ABSTRACT

First of all, by asking forgiveness from Allah SWT here I try to open the signs of the greatness of Allah SWT regarding what exactly is the reason, Allah only created paradise on our earth, from the point of view of photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).)

The signs of the greatness of Allah SWT regarding what is actually the reason, Allah only created paradise on our earth, namely in the verses:

"It is Allah, Who created all that is on earth for you and He willed the skys, then He made the seven skys. And He is All-Knowing of all things." (Al Baqarah: 2:29)

"So He made it seven skys in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat : 41:12)

"And indeed Muhammad saw Gabriel at another time, (An Najm: 53:13) in Sidratil Muntaha (An Najm: 53:14)

"Nearby there is a paradise to live in, (An Najm: 53:15)

"when Sidratil Muntaha was overwhelmed by something that encompassed him. (An Najm: 53:16)

"And hasten to forgiveness from your Lord and to Paradise, whose breadth is as wide as the skys and the earth, which is prepared for those who are pious." (Ali 'Imran: 3:133)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"Allah is the light of the heavens and the earth...Light upon light...(An Nuur: 24: 35)

"... We made the apostle an angel... We made him a man... (Al An'aam: 6: 9)

And hasten to forgiveness from your Lord and to Paradise, whose breadth is as wide as the skys and the earth, which is prepared for the pious (Ali 'Imran: 3: 133)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

"So when I have perfected the scene and I breathed into it My spirit; then let you fall down prostrating to it (Shaad: 38:72)

"Indeed, for example, Jesus in the sight of Allah, is like Adam. Allah created Adam from clay, then Allah said to him: "Be", so he was. (Ali 'Imran: 3:59)

"Who has created the seven heavens in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"O Adam, stay for you and your wife in Paradise and both of you will eat wherever you like, and do not go near this tree, and you will both be among the wrongdoers." (Al A'raaf : 7: 19)

"And hasten to forgiveness from your Lord and to Paradise, whose breadth is as wide as the skys and the earth, which is prepared for those who are pious." (Ali 'Imran: 3:133)

"Then both of them were derailed by the devil from paradise and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a place to live on earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)

"Enter you into heaven, you and your wives will be rejoiced." (Az Zukhruf: 43:70)

"Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises where rivers flow in them. forever. They will abide in it. That is a great victory. (At Taubah : 9: 100)

"His sight did not turn away from that which he saw and did not go beyond it. (An Najm: 53:17)

In an effort to unveil the greatness of Allah SWT regarding what is the real reason, Allah only created paradise on our earth, I use the basis of photons, quarks and the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

HYPOTHESES

Here I propose a hypothesis that is the reason, Allah only created paradise on our earth, because on this earth there are all the atoms that make up humans, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHY DON'T ALLAH CREATE A PARADISE OUTSIDE OUR EARTH, THOUGH THERE'S THE SEVEN SKYS WITH 100 000 000 000 GALAXY ARE VERY BIG

Now, we continue to focus our minds on unlocking the secret behind the verse: *"...a paradise whose breadth is as wide as the skys and the earth, which is prepared for those who are pious, (Ali 'Imran: 3: 133) "O Adam, stay for you and your wife in Paradise and eat both of you wherever you like..." (Al A'raaf: 7: 19) "... We say: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth..." (Al Baqarah: 2:36)*

Apparently, here Allah has clearly declared, that paradise is on our earth.

Why was paradise created on our earth?

Well, the answer is

Hidden in the secret behind the verse: *"...We say: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth..." (Al Baqarah: 2:36)*

Well, *"... We say: "Come down! ... (Al Baqarah: 2: 36)* or in other words, "come out", illustrates to humans, that skys is in the expanse of space on our earth.

This situation is as declared by Allah *"...a paradise as wide as the skys and the earth... (Ali 'Imran: 3: 133)*

That is, here, the sky is an expanse of space, where the earth is above it, and above the earth there is an expanse of the paradise.

So the sky which is the expanse of the room is the place where the earth and paradise are located.

