ABSTRACT

First of all, by asking for forgiveness from Allah SWT, here I try to reveal the signs of the greatness of Allah SWT regarding what really is a strong reason for Allah, to marry my spirit with an nymph who was created directly in paradise, seen from the point of view of photons, quarks and the molecular structure of acids. nucleic acid or deoxyribonucleic acid (DNA)

Signs of the greatness of Allah SWT regarding what is actually a strong reason for Allah, to marry my spirit with an nymph created directly in heaven, is found in several verses, namely:

"Being in Jannah of pleasures (Al Waaqi'ah: 56:12)

"They reclined on couches in a row and We married them to beautiful nymphs with sharp eyes. (Ath Thuur: 52:20)

"In paradise there are good and beautiful angels. (Ar Rahmaan: 55: 70)

"In heaven there are fair maidens who lower their eyes politely, never touched by humans before them and not by jinn. (Ar Rahmaan: 55: 56)

"They have never been touched by humans before them nor by jinn. (Ar Rahmaan: 55: 74)

"They are on a cot enthroned with gold and gems, (Al Waaqi'ah: 56:15)

"Indeed We created them directly (Al Waaqi'ah: 56: 35)

"By bringing glasses, kettles and drinks taken from running water (Al Waaqi'ah: 56: 18)

"And the fruits of what they choose (Al Waaqi'ah: 56:20)

"and the meat of birds of what they desire. (Al Waaqi'ah: 56: 21)

"and banana trees stacked up (Al Waaqi'ah: 56: 29)

"He is the First and the Last, the Outward and the Inward, and He is All-Knower of all things. (Al Hadid: 57:3)

"The angels and spirit ascended to God in a day the measure of which was fifty thousand years (Al Ma'aarij: 70:4)

"And give good tidings to those who believe and do good, that for them are provided gardens with rivers flowing in them. Every time they are given sustenance of fruit in those paradises, they say: "This is what was given to them. us first." They are given similar fruits and for them are pure wives and they will abide therein (Al Baqarah: 2:25)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"So when I have perfected the scene and I breathed into it My spirit; then let you fall down prostrating to it (Shaad: 38:72)

"Allah promises the believers, male and female, Paradise under which rivers flow, they will abide therein, there are good places in Paradise 'Adn. And Allah's pleasure is greater; that is great fortune. (At Taubah: 9:72)

"Indeed Allah will admit those who believe and do righteous deeds into Paradises beneath which rivers flow. In Paradise they will be adorned with gold and pearl bracelets, and their clothes will be silk. (Al Hajj) :22:23)

"And We put before them a wall and behind them a wall, and We covered them so that they could not see. (Yaasiin: 36:9)

"Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises in which rivers flow. forever. They stay in it. That's a big win. (At Taubah: 9: 100)

"And We remove all kinds of hatred that is in their chests; rivers flow under them and they say: "Praise be to Allah who has shown us to this. And we will never be guided if Allah does not guide us. Verily, the messengers of our Lord have come, bringing the truth." And it was called out to them: "This is Paradise which has been bequeathed to you, because of what you used to do." (Al-A'raaf: 7:43)

"And when you look there (heaven), surely you will see various kinds of pleasures and a great kingdom. (Al Insaan: 76: 20)

"Allah, there is no god but He Who Lives eternally and continually takes care of; neither sleeps nor sleeps. To Him belongs what is in the heavens and the earth. No one can intercede with Allah without His permission? Allah knows what is before them and behind them, and they know nothing of Allah's knowledge except what He wills. Allah's seat covers the heavens and the earth. And Allah does not find it difficult to maintain them, and Allah is Most High, Most Merciful. Great.(Al Baqarah: 2:255)

"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"Their faces will be burned by the fire of hell, and they will be in that hell in disfigurement. (Al Mu'minun: 23:104)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

In an effort to unveil the greatness of Allah SWT regarding what is actually a strong reason for Allah, to marry my spirit with an nymph created directly in paradise, I use the basis of photons, quarks and the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

HYPOTHESIS

Here I propose the hypothesis of Allah marrying "...my spirit...(Shaad: 38: 72) with an nymph created directly in paradise, because paradise and all its contents will disappear, based on the photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid. acid (DNA)?

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHAT IS ACTUALLY ALLAH MARRIED MY SPIRIT WITH AN NYMPH THAT WAS CREATED DIRECTLY IN PARADISE

Now, we are still trying to focus our minds in order to uncover the secrets hidden behind the verse: *"they recline on the couches in a row and We married them to beautiful nymphs with sharp eyes. (Ath Thuur: 52: 20) " ...We created them directly (Al Waaqi'ah: 56: 35)*

Then, now the question arises,

Why did Allah marry *"...my spirit...(Shaad: 38:72) "...with an nymph...beautiful...(Ath Thuur: 52:20)* which *"...an nymph.. .(Ath Thuur: 52:20)* was created directly in paradise ?

