ABSTRACT

First of all, by asking forgiveness from Allah SWT here I try to reveal the signs of Allah SWT's greatness about what it really is, what is meant by Allah, with stars as a tool to throw satan, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (deoxyribonucleic acid). DNA)

In the Qur'an, several verses are found that are the key to unlocking the secret, what it really is, what is meant by Allah, with the star as a tool to throw the satan, namely the verses:

"O congregation of jinn and humans, if you are able to penetrate the corners of the heavens and the earth, then cross it, you cannot penetrate it except with knowledge (Ar Rahmaan: 55: 33)

"We will pay full attention to you, O humans and jinn. (Ar Rahmaan: 55: 31)

"Say: "It has been revealed to you that you have heard a group of jinn, then they say: Verily, we have heard a wonderful Qur'an, (Al-Jin: 72:1)

"And that when the servant of Allah stood worshipping Him, the jinn were almost forced to swarm around him. (Al Jin: 72: 19)

"The angels answered: "Glory be to You. You are our protector, not them; even they have worshiped the jinn; most of them believe in the jinn." (Saba': 34: 41)

"And that there are some men among mankind asking for protection from some men among the jinn, then the jinn add to their sins and faults. (Al Jin: 72: 6)

"And when We confronted you with a group of jinn who listened to the Qur'an, then when they attended the recitation they said: "Be quiet." When the recitation was finished they returned to their people giving a warning. (Al Ahqaaf: 46: 29)

"And verily among us there are those who are pious and among us there are those who are not. We are taking different paths. (Al Jin: 72:11)

"And verily among us are those who obey and there are those who deviate from the truth. Whoever is obedient, then they have indeed chosen the straight path. (Al Jin: 72:14)

"... the devil. He is from the jinn group... (Al Kahf: 18: 50)

"And He created the jinn from a flame of fire. (Ar Rahmaan: 55-:15)

"And We created the jinn before from a very hot fire. (Al Hijr: 15: 27)

"They were never touched by humans before them, nor by jinn. (Ar Rahmaan: 55: 74)

"And verily We have created man from dry clay from black mud which was given shape. (Al Hijr: 15: 26)

"And we used to be able to occupy several places in the sky to listen. But now whoever listens will

certainly find fire arrows lurking. (Al Jin: 72: 9)

"O group of jinn and humans, have there not come to you messengers from your own group, who conveyed to you My Signs and warned you against your meeting with this day? They said: "We are witnesses against ourselves", the life of this world have deceived them, and they bear witness against themselves that they are disbelievers (Al An'aam: 6 130)

"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)

"except the devil who steals who can be heard and then he is chased by a bright burst of fire. Al Hijr: 15:18)

"Indeed, We have adorned the heavens near the stars, and We have made the stars to throw the devils, and We have prepared for them the torment of a blazing Hell." (Al-Mulk: 67: 5)

"And thus We made enemies for every prophet, namely the devils of humans and jinn, some of them whispering to others beautiful words to deceive. If your Lord willed, they would not have done it, then leave them and what they invented.(Al An'aam: 6:112)

"And We have subdued a group of devils who dive for him and do work other than that, and We are taking care of them (Al Anbiyaa ': 21: 82)

"Then both of them were derailed by the devil from heaven and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a place to live on earth, and the pleasure of living to an appointed time." (Al Baqarah: 2:36)

Allah said: "What prevented you from prostrating when I commanded you?" The devil replied "I am better than him: You created me from fire while You created him from clay." (Al A'raaf: 7:12)

"And assembled for Solomon his army of jinn, humans and birds and then they were arranged in an orderly manner. (An Naml: 27:17)

In an attempt to unmask what it really is, what Allah meant, with the star as a tool to throw the satan, I based on photons, quarks and deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESES

Here I propose the hypothesis that Allah intended, with stars as a tool to throw the satan, is hydrogen atoms to combine with oxygen atoms, from the point of view of photons, quarks and Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom,

4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHAT DOES ALLAH REALLY MEAN, THE SATAN IS PELTED WITH STARS

Now, we are still trying to focus our minds to reveal the secrets that are stored in the verses: "*... We have adorned the sky close to the stars, and We made the stars the tools of throwing the devil... (Al Mulk: 67: 5) "... the devil who steals that can be heard and then he is chased by a bright burst of fire (Al Hijr: 15: 18) "... a group of devils who dive... and doing work other than that ... (Al Anbiyaa ' : 21: 82)*

Well, it turns out, the satan who can't fly and the satan who works diving, but in "*...bursts... bright fire (Al Hijr: 15:18)* and is pelted with "*...stars...(Al Mulk : 67: 5)*

So, what is meant by Allah "*...the stars are the throwing tools of the satan...(Al Mulk: 67: 5)?*

The answer is hidden in the secret behind the verse: "*Then both of them were derailed by the satan from heaven and brought out of their original state... (Al Baqarah: 2:36)*

Well, it turns out that this satan is a kind of devil, where the devil is "*...created...from fire...(Al A'raaf: 7:12)*

That is, the bodies of satans and devils are built with hydrogen atoms and oxygen atoms. Where hydrogen atoms are present in stars as fuel, oxygen atoms exist on earth and oxygen atoms are combustible, but easily oxidize with other atoms, such as with hydrogen atoms, to form water.

