ABSTRACT

Before I write down the problem of whether it is true in angels, so that in order to live a balanced life, angels have positive and negative traits, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about whether it is true in angels, so that in order to live a balanced life, angels have positive and negative traits, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about whether it is true in angels, so that in order to live a balanced life, angels have positive and negative characteristics, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"The paradise of 'Adn which they enter together with the righteous from their fathers, wives and offspring, while the angels enter their places from all doors; (Ar Ra'd: 13:23)

"And each one came, with him an angel of escort and an angel of witness. (Qaf: 50: 21)

"O you who believe, protect yourselves and your families from a hell fire whose fuel is people and stones; its guardians are angels who are harsh, harsh, and do not disobey Allah in what He commands them and always do what is commanded. (At Tahrir : 66: 6)

"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)

"And give good tidings to those who believe and do good, that for them are provided gardens with rivers flowing in them. Every time they are given sustenance of fruit in those paradises, they say: "This is what was given to them. us first." They are given similar fruits and for them are pure wives and they will abide therein (Al Baqarah: 2:25)

"... when Allah promised you that one of the two groups was for you, while you wished that the one who did not have the power of arms was for you, and Allah wanted to justify the truth with His verses and destroy the disbelievers, (Al Anfaal : 8: 7)

"...when you ask your Lord for help, then He will allow you: "Indeed I will bring reinforcements to you with a thousand angels who come in succession." (Al Anfaal: 8: 9)

"And Allah did not make it but as good news and so that your heart may find peace because of it. And victory is only from the side of Allah. Verily Allah is Mighty and Wise. (Al Anfaal: 8:10)

"...when your Lord revealed to the angels: "Verily I am with you, so strengthen those who have believed." Later I will strike fear into the hearts of the disbelievers, so cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)

"That Allah may establish the right and cancel the falsehood even though the sinners do not like it. (Al Anfaal: 8:8)

"And when We said to the angels: "Prostrate yourselves to Adam, then prostrate them except Satan. He is from the group of jinn, so he disobeys the command of his Lord. Should you take him and his descendants as leaders other than Me, while they are your enemies? It is very bad that the devil is a substitute for the wrongdoers. (Al Kahf: 18: 50)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about whether it is true in angels, so that in order to live a balanced life, angels have positive and negative traits, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose a hypothesis that in order to live a balanced life, angels have positive and negative characteristics, because angels are a kind of human being, from the point of view of Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

IN ORDER THAT ANGELS LIFE BALANCED, THEN IN THE ANGELS THERE IS NATURE IN THE POSITIVE AND NEGATIVE DIRECTIONS

Now, we are still concentrating on uncovering the secrets contained behind the verses: "... *We say to*

the angels: "Prostrate to Adam, then bow down to them... (Al Kahf: 18: 50)". ..when your Lord revealed to the angels: "Verily I am with you, so strengthen those who have believed." Later I will strike fear into the hearts of the disbelievers, so cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)

It turns out, here Allah has opened up to humans that, actually in angels, so that angels live in balance, in angels there are two characteristics, namely:

First, the nature that leads to a positive direction "*... We say to the angels: "Prostrate yourselves to Adam, then bow down to them... (Al Kahf: 18: 50)*

Second, the nature that leads to the negative "*...cut off their heads and cut off each of their fingertips (Al Anfaal: 8:12)*

Why does Allah display the image of angels who have two directions of nature, traits that lead to a positive direction, "*...then prostrate... (Al Kahf: 18: 50)* angels to Adam, traits that lead to a negative direction, "*... cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)?*

The answer is

Hidden in the secret behind the verse: "*... You never see in the creation of the Most Gracious God anything that is not balanced... (Al Mulk: 67: 3)*

Well, it turns out that anything created by Allah is "*... balanced... (Al Mulk: 67: 3)*

When the angels prostrate to Adam, it signifies that the angels are obedient to Allah's commands, a positive commandment from Allah to the angels.

Then, two years after the Prophet Muhammad's migration, the main enemies of the Muslims came, namely Abu Sofyan and his followers who brought merchandise from Syria. Abu Jahal and Utbah bin Rabi'ah who came from Mecca and his troops.

Well, because the Muslims were still weak, Allah helped the Muslims by bringing in angels to help.

ANGELS LIFE BALANCED, LIVE POSITIVE AND NEGATIVE LIFE

The problem now is that angels have a negative attitude, namely Allah commands the angels "*...cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)*

Now, even though it is Allah's command to the angels, but because the command contains elements of killing humans, "*...cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)*

This is what is called an angel who has a nature that leads to a negative direction.

And indeed this was deliberately displayed by Allah in the event of a war between the Muslims against Abu Sofyan and his followers who brought merchandise from Syria and Abu Jahal and Utbah bin Rabi'ah who came from Mecca and his troops.

So, here Allah has revealed about the angels who live "*... in balance... (Al Mulk: 67: 3)*

Positive life, "*...prostrate... (Al Kahf: 18: 50)* to Adam. And a negative life "*...cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)*

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "... *We say to the angels: "Prostrate to Adam, then bow down to them... (Al Kahf: 18: 50)". ..when your Lord revealed to the angels: "Verily I am with you, so strengthen those who have believed." Later I will strike fear into the hearts of the disbelievers, so cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)*

It turns out, here Allah has opened up to humans that, actually in angels, so that angels live in balance, in angels there are two characteristics, namely:

First, the nature that leads to a positive direction "... *We say to the angels: "Prostrate yourselves to Adam, then bow down to them... (Al Kahf: 18: 50)*

Second, the nature that leads to the negative "...*cut off their heads and cut off each of their fingertips (Al Anfaal: 8:12)*

Why does Allah display the image of angels who have two directions of nature, traits that lead to a positive direction, "...*then prostrate... (Al Kahf: 18: 50)* angels to Adam, traits that lead to a negative direction, "... *cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)?*

The answer is

Hidden in the secret behind the verse: "...*You never see in the creation of the Most Gracious God anything that is not balanced... (Al Mulk: 67: 3)*

Well, it turns out that anything created by Allah is "... *balanced... (Al Mulk: 67: 3)*

When the angels prostrate to Adam, it signifies that the angels are obedient to Allah's commands, a positive commandment from Allah to the angels.

Then, two years after the Prophet Muhammad's migration, the main enemies of the Muslims came, namely Abu Sofyan and his followers who brought merchandise from Syria. Abu Jahal and Utbah bin Rabi'ah who came from Mecca and his troops.

Well, because the Muslims were still weak, Allah helped the Muslims by bringing in angels to help.

The problem now is that angels have a negative attitude, namely Allah commands the angels "...*cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)*

Now, even though it is Allah's command to the angels, but because the command contains elements of killing humans, "...*cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)*

This is what is called an angel who has a nature that leads to a negative direction.

And indeed this was deliberately displayed by Allah in the event of a war between the Muslims against Abu Sofyan and his followers who brought merchandise from Syria and Abu Jahal and Utbah bin Rabi'ah who came from Mecca and his troops.

So, here Allah has revealed about the angels who live "... *in balance... (Al Mulk: 67: 3)*

Positive life, "...*prostrate... (Al Kahf: 18: 50)* to Adam. And a negative life "...*cut off their heads and cut off every tip of their finger (Al Anfaal: 8:12)*
