and the earth, the alternation of night and day, the ark that sailed on the sea brought what was useful to mankind, and what Allah sent down from the sky was water, and with it He gave life to the earth after its death and spread it out. on earth all kinds of animals, and the moving of the winds and clouds that are controlled between the heavens and the earth, indeed signs for a people who think (Al Baqarah: 2: 164)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

In an effort to open the veil of Allah's secret regarding meeting, talking and seeing Allah through my spirit can be done anytime and anywhere, especially in the middle of Sha'ban, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose a hypothesis to meet, talk and see Allah through "... my spirit... (Shaad: 38: 72) can be done anytime and anywhere, especially in the middle of Sha'ban, seen from the basic point of Deoxyribonucleic acid (DNA).)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

HUMANS THROUGH MY SPIRIT CAN MEET, SPEAK AND SEE ALLAH, SO HUMANS UNDERSTAND AND REALIZE ABOUT THE REAL ALLAH

Now, we still continue to focus our minds to reveal the secret hidden behind the verse: *"... it is obligatory on you to fast... so that you may become pious (Al Baqarah: 2: 183)*

Apparently, here Allah has declared to humans that the purpose of *"...fasting...so that you are taqwa (Al Baqarah: 2: 183)*

To reach the level of *"...taqwa (Al Baqarah: 2: 183)* as intended by Allah, humans must understand and be aware of the real time and Allah as well as thoughts of dependence and fear of Allah.

Now the question arises,

Why do shiam or fast in the month of Ramadan, according to the calculation of the moon around the earth, not in other months?

The answer is

It is hidden in a secret behind the verse: *"By the time. (Al Asr: 103: 1) "Indeed, man is really in loss (Al Asr: 103: 2)*

Well it turns out, humans are required to carry out shiam or fasting associated with a certain time, in this case Allah linked the implementation of shiam or fasting to the month of Ramadan, according to the calculation of the moon around the earth.

Why is doing shiam or fasting associated with a certain month in this case the month of Ramadan?

Because, humans *"...really in loss (Al Asr: 103: 2)* if they forget the time.

So, Allah links shiam or fasting to the month of Ramadan so that people remember the time, because humans *"... really are in loss (Al Asr: 103: 2)* if they forget the time.

Then in doing shiam worship or fasting in the month of Ramadan, Allah has conveyed a symbol to *"... my spirit... (Shaad: 38: 72)* which is in every human body, so that humans understand and realize time *"... alternating night and day ... (Al Baqarah: 2: 164) "...praise your Lord, before the sun rises...before it sets...in the night and during the day...(Thaahaa: 20: 130)*

Allah gives a picture of the symbol of fasting to humans through *"...my spirit..." (Shaad: 38: 72)* namely with the moon around the earth, with the stipulation of shiam worship or fasting in the month of Ramadan, the earth and the moon around the sun *"... alternating night and day ... (Al Baqarah: 2: 164)*

Well, with the symbol of fasting that connects the time *"By the time. (Al Asr: 103: 1)* with the moon around the earth, the earth and the moon around the sun *"... the alternation of night and day... (Al*

Baqarah: 2: 164) so that people understand and realize the real Allah.

Now, how do humans understand and realize the real Allah?

Well, humans to understand and realize the real Allah is through "...my spirit..." (*Shaad: 38: 72*)

Through "...my spirit..." (*Shaad: 38: 72*) humans can meet, talk and see Allah.

BY UNDERSTANDING AND REALIZING ABOUT THE REAL ALLAH, THEN HUMANS WILL REACH THE LEVEL OF TAQWA INTENDED BY ALLAH

Now, without understanding and without realizing about the real Allah, humans will not come to what Allah has declared "...that they may become pious. (*Al Baqarah: 2: 187*)

Because of the emergence of "...taqwa. (*Al Baqarah: 2: 187*) is through "... my spirit..." (*Shaad: 38: 72*) which is in the human body. By means of symbols conveyed by Allah to "... my spirit. ..." (*Shaad: 38: 72*) and so on are entered into the human mind, then humans understand and realize about the real Allah, then appears "...taqwa. (*Al Baqarah: 2: 187*) the mind of dependence and fear of the real Allah.

Now, with the symbol of fasting, "... my spirit..." (*Shaad: 38: 72*) interprets that by understanding and realizing time through "... the alternation of night and day... (*Al Baqarah: 2: 164*) , then humans will reach the level of dependence and fear of the real Allah.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: "... it is obligatory on you to fast... so that you may become pious (*Al Baqarah: 2: 183*)

Apparently, here Allah has declared to humans that the purpose of "...fasting...so that you are taqwa (*Al Baqarah: 2: 183*)

To reach the level of "...taqwa (*Al Baqarah: 2: 183*) as intended by Allah, humans must understand and be aware of the real time and Allah as well as thoughts of dependence and fear of Allah.

Now the question arises,

Why do shiam or fast in the month of Ramadan, according to the calculation of the moon around the earth, not in other months?

The answer is

It is hidden in a secret behind the verse: "*By the time. (Al Asr: 103: 1) 'Indeed, man is really in loss (Al Asr: 103: 2)*

Well it turns out, humans are required to carry out shiam or fasting associated with a certain time, in this case Allah linked the implementation of shiam or fasting to the month of Ramadan, according to the calculation of the moon around the earth.

Why is doing shiam or fasting associated with a certain month in this case the month of Ramadan?

Because, humans "...really in loss (*Al Asr: 103: 2*) if they forget the time.

So, Allah links shiam or fasting to the month of Ramadan so that people remember the time, because humans *"... really are in loss (Al Asr: 103: 2)* if they forget the time.

Then in doing shiam worship or fasting in the month of Ramadan, Allah has conveyed a symbol to *"... my spirit... (Shaad: 38: 72)* which is in every human body, so that humans understand and realize time *"... alternating night and day ... (Al Baqarah: 2: 164)* *"...praise your Lord, before the sun rises...before it sets...in the night and during the day...(Thaahaa: 20: 130)*

Allah gives a picture of the symbol of fasting to humans through *"...my spirit..." (Shaad: 38: 72)* namely with the moon around the earth, with the stipulation of shiam worship or fasting in the month of Ramadan, the earth and the moon around the sun *"... alternating night and day ... (Al Baqarah: 2: 164)*

Well, with the symbol of fasting that connects the time *"By the time. (Al Asr: 103: 1)* with the moon around the earth, the earth and the moon around the sun *"... the alternation of night and day... (Al Baqarah: 2: 164)* so that people understand and realize the real Allah.

Now, how do humans understand and realize the real Allah?

Well, humans to understand and realize the real Allah is through *"...my spirit..." (Shaad: 38: 72)*

Through *"...my spirit..." (Shaad: 38: 72)* humans can meet, talk and see Allah.

Now, without understanding and without realizing about the real Allah, humans will not come to what Allah has declared *"...that they may become pious. (Al Baqarah: 2: 187)*

Because of the emergence of *"...taqwa. (Al Baqarah: 2: 187)* is through *"... my spirit..." (Shaad: 38: 72)* which is in the human body. By means of symbols conveyed by Allah to *"... my spirit. ..." (Shaad: 38: 72)* and so on are entered into the human mind, then humans understand and realize about the real Allah, then appears *"...taqwa. (Al Baqarah: 2: 187)* the mind of dependence and fear of the real Allah.

Now, with the symbol of fasting, *"... my spirit..." (Shaad: 38: 72)* interprets that by understanding and realizing time through *"... the alternation of night and day... (Al Baqarah: 2: 164)* , then humans will reach the level of dependence and fear of the real Allah.
