**ABSTRACT**

Before the author writes down what is the real secret of Allah, when Allah created the skys and the earth, Allah's throne is above the water, the writer first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of what Allah's secret is, when Allah created the skys and the earth, Allah's throne on water, based on Deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool about what Allah's secret is, when Allah created the skys and the earth, Allah's throne on water, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves." (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill (all My commands) and let them believe in Me. Me, that they may always be in the truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"He arranges affairs from the skys to the earth, then it ascends to Him in one day whose level is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa ': 21:16)*

*"So He made it seven heavens in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)*

*"Allah created the heavens and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)*

*"So he put a veil from them; then We sent Our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)*

*"And Maryam, the daughter of Imran, who kept her honor, so We breathed into her womb some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient. (At Tahrim: 66:12)*

*"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)*

*"He brings out the living from the dead and brings out the dead from the living and gives life to the earth after its death. And in this way you will be brought out (Ar Ruum: 30: 19)*

*"Verily your Lord is Allah Who created the heavens and the earth in six days, then He resided above the 'Throne. He closed the night to the day which followed quickly, and the sun, moon and stars submit to His command. Remember, creating and ruling is only Allah's right. Glory be to Allah, Lord of the worlds. (Al A'raaf: 7: 54)*

*"And everything they have done is recorded in the books of records (Al Qamar: 54: 52)*

*"Read your book, it is enough for yourself at this time as a remembrance against you." (Al Israa ': 17: 14)*

*And He who created the skys and the earth in six days, and is His throne over the water, so that He may test which of you is better in deed, and if you say: "Indeed, you will be raised after death", surely those who the disbeliever will say: "This is nothing but real magic." (Huud: 11:7)*

*"Indeed, in the creation of the skys and the earth, the alternation of night and day, the ark that sailed on the sea brought what was useful to mankind, and what Allah sent down from the sky was water, and with it He gave life to the earth after its death and spread it out. on the earth all*

*kinds of animals, and the moving of the winds and clouds that are controlled between the heavens and the earth, indeed signs for a people who think (Al Baqarah: 2: 164)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

*In an effort to open the veil of God's secret about what God's secret is, when God created the heavens and the earth, God's throne on water, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.*

## **HYPOTHESIS**

Here the author proposes a hypothesis what is Allah's secret, when Allah created the skys and the earth, Allah's throne above water, because water contains oxygen atoms and hydrogen atoms, where oxygen atoms and hydrogen atoms are building materials to create the skys and the earth, based on Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where atmosphere.

## **WHAT REALLY IS ALLAH'S SECRET, WHEN ALLAH CREATED THE SKY AND EARTH, ALLAH'S THRONE IS ON THE WATER, WHAT IS IT WITH WATER**

Now, we are still focusing our minds on uncovering the secrets contained behind the verses: *"He who created the skys and the earth in six times, and is His throne on the water...(Huud: 11:7)"...He ...blow into it His spirit...(As Sajdah: 32: 9)*

Apparently, Allah has declared *"Allah created the skys and the earth ... His throne is on the water ... (Huud: 11: 7)*

Now, the question is,

What does Allah really mean, when Allah created the skys and the earth, Allah's throne on the water?

The answer is hidden in the secret behind the verse: *"... Allah sends down water from the sky, then with it He gives life to the earth after its death... (Al Baqarah: 2: 164)*

Well, apparently when Allah created the skys and the earth, raw materials were needed for the creation of the skys and the earth, where the raw material for creating the skys and the earth was water, because water contains hydrogen atoms and oxygen atoms.

Thus, hydrogen atoms and oxygen atoms were indispensable for the creation of the skys and the earth.

That is, the sky which is a stretch of air needs oxygen and hydrogen for the life of humans, animals, plants and everything on earth.

Well, this is the real secret of Allah, why when Allah created the skys and the earth, hydrogen atoms and oxygen atoms were needed. Or in other words, when Allah created the skys and the earth, Allah's throne was above the water.

Actually Allah does not need a throne, because Allah is everywhere, including in the human body. Allah's form in the form of Allah's energy, Allah's particles and *"...Allah's spirit...(Shaad : 38: 72)* does not need a place.

So, when Allah declares *"...the throne of Allah above the water...(Huud: 11:7)* it refers to hydrogen atoms and oxygen atoms, which are indispensable for the life of all Allah's creatures on earth.

## CONCLUSION

From what has been explained above, it can be concluded that the secrets contained behind the verses: *"He who created the skys and the earth in six times, and is His throne on the water...(Huud: 11:7)" "...He ...blow into it His spirit...(As Sajah: 32: 9)*

Apparently, Allah has declared *"Allah created the skys and the earth ... His throne is on the water ... (Huud: 11: 7)*

Now, the question is,

What does Allah really mean, when Allah created the skys and the earth, Allah's throne on the water?

The answer is hidden in the secret behind the verse: *"... Allah sends down water from the sky, then with it He gives life to the earth after its death... (Al Baqarah: 2: 164)*

Well, apparently when Allah created the skys and the earth, raw materials were needed for the creation of the skys and the earth, where the raw material for creating the skys and the earth was water, because water contains hydrogen atoms and oxygen atoms.

Thus, hydrogen atoms and oxygen atoms were indispensable for the creation of the sky and the earth.

That is, the sky which is a stretch of air needs oxygen and hydrogen for the life of humans, animals, plants and everything on earth.

Well, this is the real secret of Allah, why when Allah created the sky and the earth, hydrogen atoms and oxygen atoms were needed. Or in other words, when Allah created the sky and the earth, Allah's throne was above the water.

Actually Allah does not need a throne, because Allah is everywhere, including in the human body. Allah's form in the form of Allah's energy, Allah's particles and “...*Allah's spirit...*(*Shaad : 38: 72*) does not need a place.

So, when Allah declares “...*the throne of Allah above the water...*(*Huud: 11:7*) it refers to hydrogen atoms and oxygen atoms, which are indispensable for the life of all Allah's creatures on earth.