For this reason, Allah describes paradise as the picture on our earth *"... paradise with rivers flowing in it... (At Taubah: 9: 100)*

Where in the water contains oxygen atoms and hydrogen atoms. Atoms of oxygen and atoms of hydrogen are indispensable for life in paradise.

MOST PEOPLE THINK PARADISE IS ABOVE THE SKY, A WRONG THINKING, EVEN PARADISE IS ON OUR EARTH

Now, until this moment, most people still think and believe that paradise is above the sky, just as if humans want to look for paradise, they must look up at the air in the sky.

When in fact, paradise is around humans living right now, on our earth.

As Allah explains *"...Muhammad saw Gabriel at another time, (An Najm : 53:13) at Sidratil Muntaha (An Najm : 53:14) " Nearby is a paradise to live in, (An Najm : 53:15)*

Well, because Jibril is a kind of human *"...an angel...a man...(Al An'aam: 6:9)* who can't fly, so Prophet Muhammad saw can't fly, so when *"...Muhammad... saw Jibril...(An Najm : 53:13) "...in Sidratil Muntaha (An Najm : 53:14) , then actually, Prophet Muhammad saw Jibril in "...in Sidratil Muntaha (An Najm: 53:14) that is on our earth.*

Well, now it's been revealed, the secret that is stored in the verse: *"...paradise whose breadth is as wide as the skys and the earth... (Ali 'Imran: 3: 133)*

That is, paradise on our earth, is above the expanse of the room called the sky.

CONCLUSION

From what has been described above we can now conclude that the secret behind the verse: *"...a paradise whose breadth is as wide as the skys and the earth, which is prepared for those who are pious, (Ali 'Imran: 3: 133) "O Adam, stay for you and your wife in Paradise and eat both of you wherever you like..." (Al A'raaf: 7: 19) "... We say: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth..." (Al Baqarah: 2:36)*

Apparently, here Allah has clearly declared, that paradise is on our earth.

Why was paradise created on our earth?

Well, the answer is

Hidden in the secret behind the verse: *"...We say: "Come down! some of you are enemies to others, and for you there is a dwelling place on earth..." (Al Baqarah: 2:36)*

Well, *"... We say: "Come down! ... (Al Baqarah: 2: 36)* or in other words, "come out", illustrates to humans, that skys is in the expanse of space on our earth.

This situation is as declared by Allah *"...a paradise as wide as the skys and the earth... (Ali 'Imran: 3: 133)*

That is, here, the sky is an expanse of space, where the earth is above it, and above the earth there is an expanse of the paradise.

So the sky which is the expanse of the room is the place where the earth and paradise are located.

For this reason, Allah describes paradise as the picture on our earth *"... paradise with rivers flowing in it... (At Taubah: 9: 100)*

Where in the water contains oxygen atoms and hydrogen atoms. Atoms of oxygen and atoms of hydrogen are indispensable for life in paradise.

Now, until this moment, most people still think and believe that paradise is above the sky, just as if humans want to look for paradise, they must look up at the air in the sky.

When in fact, paradise is around humans living right now, on our earth.

As Allah explains *"...Muhammad saw Gabriel at another time, (An Najm : 53:13) at Sidratil Muntaha (An Najm : 53:14) " Nearby is a paradise to live in, (An Najm : 53:15)*

Well, because Jibril is a kind of human *"...an angel...a man...(Al An'aam: 6:9)* who can't fly, so Prophet Muhammad saw can't fly, so when *"...Muhammad... saw Jibril...(An Najm : 53:13) "...in Sidratil Muntaha (An Najm : 53:14)* , then actually, Prophet Muhammad saw Jibril in *"...in Sidratil Muntaha (An Najm: 53:14)* that is on our earth.

Well, now it's been revealed, the secret that is stored in the verse: *"...paradise whose breadth is as wide as the skys and the earth... (Ali 'Imran: 3: 133)*

That is, paradise on our earth, is above the expanse of the room called the sky.
