ABSTRACT

Before I write down the problem, what is behind the thoughts of most people in the world who are still waiting for the coming of Jesus, Mahdi and Messiah, even though what they are waiting for is in material form, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about what is behind the thoughts of most people in the world who are still waiting for the coming of Jesus, Mahdi and Messiah, even though what they are waiting for is in the form of matter, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about what is behind the thoughts of most people in the world who are still waiting for the coming of Jesus, Mahdi and Messiah, even though what they are waiting for is in material form, namely the following verses:

"... when Allah said: "O Jesus, indeed I will take your life and raise you to Me and cleanse you from those who disbelieve, and make those who follow you above those who disbelieve until the Day the Day of Resurrection. Then to Me is your return, then I will judge between you about things that you always disagree with." (Ali 'Imran: 3:55)

"And because of their saying: "Indeed we have killed the Messiah, Jesus son of Mary, Allah's Apostle", even though they did not kill him and did not crucify him, but those who were likened to Jesus for them. Indeed, those who disagree about Jesus are correct. -true in doubting about who was killed. They have no confidence about who was killed, except following mere suspicion, they are not sure that the one they killed was Isa. (An Nisaa ': 4: 157)

"But Allah has raised Jesus to Him. And Allah is Mighty, Most Wise. (An Nisaa ': 4: 158)

"There is none of the People of the Book, but will believe in him before his death. And on the Day of Resurrection Jesus will be a witness against them. (An Nisaa': 4: 159)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"Indeed, for example, Jesus in the sight of Allah, is like Adam. Allah created Adam from clay, then Allah said to him: "Be", so he was. (Ali 'Imran : 3:59)

The Messiah, the son of Mary, was only an Apostle, in fact several messengers had passed before him, and his mother was a very righteous man, both of whom used to eat food. Watch how We explain to them the signs of power, then watch how they turn away. (Al Maa'idah: 5:75)

"O People of the Book, do not transgress in your religion, and say nothing of Allah except the truth. Verily, the Messiah, Jesus, the son of Mary, is the Messenger of Allah and His words which He conveyed to Mary, and a spirit from Him. So believe in Allah and His messengers and do not say: "Three", stop. Better for you. Verily, Allah is the One God, Glory be to Allah from having children, all that is in the heavens and on earth belongs to Him. It is enough for Allah to be the Sustainer. (An Nisaa ': 4: 171)

"Indeed, We have revealed to you as We have revealed to Noah and the prophets who followed him, and We have given revelation to Abraham, Isma'il, Isaac, Ya'qub and their descendants, Isa, Ayub, Yunus, Aaron and Solomon. And We gave the Zabur to David. (An Nisaa ': 4: 163)

"Be patient with all that they say; and remember Our servant David who has strength; indeed he is very obedient (Shaad: 38:17)

"Whoever argues with you about the story of Jesus after knowledge came, then say: "Let us call our children and your children, our wives and your wives, ourselves and yourself; then let us convert to Allah. and we ask that the curse of Allah be upon those who lie.(Ali 'Imran: 3:61)

In an effort to open the veil of Allah's secret about what is behind the thoughts of most people in the world who are still waiting for the coming of Jesus, Mahdi and Messiah, even though what they are waiting for is in material form, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESES

Here I put forward the hypothesis that Jesus, Mahdi and Messiah existed in the form of matter, which is an arrangement of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, which atoms are near to us today, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHAT REALLY ARE WAITING FOR MOST PEOPLE IN THE WORLD WHO STILL WANTS THE COMING OF JESUS, MAHDI AND THE MESSIAH THE INCARNATION OF DAVID

Now, we are still focusing our minds on uncovering the secret behind the verses: *"... "O Jesus, indeed I will take your life and raise you up to Me...(Ali 'Imran: 3:55)"Come on, let us call our children and your children, our wives and your wives, ourselves and yourselves; then let us turn to Allah...(Ali 'Imran: 3:61)"...Our servant David who has strength...(Shaad: 38:17)*

Apparently, here Allah has declared, that Jesus, Prophet David and Ali bin Abi Talib have died

However, why are there still many people in the world waiting for the arrival of the dead, what exactly are they waiting for?

Well the answer is

Hidden in the secret behind the verse: *"...I breathed into him my spirit...(Shaad: 38: 72)*

It turns out that what most people are waiting for in today's world is the arrangement of atoms that make up the *"...spirit...(Shaad: 38:72)* which is blown by Allah into their mother's womb. Where the arrangement of the atoms is hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Or in other words, *"...spirit...(Shaad: 38:72)* that is blown by Allah into their mother's womb is deoxyribonucleic acid (DNA) or deoxyribonucleic acid or the molecular structure of nucleic acid, which is present in sperm from the father's side and in the egg from the mother.

