ABSTRACT

Before the author writes down the problem what is really meant by Allah, Allah take care of the interests from skys to earth, even though Allah is near, in the human body, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of what Allah really means, Allah take care of the interests from skys to earth, even though Allah is near, is in the human body, based on Deoxyribonucleic acid (DNA)

There are several verses that open Allah's secrets about what Allah really means, Allah take care of the interests from the skys to the earth, even though Allah is near, in the human body, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves." (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"He who created the skys and the earth in six days: Then He resides on the Throne. He knows what enters the earth and what comes out of it and what descends from the heavens and what ascends to Him. And He is with you everywhere. you are in. And Allah is All-Seeing of what you do. (Al Hadid: 57:4)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"He take care of the interests from the skys to the earth, then it ascends to Him in one day whose level is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa ': 21:16)

"So He made it seven skys in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)

"Allah created the skys and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"So he put a veil from them; then We sent Our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"And Maryam, the daughter of Imran, who kept her honor, so We breathed into her womb some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient. (At Tahrim: 66:12)

"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)

"And everything they have done is recorded in the books of records (Al Qamar: 54: 52)

"Read your book, it is enough for yourself at this time to be reckoning against you." (Al Israa ': 17: 14)

"And We made a wall before them and behind them a wall, and We covered them so that they could

not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about what Allah really means, Allah take care of the interests from skys to earth, even though Allah is near, is in the human body, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author puts forward the hypothesis that Allah take care of the interests from the skys to the earth, whereas Allah is near, in the human body, because the sky is an expanse of space, above which is the earth, so, in fact, Allah regulates affairs directly from the earth, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

WHAT DOES ALLAH REALLY MEAN, ALLAH TAKE CARE OF THE INTERESTS FROM THE SKY TO THE EARTH, BUT ALLAH IS NEAR, IN THE HUMAN BODY

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"He take care of the interests from the skys to the earth... whose content is a thousand years according to your calculations (As Sajdah: 32: 5) "Angels and spirits ascend to God in a day whose levels are fifty thousand years (Al Ma'aarij: 70:4)"...He is with you wherever you are...(Al Hadiid: 57:4)"...He... blows into it His spirit ... (As Sajdah: 32: 9) "... We are closer to him than his jugular vein (Qaf: 50:16)*

Apparently, Allah has declared *"Allah take care of the interests from the skys to the earth... a day whose*

content is a thousand years according to your calculations (As Sajdah: 32: 5)

So, now the question is,

What does Allah actually mean by "*...from skys to earth...(As Sajdah: 32:5)?*"

The answer is hidden in the secret behind the verse: "*... We decorate the sky that is close to the stars... (Fushshilat: 41:12)*"

Well, the sky is an expanse of space on which there are stars, planets, earth and moon. So if the sky is seen from the earth, then the sky is an expanse of space around the earth.

So, actually, the sky is a stretch of space that the earth is above.

Well, now it's been revealed, the secret behind the verse: "*He take care of the interests of the skys to the earth ... (As Sajdah: 32: 5)*" in fact, Allah regulates the affairs of the earth.

As for Allah stating "*He take care of the interests from the sky to the earth ... (As Sajdah: 32: 5)*" it refers to human habits which if the eye looks up, it means that above is the sky. Even though what is called the sky is an expanse of room on which there is earth, planets and stars.

So, why when Allah take care of the interests it takes $365.2596 \times 1000 = 365259.6$ days according to human calculations?

Because affairs on earth require a process of time, based on Allah's law or natural law. When the sun, earth and other planets that revolve around the sun, were created by Allah, it took 4.6 billion years.

CONCLUSION

From what has been explained above, it can be concluded that the secrets contained behind the verses: "*He take care of the interests from the skys to the earth... whose content is a thousand years according to your calculations (As Sajdah: 32: 5)*" "*Angels and spirits ascend to God in a day whose levels are fifty thousand years (Al Ma'aarij: 70:4)*" "*...He is with you wherever you are...(Al Hadiid: 57:4)*" "*...He... blows into it His spirit ... (As Sajdah: 32: 9)*" "*... We are closer to him than his jugular vein (Qaf: 50:16)*"

Apparently, Allah has declared "*Allah take care of the interests from the skys to the earth... a day whose content is a thousand years according to your calculations (As Sajdah: 32: 5)*"

So, now the question is,

What does Allah actually mean by "*...from skys to earth...(As Sajdah: 32:5)?*"

The answer is hidden in the secret behind the verse: "*... We decorate the sky that is close to the stars... (Fushshilat: 41:12)*"

Well, the sky is an expanse of space on which there are stars, planets, earth and moon. So if the sky is seen from the earth, then the sky is an expanse of space around the earth.

So, actually, the sky is a stretch of space that the earth is above.

Well, now it's been revealed, the secret behind the verse: "*He take care of the interests of the skys to the earth ... (As Sajdah: 32: 5)*" in fact, Allah regulates the affairs of the earth.

As for Allah stating "*He take care of the interests from the sky to the earth ... (As Sajdah: 32: 5)*" it refers to human habits which if the eye looks up, it means that above is the sky. Even though what is called the sky is an expanse of room on which there is earth, planets and stars.

So, why when Allah take care of the interests it takes $365.2596 \times 1000 = 365259.6$ days according to human calculations?

Because affairs on earth require a process of time, based on Allah's law or natural law. When the sun, earth and other planets that revolve around the sun, were created by Allah, it took 4.6 billion years.