The answer is

Well kept in the secret behind the verse: *"Allah, there is no god but He Who Lives eternally and continuously takes care of... (Al Baqarah: 2:255)*

Well, it turns out that only Allah *"...The Everlasting Life... (Al Baqarah: 2:255)*

So, because Allah *"...The Everlasting Life...(Al Baqarah: 2:255)*, then *"...My spirit...(Shaad: 38:72) "...nymph...(Ath Thuur: 52:20) "...paradise beneath which rivers flow...(At Taubah: 9:72) "...hell...(Al Mu'minuun: 23:104) "... seven skys in layers...(Al Mulk: 67: 3)* all of them are impermanent.

Actually what is called eternal is according to human calculations, not according to Allah's calculations. *"...The eternal life...(Al Baqarah: 2:255)* only Allah, not His creatures and His creation.

So, because of whatever is in paradise, hell, the seven layers of skys all of them have an end time

limit.

Well, with this strong reason, why did Allah marry "*...my spirit...(Shaad: 38:72) "...with an angel...beautiful...(Ath Thuur: 52:20)* who created directly in heaven.

LIFE IN PARADISE HAS A TIME LIMIT ACCORDING TO ALLAH'S CALCULATION

Because "*...my spirit...(Shaad : 38:72)* and "*...nymph...(Ath Thuur: 52:20)* will live in paradise until the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years.

Where the calculation of a very long age is according to human calculations, not according to Allah's calculations. Because according to Allah's reckoning everything has a time limit, the only one who has no time limit is "*...Eternal life...(Al Baqarah: 2:255)*

Now, it has been revealed, that Allah's strong reason for marrying "*...my spirit...(Shaad: 38:72) "...with an angel...beautiful...(Ath Thuur: 52:20)* is because life in paradise there is a time limit.

Because there is a time limit, in paradise there needs to be a source of life that can guarantee life "*...My spirit...(Shaad: 38:72)* and all that is in heaven.

Well, the source of life that can guarantee life in paradise is the addition of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms.

Allah created nymphs "*... directly (Al Waaqi'ah: 56: 35)* namely with hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms, because hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms are indispensable for survival. live in paradise.

So, the real reason Allah married "*...my spirit...(Shaad : 38:72)* with "*...angel...(Ath Thuur: 52:20)* in paradise is the need for additional hydrogen atoms, carbon atoms , oxygen atoms and nitrogen atoms for survival in paradise, until the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years.

CONCLUSION

From what has been described above we can now conclude that the secrets hidden behind the verse: "*they recline on the couches in a row and We married them to beautiful nymphs with sharp eyes. (Ath Thuur: 52: 20)* " *...We created them directly (Al Waaqi'ah: 56: 35)*

Then, now the question arises,

Why did Allah marry "*...my spirit...(Shaad: 38:72) "...with an nymph...beautiful...(Ath Thuur: 52:20)* which "*...an nymph.. (Ath Thuur: 52:20)* was created directly in paradise ?

The answer is

Well kept in the secret behind the verse: "*Allah, there is no god but He Who Lives eternally and continuously takes care of... (Al Baqarah: 2:255)*

Well, it turns out that only Allah "*...The Everlasting Life... (Al Baqarah: 2:255)*

So, because Allah "*...The Everlasting Life...(Al Baqarah: 2:255)*, then "*...My spirit...(Shaad: 38:72) "...nymph...(Ath Thuur: 52:20) "...paradise beneath which rivers flow...(At Taubah: 9:72) "...hell...(Al*

Mu'minuun: 23:104) "... seven skys in layers...(Al Mulk: 67: 3) all of them are impermanent.

Actually what is called eternal is according to human calculations, not according to Allah's calculations. *"...The eternal life...(Al Baqarah: 2:255) only Allah, not His creatures and His creation.*

So, because of whatever is in paradise, hell, the seven layers of skys all of them have an end time limit.

Well, with this strong reason, why did Allah marry *"...my spirit...(Shaad: 38:72) "...with an angel...beautiful...(Ath Thuur: 52:20) who created directly in heaven.*

Because *"...my spirit...(Shaad : 38:72) and "...nymph...(Ath Thuur: 52:20) will live in paradise until the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years.*

Where the calculation of a very long age is according to human calculations, not according to Allah's calculations. Because according to Allah's reckoning everything has a time limit, the only one who has no time limit is *"...Eternal life...(Al Baqarah: 2:255)*

Now, it has been revealed, that Allah's strong reason for marrying *"...my spirit...(Shaad: 38:72) "...with an angel...beautiful...(Ath Thuur: 52:20) is because life in paradise there is a time limit.*

Because there is a time limit, in paradise there needs to be a source of life that can guarantee life *"...My spirit...(Shaad: 38:72) and all that is in heaven.*

Well, the source of life that can guarantee life in paradise is the addition of hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms.

Allah created nymphs *"... directly (Al Waaqi'ah: 56: 35) namely with hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms, because hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms are indispensable for survival. live in paradise.*

So, the real reason Allah married *"...my spirit...(Shaad : 38:72) with "...angel...(Ath Thuur: 52:20) in paradise is the need for additional hydrogen atoms, carbon atoms , oxygen atoms and nitrogen atoms for survival in paradise, until the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years.*
