## **ABSTRACT**

Before I write down the problem, is it true that until the end of the world, men will not be able to treat their wives fairly, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about, is it true that until the apocalypse, men will not be able to do justice to their wives, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about, is it true that until the Day of Judgment, men will not be able to do justice to their wives, namely the following verses:

*"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Muluk: 67: 3)*

*"And you will never be able to do justice between wives, even though you really want to do so, so don't be so inclined, so that you leave the others hanging. And if you make corrections and take care of yourself, then Verily Allah is Forgiving, Most Merciful (An Nisaa': 4:129)*

*"And if you are afraid that you will not be able to do justice to the orphaned woman, then marry the women you like: two, three or four. Then if you are afraid that you will not be able to do justice, then only one, or the slaves you have. That is closer to not doing wrong. (An Nisaa ': 4: 3)*

In an effort to open the veil about, is it true that until the end of the world, men will not be able to do justice to their wives, I based on photons, quarks and deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I put forward the hypothesis that men will not be able to do justice to their wives based on what God has declared, from the point of view of photons, quarks and Deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **BASED ON ALLAH'S LAW OR NATURAL LAW, HUMANS ONLY HAVE ONE PAIR TO BE BALANCED**

Now, we are still trying to focus our minds to reveal the secrets contained in the verse: *"...You never see in God's creation, the Most Gracious, something that is not balanced... (Al Mulk: 67: 3)*

Apparently, human life is not much different from any life in the universe.

Why is human life no different from any other life in the universe?

The answer is,

Hidden in the secret behind the verse: *"Who has created the seven heavens in layers...look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

Well, everything in this universe is balanced, or in other words, everything in this universe has a partner.

Now, if humans do things outside of this law of balance, then there is destruction.

Why do humans who do not follow Allah's laws or natural laws, which are balanced or in pairs, will be destroyed?

The answer is

Hidden in the secret behind the verse: *"... you will never be able to do justice between wives, even though you really want to do so... (An Nisaa ': 4: 129)*

Apparently, Allah has declared, *"...you will never be able to do justice between wives...(An Nisaa': 4: 129)*

Why did Allah declare that men would not be able to do justice to their wives?

The answer is

Hidden in the secret behind the verse: *"...look over and over again, do you see something that is not balanced? (Al Mulk: 67: 3)*

Now here, Allah describes to the universe, to the heavens and the earth, that the heavens and the earth are in balance. Whatever living things exist on earth, everything is in balance. It means having a pair, which is evident in the atoms.

## **MAN WITH MORE THAN ONE WIFE, WILL NOT BE FAIR TO WIFE**

Now, we reveal the secret behind the verse: *"...if you are afraid that you will not be able to do justice, then only one...(An Nisaa': 4:3)*

Well, it turns out that Allah has declared *"...if you are afraid you will not be able to do justice...(An Nisaa': 4:3)* and indeed men will not be able to do justice to their wives, even though they want to do justice" *...you will never be able to do justice between wives, even though you really want to do so... (An Nisaa': 4:129)*

So now it has been revealed, the secret that is stored in the verse: *"... if you are afraid that you will*

*not be able to do justice, then only one... (An Nisaa ': 4: 3)*

That is, until the Day of Judgment men will not be able to do justice to their wives.

## CONCLUSION

Based on the description above, we can conclude that the secrets contained in the verse: *"...You never see in God's creation, the Most Gracious, something that is not balanced... (Al Mulk: 67: 3)*

Apparently, human life is not much different from any life in the universe.

Why is human life no different from any other life in the universe?
