**ABSTRACT**

Before I write down the problem under the protection of Allah's energy, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of being under the protection of Allah's energy, from the point of view of the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tools about being under the protection of Allah's energy, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a male and, of course, We would have doubted about them what they doubted about themselves." (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

*"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)*

*"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)*

*"He is Allah, Who created all that is on earth for you and He willed the skys, then He made the seven skys. And He is All-Knowing of all things. (Al Baqarah: 2:29)*

*"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look again and again, do you see anything that is not balanced? (Al*

**Mulk: 67: 3)**

*"The angels and spirit ascended to God in a day the measure of which was fifty thousand years (Al Ma'aarij: 70:4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"Those who when disaster strikes, they say: "Inna lillahi wa innaa ilaihi raaji'uun" Verily we belong to Allah and to Him we shall return. (Al Baqarah: 2: 156)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

In an effort to open the veil of Allah's secret about being under the protection of Allah's energy, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I put forward the hypothesis that Allah's energy came from the seven lost skys, before the seven skys that are now created, from the perspective of Deoxyribonucleic acid (DNA).

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **WHERE REALLY ALLAH GETS ALLAH'S ENERGY USED TO CREATE THE SEVEN LAYER SKY NOW**

Now, we are still concentrating on uncovering the secret behind the verse: "... Allah... willed the skys,

*then He made seven skys... Al Baqarah: 2: 29)*

Apparently, here Allah has declared, that Allah wills to create "*... the seven skys... Al Baqarah: 2: 29)*

However, now the problem is,

Where did Allah actually get Allah's energy to create the seven skys?

The answer is

Hidden in the secret behind the verse: "*...You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

Well, apparently Allah has opened a way that actually Allah's energy was used to create "*...the seven skys...Al Baqarah: 2:29)* which now comes from Allah's energy which was obtained when the previous seven heavens were lost.

How do people know that Allah created the seven skys before the seven skys that are now?

The answer is,

It is neatly tucked away in the secret behind the verse: "*...look over and over again, do you see something that is out of balance? (Al Mulk: 67:3)*

Well, here is the key, which is "*...balance (Al Mulk: 67: 3)*

That is, Allah created the seven skys which must now be "*...balanced (Al Mulk: 67: 3)* with the previous sky.

Because Allah created the seven skys now, so that in order to be balanced, in fact Allah has also created the seven skys before.

So, Allah created the previous seven skys that were lost, and now in their place Allah is creating again seven new skys.

The previous seven skys = the seven skys that were created now, so that "*... in balance (Al Mulk: 67: 3)*

Well, now it's been revealed where Allah's energy actually used to "*...create the seven skys in layers... (Al Mulk: 67:3)* which humans now live in.

So, Allah's energy was used to create quarks, 13 800 000 000 years ago, then atoms were formed from quarks, which then became "*...the seven layers of skys...(Al Mulk: 67:3)* with all its contents including humans, it originates from the divine energy that was obtained when the previous seven skys were lost.

## CONCLUSION

From what has been explained above, it can now be concluded that the secret behind the verse: "*... Allah... willed the skys, then He made seven skys... Al Baqarah: 2: 29)*

Apparently, here Allah has declared, that Allah wills to create "*... the seven skys... Al Baqarah: 2: 29)*

However, now the problem is,

Where did Allah actually get Allah's energy to create the seven skys?

The answer is

Hidden in the secret behind the verse: *"...You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

Well, apparently Allah has opened a way that actually Allah's energy was used to create *"...the seven skys...Al Baqarah: 2:29)* which now comes from Allah's energy which was obtained when the previous seven heavens were lost.

How do people know that Allah created the seven skys before the seven skys that are now?

The answer is,

It is neatly tucked away in the secret behind the verse: *"...look over and over again, do you see something that is out of balance? (Al Mulk: 67:3)*

Well, here is the key, which is *"...balance (Al Mulk: 67: 3)*

That is, Allah created the seven skys which must now be *"...balanced (Al Mulk: 67: 3)* with the previous sky.

Because Allah created the seven skys now, so that in order to be balanced, in fact Allah has also created the seven skys before.

So, Allah created the previous seven skys that were lost, and now in their place Allah is creating again seven new skys.

The previous seven skys = the seven skys that were created now, so that *"... in balance (Al Mulk: 67: 3)*

Well, now it's been revealed where Allah's energy actually used to *"...create the seven skys in layers... (Al Mulk: 67:3)* which humans now live in.

So, Allah's energy was used to create quarks, 13 800 000 000 years ago, then atoms were formed from quarks, which then became *"...the seven layers of skys...(Al Mulk: 67:3)* with all its contents including humans, it originates from the divine energy that was obtained when the previous seven skys were lost.
