ABSTRACT

First of all, by asking forgiveness from Allah SWT here the author tries to reveal the signs of the greatness of Allah SWT regarding what Allah actually means, what is in the skies and on earth and what humans do, is recorded in a real book, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

The signs of Allah's greatness regarding what Allah actually means, whatever is in the skies and the earth and what humans do, are recorded in a clear book, contained in the verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth (Al Baqarah: 2: 186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"Indeed, We have adorned the skys near the stars, and We have made the stars casters of the devil, and We have prepared for them the torment of a fiery hell. (Al Mulk: 67: 5)

"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa': 21:16)

"So He made it seven skys in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)

"Allah created the skys and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankaboot: 29: 44)

"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"And Mary, the daughter of Imran, who kept her honor, so We breathed into her some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient ones. (At Tahrir: 66:12)

"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)

"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"No calamity befalls on the earth and on yourselves except that it was written in the book before We created it. Surely that is easy for Allah. (Al Hadid: 57:22)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"You are not in a situation and do not read a verse from the Qur'an and you do not do a job, but We are witnesses over you when you do it. It does not escape the knowledge of your Lord, even if it is as big as an zarrah on earth or in the sky. There is nothing more small and not greater than that, but in a clear book (Jonah: 10:61)

"And there are no animals on earth and no birds that fly with two wings, but a people like you. We have not forgotten anything in the Book, then to God they are brought together. (Al An'am: 6:38)

In an effort to open the veil of the greatness of Allah SWT regarding the secret of what Allah actually means, whatever is in the skys and on earth and what humans do, is recorded in real books, the author uses the basis of photons, quarks and the molecular structure of acids. nucleic acid or deoxyribonucleic acid (DNA).

HYPOTHESIS

Here the author proposes a hypothesis of what is in the skys and on earth and what is done by humans, recorded in a real book, which contains imitation of whatever is in the skys and earth and from what humans do, based on to the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHAT ACTUALLY MEANS BY ALLAH, WHAT IS IN THE SKY AND ON EARTH, AND WHAT HUMANS DO, EVERYTHING IS RECORDED IN REAL BOOKS

Now, let's research together and uncover the secrets that lie behind the verses: *"...it was written in the book before We created it...(Al Hadid: 57:22)" "...Does not escape the knowledge of your Lord, even though it is as big as particles on earth or in the sky. There is nothing smaller and nothing greater than that, but in a clear book (Yunus: 10:61)*

It turns out that here, Allah has declared *"...There is nothing smaller and nothing greater than that, but in a clear book (Yunus: 10:61)*

Now the question arises,

What exactly is meant by Allah *"...in a real book (Yunus: 10:61)?*

The answer is

Hidden in the secret behind the verse: *"...We are witnesses against you when you do it. It does not escape the knowledge of your Lord, even if it is as big as an atom on earth or in the sky...(Yunus: 10:61)*

Now, it turns out that Allah has *"...became a witness against you when you did it...(Yunus: 10:61)*

How did Allah *"...be a witness...(Yunus: 10:61) ?*

The answer is *"... I breathed on him my spirit... (Shaad: 38: 72)*

Well, apparently, Allah "...became a witness...(Yunus: 10:61) through "...my spirit...(Shaad: 38:72) or "...Allah's spirit...(Shaad : 38: 72) which is blown into the human body through the "...*(mother)'s womb... (Al Anbiyaa ' : 21: 91)*

So, because "...Allah's spirit...(Shaad : 38: 72) is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, it is easy for Allah to know what humans are doing.

Not only is it a witness to human actions, but also Allah knows what is in the skys and the earth and all that is in it. Because Allah "...blows...Allah's spirit...(Shaad : 38:72) into whatever is in the skys and on the earth.

Here Allah not only witnesses what humans do, and witnesses whatever is in the skys and on earth, make a copy of everything and is stored "...in a real book (Yunus: 10:61)

So, what is meant by Allah "...the real book (Yunus: 10: 61) is hidden in a secret behind the verse: "...You never see in the creation of the Most Gracious God anything that is not balanced... (Al Mulk: 67: 3)

Well, whatever is in the seven skys, everything is "... balanced... (Al Mulk: 67: 3) and whatever is in the skys and on earth is not lost.

