ABSTRACT

Before the author writes down the problem what is actually meant by Allah, when Allah created the skys and the earth, connected with the number twelve months, the writer first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of what is actually meant by Allah, when Allah created the skys and the earth, associated with the number twelve months, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about what Allah actually meant, when Allah created the heavens and the earth, associated with the number of twelve months, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"He arranges affairs from the heavens to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)

"Indeed the number of months with Allah is twelve months, in Allah's decree when He created the skys and the earth, of which four are forbidden. This is the straight religion, so do not persecute yourselves in those four months, and fight the polytheists. all of this as they fight all of you, and know that Allah is with those who fear Allah (At Taubah: 9:36)

"Did We not make the earth gathered together, (Al Mursalaat: 77: 25)

"the living and the dead (Al Mursalaat: 77:26)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about what Allah really meant, when Allah created the heavens and the earth, associated with the number twelve months, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes a hypothesis when Allah created the heavens and the earth, associated with the number twelve months, Allah has set the sun as the center, where the earth and other planets revolve around the sun, while the moon revolves around the earth, based on Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split,

then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

WITH WHAT REASON, ALLAH WHEN CREATED THE SUN, EARTH, OTHER PLANETS AND THE MOON ALREADY KNOWN THE NUMBER OF THE MONTHS, BUT IT HAPPENED SINCE 4600000000 YEARS AGO

Now, we are still concentrating on uncovering the secrets contained behind the verses: "*... the number of months with Allah is twelve months, in Allah's decree when He created the heavens and the earth... (At Taubah: 9 : 36)*

Apparently, Allah has declared "*... the number of months with Allah is twelve months... (At Taubah: 9: 36)*

Now the question arises,

What is an excuse by Allah "*... the number of months... is twelve months... (At Taubah: 9: 36)* when Allah "*...created the heavens and the earth... (At Taubah: 9: 36)* ?

It turns out, since 4.6 billion years ago, when Allah "*...created the heavens and the earth... (At Taubah: 9: 36)*, Allah has determined the sun to be the center of the cycle of the earth and other planets, and the earth is surrounded by the moon, which is in the solar cluster system.

So, for this reason, why did Allah declare "*...the number of months...is twelve months...(At Taubah: 9:36)*

That is, twelve times the moon around the earth, the same as once the earth around the sun. Or in other words, the earth revolves around the sun for 1 year, which is equal to 12 times the moon goes around the earth. Mathematically, 1 year = 12 months.

The question now is

Why did Allah declare "*...created the skys and the earth... (At Taubah: 9:36)*, whereas Allah created the sun, the earth, the other planets and the moon?

The answer is

Hidden in the secret behind the verse: *"... We have created man from an essence from the ground. (Al Mu'minuun: 23: 12)*

So, what Allah used as an excuse was *"... We have created man from an essence from the soil (Al Mu'minuun: 23: 12)*

That is, the closest to humans is the earth, not the sun and other planets.

So, from 4.6 billion years ago, Allah has decreed that the earth will be made as a place of *"...gathering, (Al Mursalaat: 77:25)" the living and the dead (Al Mursalaat: 77:26)*

Now the secret behind the verse has been revealed: *"... the number of months with Allah is twelve months... Allah's decree in time... created the skys and the earth... (At Taubah: 9: 36)*

That is, Allah has determined the sun to be the center of the cycle of the earth and the other planets, and the earth is surrounded by the moon, which is in the sun cluster system. Twelve times the moon revolves around the earth, the same as once the earth goes around the sun. The earth revolves around the sun in 1 year, which is equal to 12 times the moon goes around the earth.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"... the number of months with Allah is twelve months, in Allah's decree when He created the heavens and the earth... (At Taubah: 9 : 36)*

Apparently, Allah has declared *"... the number of months with Allah is twelve months... (At Taubah: 9: 36)*

Now the question arises,

What is an excuse by Allah *"... the number of months... is twelve months... (At Taubah: 9: 36)* when Allah *"...created the heavens and the earth... (At Taubah: 9: 36) ?*

It turns out, since 4.6 billion years ago, when Allah *"...created the heavens and the earth... (At Taubah: 9: 36)*, Allah has determined the sun to be the center of the cycle of the earth and other planets, and the earth is surrounded by the moon, which is in the solar cluster system.

So, for this reason, why did Allah declare *"...the number of months...is twelve months...(At Taubah: 9:36)*

That is, twelve times the moon around the earth, the same as once the earth around the sun. Or in other words, the earth revolves around the sun for 1 year, which is equal to 12 times the moon goes around the earth. Mathematically, 1 year = 12 months.

The question now is

Why did Allah declare *"...created the skys and the earth... (At Taubah: 9:36)*, whereas Allah created the sun, the earth, the other planets and the moon?

The answer is

Hidden in the secret behind the verse: *"... We have created man from an essence from the ground. (Al Mu'minuun: 23: 12)*

So, what Allah used as an excuse was *"... We have created man from an essence from the soil (Al Mu'minuun: 23: 12)*

That is, the closest to humans is the earth, not the sun and other planets.

So, from 4.6 billion years ago, Allah has decreed that the earth will be made as a place of *"...gathering, (Al Mursalaat: 77:25)" the living and the dead (Al Mursalaat: 77:26)*

Now the secret behind the verse has been revealed: *"... the number of months with Allah is twelve months... Allah's decree in time... created the skys and the earth... (At Taubah: 9: 36)*

That is, Allah has determined the sun to be the center of the cycle of the earth and the other planets, and the earth is surrounded by the moon, which is in the sun cluster system. Twelve times the moon revolves around the earth, the same as once the earth goes around the sun. The earth revolves around the sun in 1 year, which is equal to 12 times the moon goes around the earth.