Now, when Allah declares "*... We made the stars as tools to throw the devil... (Al Mulk: 67:5)*, the meaning here is to make satan helpless, it needs to be sprayed with hydrogen atoms, the fuel for stars, by spraying hydrogen atoms into the satan whose body is built by oxygen atoms, then the satan becomes cold, because the hydrogen atoms from the star unite with oxygen atoms from the satan's body, it becomes water.

Or in other words, when there are humans whose thoughts and behavior resemble the satan's, then it is necessary for the human to be bathed, so that the body feels cool and the head is cold, or told to drink lots of cool water.

ACTUALLY SATAN IS A PART OF THE HUMAN BODY, BECAUSE IN THE HUMAN BODY THERE ARE HYDROGEN ATOMS, OXYGEN ATOMS, CARBON ATOMS AND NITROGEN ATOMS

Well, the satan was created by Allah from a hot fire, while the hot fire is an oxygen atom. Where is the oxygen atom in the human body.

So, actually satan is the incarnation of humans that leads to bad and negative thoughts and behaviors.

If humans think and behave in ways that are bad and negative, it indicates that the thoughts and behavior of humans are the thoughts and behavior of the satan.

In the human body is a picture of the form of satan, if the thoughts and behavior of humans lead to bad and negative directions, then the human has described the form of satan.

Now, it has been revealed, the secret hidden behind the verse: "*... We made the stars as tools to throw the satan... (Al Mulk: 67: 5)*

That is to make satan helpless, it needs to be sprayed with hydrogen atoms, the fuel for stars, by spraying hydrogen atoms into the satan whose body is built by oxygen atoms, then satan is cold, because the hydrogen atoms from the stars unite with oxygen atoms from the satan's body, be water.

CONCLUSION

Based on the description above, we can conclude that the secrets that are stored in the verses: "*... We have adorned the sky close to the stars, and We made the stars the tools of throwing the devil... (Al Mulk: 67: 5) "... the devil who steals that can be heard and then he is chased by a bright burst of fire (Al Hijr: 15: 18) "... a group of devils who dive... and doing work other than that ... (Al Anbiyaa ' : 21: 82)*

Well, it turns out, the satan who can't fly and the satan who works diving, but in "*...bursts... bright fire (Al Hijr: 15:18)* and is pelted with "*...stars...(Al Mulk : 67: 5)*

So, what is meant by Allah "*...the stars are the throwing tools of the satan...(Al Mulk: 67: 5)?*

The answer is hidden in the secret behind the verse: "*Then both of them were derailed by the satan from heaven and brought out of their original state... (Al Baqarah: 2:36)*

Well, it turns out that this satan is a kind of devil, where the devil is "*...created...from fire...(Al A'raaf: 7:12)*

That is, the bodies of satans and devils are built with hydrogen atoms and oxygen atoms. Where hydrogen atoms are present in stars as fuel, oxygen atoms exist on earth and oxygen atoms are combustible, but easily oxidize with other atoms, such as with hydrogen atoms, to form water.

Now, when Allah declares "*... We made the stars as tools to throw the devil... (Al Mulk: 67:5)*, the meaning here is to make satan helpless, it needs to be sprayed with hydrogen atoms, the fuel for stars, by spraying hydrogen atoms into the satan whose body is built by oxygen atoms, then the satan becomes cold, because the hydrogen atoms from the star unite with oxygen atoms from the satan's body, it becomes water.

Or in other words, when there are humans whose thoughts and behavior resemble the satan's, then it is necessary for the human to be bathed, so that the body feels cool and the head is cold, or told to drink lots of cool water.

Well, the satan was created by Allah from a hot fire, while the hot fire is an oxygen atom. Where is the oxygen atom in the human body.

So, actually satan is the incarnation of humans that leads to bad and negative thoughts and behaviors.

If humans think and behave in ways that are bad and negative, it indicates that the thoughts and behavior of humans are the thoughts and behavior of the satan.

In the human body is a picture of the form of satan, if the thoughts and behavior of humans lead to bad and negative directions, then the human has described the form of satan.

Now, it has been revealed, the secret hidden behind the verse: "*... We made the stars as tools to throw the satan... (Al Mulk: 67: 5)*

That is to make satan helpless, it needs to be sprayed with hydrogen atoms, the fuel for stars, by

spraying hydrogen atoms into the satan whose body is built by oxygen atoms, then satan is cold, because the hydrogen atoms from the stars unite with oxygen atoms from the satan's body, be water.