So, whatever is in the skys and on earth is made a copy. That is, everything in the skys and on earth, including humans, has a copy.

How did Allah make a copy of all that is in the skys and on earth?

The answer is that Allah uses Allah's energy and Allah's particles to make a copy of whatever is in the skys and on earth. Then the copy is stored in skys 2 to sky 7, because Allah "...has created the seven skys in layers... (Al Mulk: 67: 3).

Sky 1 is the sky where the earth and all the planets and sun are located. Meanwhile, sky 2 to sky 7 is a place to store a copy of what is in sky 1.

Now the secret behind the verse has been revealed: "...There is nothing smaller and nothing greater than that, but in a clear book (Yunus: 10:61)

It means, "...the real book (Yunus: 10:61) is all the copy of whatever is in skys 1 which is stored in sky 2 - sky 7.

Because whatever is in sky 1 is not lost, then a copy is made of everything in sky 1. This copy, which is called "...the real book (Jonah: 10: 61) is stored in sky 2 - sky 7.

CONCLUSION

Based on the description above, we can conclude that the secrets that lie behind the verses: "...it was written in the book before We created it...(Al Hadid: 57:22)" "...Does not escape the knowledge of your Lord, even though it is as big as particles on earth or in the sky. There is nothing smaller and nothing greater than that, but in a clear book (Yunus: 10:61)

It turns out that here, Allah has declared "...There is nothing smaller and nothing greater than that, but in a clear book (Yunus: 10:61)

Now the question arises,

What exactly is meant by Allah "*...in a real book (Yunus: 10:61)*?

The answer is

Hidden in the secret behind the verse: "*...We are witnesses against you when you do it. It does not escape the knowledge of your Lord, even if it is as big as an atom on earth or in the sky...(Yunus: 10:61)*

Now, it turns out that Allah has "*...became a witness against you when you did it...(Yunus: 10:61)*

How did Allah "*...be a witness...(Yunus: 10:61)* ?

The answer is "*... I breathed on him my spirit... (Shaad: 38: 72)*

Well, apparently, Allah "*...became a witness...(Yunus: 10:61)* through "*...my spirit...(Shaad: 38:72)* or "*...Allah's spirit...(Shaad : 38: 72)* which is blown into the human body through the "*...(mother)'s womb... (Al Anbiyaa ' : 21: 91)*

So, because "*...Allah's spirit...(Shaad : 38: 72)* is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, it is easy for Allah to know what humans are doing.

Not only is it a witness to human actions, but also Allah knows what is in the skys and the earth and all that is in it. Because Allah "*...blows...Allah's spirit...(Shaad : 38:72)* into whatever is in the skys and on the earth.

Here Allah not only witnesses what humans do, and witnesses whatever is in the skys and on earth, make a copy of everything and is stored "*...in a real book (Yunus: 10:61)*

So, what is meant by Allah "*...the real book (Yunus: 10: 61)* is hidden in a secret behind the verse: "*...You never see in the creation of the Most Gracious God anything that is not balanced... (Al Mulk: 67: 3)*

Well, whatever is in the seven skys, everything is "*... balanced... (Al Mulk: 67: 3)* and whatever is in the skys and on earth is not lost.

So, whatever is in the skys and on earth is made a copy. That is, everything in the skys and on earth, including humans, has a copy.

How did Allah make a copy of all that is in the skys and on earth?

The answer is that Allah uses Allah's energy and Allah's particles to make a copy of whatever is in the skys and on earth. Then the copy is stored in skys 2 to sky 7, because Allah "*...has created the seven skys in layers... (Al Mulk: 67: 3).*

Sky 1 is the sky where the earth and all the planets and sun are located. Meanwhile, sky 2 to sky 7 is a place to store a copy of what is in sky 1.

Now the secret behind the verse has been revealed: "*...There is nothing smaller and nothing greater than that, but in a clear book (Yunus: 10:61)*

It means, "*...the real book (Yunus: 10:61)* is all the copy of whatever is in skys 1 which is stored in sky 2 - sky 7.

Because whatever is in sky 1 is not lost, then a copy is made of everything in sky 1. This copy, which is called "*...the real book (Jonah: 10: 61)*" is stored in sky 2 - sky 7.