JEWES WAITING FOR THE DIRECT DESCENT OF THE PROPHET DAVID, THE FOLLOWERS OF JESUS STILL WAITING FOR THE ARRIVAL OF JESUS, THE FOLLOWERS OF ALI BIN ABI TALIB STILL WAITING FOR THE IMAM NUMBER 12

Now, the Jews, until this moment, are still waiting for the arrival of a direct descendant of the Prophet David, who if in the future appears, will be given the title of messiah. Where this messiah will be appointed to lead the land of Israel today.

However, until this moment, the Jews, just waiting and waiting, the coming of the offspring
"...David who has power...(Shaad: 38:17)

Also the followers of Jesus who have died, are still waiting for the coming of Jesus on this earth
"... "O Jesus, indeed I will take your life... (Ali 'Imran: 3:55)

Likewise, the followers of Ali bin Abi Talib, Ali bin Abi Talib married to Fatima, the daughter of the Prophet Muhammad, are still waiting for the Mahdi, the title given to imam number 12 who has been considered missing, even though he has died *"... we call the child -our children and your children, our wives and your wives, ourselves and yourselves...(Ali 'Imran: 3:61)*

THE MESSIAH, JESUS AND THE IMAM NUMBER 12 HAVE DIED, WHAT IS THE COMPOSITION OF ALLAH'S SPIRIT IN THE FORM OF HYDROGEN ATOMS, CARBON ATOMS, NITROGEN ATOMS AND OXYGEN ATOMS

Well, it turns out that what most people in this world have been waiting for, actually, already exists, but in the form of *"..spirit ... (Shaad: 38: 72)* which is blown by Allah into their mother's womb. Which *".. spirit ... (Shaad: 38: 72)* is an arrangement of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Or in the form of deoxyribonucleic acid (DNA)

So, actually, when the Messiah, Jesus and Imam number 12 died, their *"...spirits...(Shaad: 38:72)* in the form of an arrangement of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, came out of their bodies. , and gathered together with other *"..spirits...(Shaad : 38: 72)* who had died before. Where *".. spirits ... (Shaad : 38: 72)* has already received a decision from Allah, whether *".. spirit ... (Shaad: 38: 72)* is either put into paradise or they have to go to hell, depending on what they did on earth when they were alive.

HUMANS IN THE WORLD CANNOT SEE THE SPIRIT OF THE MESSIAH, THE SPIRIT OF JESUS AND THE SPIRIT OF THE IMAM 12

Well, because the human eye's vision is limited, it can only see light in the electromagnetic spectrum area between 430 and 740 nanometers, then *".. spirit... (Shaad : 38: 72)* of Messiah, *".. spirit... (Shaad : 38 : 72)* of Jesus and *".. spirit...(Shaad : 38: 72)* of Imam 12 is invisible to the human eye, even though *".. spirits... (Shaad : 38: 72)* they are all around us.

Where *".. spirit ... (Shaad: 38: 72)* is in the area of the electromagnetic spectrum below 430 nanometers and in the area of the electromagnetic spectrum above 740 nanometers, so that the human eye cannot see *".. spirit ... (Shaad: 38 : 72)*.

Now, it has been revealed, the secret that is hidden behind the verses: *"... "O Jesus, indeed I will take your life...(Ali 'Imran: 3:55)"...we call our children and their children. -your children, our wives and your wives, ourselves and yourselves...(Ali 'Imran: 3:61)"...David who has power...(Shaad: 38:17)*

It means, the Messiah, Jesus and the Imam 12 who was awaited by most of the people in the world, have died, but their *"..spirit...(Shaad: 38:72)* continue to live, do not die, only humans in the world cannot see it.

CONCLUSION

Based on the description above, we can conclude that the secret behind the verses: *"... "O Jesus, indeed I will take your life and raise you up to Me...(Ali 'Imran: 3:55)"Come on, let us call our children and your children, our wives and your wives, ourselves and yourselves; then let us turn to Allah...(Ali 'Imran: 3:61)"...Our servant David who has strength...(Shaad: 38:17)*

Apparently, here Allah has declared, that Jesus, Prophet David and Ali bin Abi Talib have died

However, why are there still many people in the world waiting for the arrival of the dead, what exactly are they waiting for?

Well the answer is

Hidden in the secret behind the verse: *"...I breathed into him my spirit...(Shaad: 38: 72)*

It turns out that what most people are waiting for in today's world is the arrangement of atoms that make up the *"...spirit...(Shaad: 38:72)* which is blown by Allah into their mother's womb. Where the arrangement of the atoms is hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Or in other words, *"...spirit...(Shaad: 38:72)* that is blown by Allah into their mother's womb is deoxyribonucleic acid (DNA) or deoxyribonucleic acid or the molecular structure of nucleic acid, which is present in sperm from the father's side and in the egg from the mother.

Now, the Jews, until this moment, are still waiting for the arrival of a direct descendant of the Prophet David, who if in the future appears, will be given the title of messiah. Where this messiah will be appointed to lead the land of Israel today.

However, until this moment, the Jews, just waiting and waiting, the coming of the offspring *"...David who has power...(Shaad: 38:17)*
